Cedar Falls Company Store Robbed

Thieves broke into the Cedar Falls Company Store at Cedar Falls at some time Monday night and stole several hundred dollars worth of goods.

A quantity of clothing, shoes, groceries, and approximately \$250 worth of silk hosiery was taken. Entrance was effected through a window on the north side of the store building.

The thieves evidently crawled up on the shed roof and cut away the fastenings of the window shutter, raised the window sash, and gained entrance.

An attempt was made to enter the store through the two windows on the east side, but the robbers were unsuccessful in opening the windows in that side.

No arrests have been made although the officers have several clues which they hope will lead to the arrest of the guilty parties.

J. H. Merritt, aged 65 years, formerly a citizen of Greensboro, died Sunday afternoon in a sanatorium at Morganton where he had been a patient for three years.
