DOLLS! DOLLS! DOLLS!

BY THE THOUSANDS, ARE NOW ON DISPLAY BY THE HAYES CO., AT RANDLEMAN, N. C.

We had the good luck to purchase about 2000 dolls at about one third of their actual cost, and we are offering them at the lowest price that dolls have ever been sold since 1912, and in fact less than they were sold for before the war.

For instance, we are selling a real bisk head doll that will go to sleep, for the sum of only 15c, worth 35c. \$1.00 dolls for only 50c. \$2.50 dolls for only \$1.00.

Judging from the way we are selling dolls, more little mothers will have new dolls this Christmas than ever before within our memory.

There are many kinds of dolls in this lot: Mama dolls, Sleepy dolls, Character dolls, large and small.

No matter how particular the girl may be you are sure to find here one that will make any little girl happy.

At less than half the cost at any other store in Randolph county.

We will sell to merchants any of these dolls at prices so they can sell them at the prices that we are selling them and make a good profit on their purchase. Come and see for yourself, and you will be pleased and will get great bargains, in dolls.

Old Age is Coming

You will not always be strong and able as you are now. You will not always be able to earn as you have need. If you have a day of rest in the future it will be because you are making provision for it now. Make it a habit to lay aside a certain sum every week in a savings account, and then stick to it.

It is simply a matter of using foresight. It is prudence. It is a first step toward financial independence. It is making present prosperity contribute toward future comfort.

Our savings department pays 1 per cent interest, adding the interest every 3 months. Open an account with us and save a certain portion of your earnings every year.
