### BENCH SHOW

The fifth annual Randolph County Bench Show was held at the Fair Grounds September 24th, and 60 dogs were benched.

Maj. R. T. Stedman, Winston-Salem, judged Pointers and Setters.

Mr. M. Tate and Mr. Hinkle, Greensboro, judged Fox Hounds and Beagles.

The championship ribbon for the best dog in the show was won by "Plumgoodun". This is the third consecutive year this handsome dog has won this honor and his owner, Mr. W. W. Lindley, announced that he is now retired from further competition at this show. To date "Plumgoodun" has met and defeated over five-hundred dogs.

It is gratifying to note the marked improvement in shooting dogs from year to year. While not as many were benched, as in previous years, the quality was far superior. Below is a list of the winners and owners:

**Pointers**  
Puppies—"Whip", J. W. Meredith, Trinity, First.  
Dogs—"Plumgoodun" W. W. Lindley, First; "Senator Frank", J. M. Little, High Point, Second; "Rap" C. Rush, Third.

# Firestone

## Why Gum-Dipping is so Important to Car Owners

GUM-DIPPING—the Firestone extra process builds into tires extra quality by impregnating and insulating every fiber of every cord with rubber.

This exclusive method is carried out in special Gum-Dipping plants, after which the cords are put through the usual calendaring process.

By this method, added strength and flexibility are imparted to the cords, making Gum-Dipped Balloons most serviceable and enduring over rough roads.
