## Randolph To Get Three Weeks Of **Court Next Month**

One Week Will Be For Trial Of Cases On Criminal Docket And Two For Civil.

**Definite Dates Later Jurors For Special Terms Drawn** Saturday By The County Board.

Beginning sometime in October, de inite date to be set later, Randorph county is to have two special terms of Superior Court, one week of criminal and two weeks of civil. These special terms have been granted by Governor McLean, but the dates have not been definitely determined nor has any certain judge been designated to preside. The term of criminal court last week disposed of few cases other than the 35 jail cases which were taken up first. All the cases tried were submissions, no case being contested to the finish. It took some time, however, to hear the evidence in the cases submitted, and although court moved along swiftly, little head-way was made toward clearing the

### County Attorney Given Authority To Foreclose Liens

The county intends to realize on the tax liens which it holds. Year after year real estate has been sold at public auction for non payment of taxes and the county has become the possessor of many acres of real estate. None of the tax liens have been foreclosed, however, and in many instances the same piece of property has been sold from year to year. At the meeting of commissioners held Saturday, however, a move was made to secure title for the county of real estate auctioned off to the county at tax sales. On motion of E. B. Leach seconded by W. L. Ward the following resolution was passed: "The county attorney is hereby authorized and directed to take such action as is necessary to foreclose tax liens in all cases where land has been sold for taxes and bid in by the county."

# **Public Schools** To Open Oct. 10th

Date Set By County Board Of Education—Other Important School Matters.

School Truck Ruling

The county board of education ty should begin on Monday, October 10th. Another matter among the many of importance passed on was instructions issued to the attorney to the town board authorizing him to be retarded. proceed with the collection of all sci fa judgments now existing on the docket in the office of the Clerk of

and that their duty shall be to assist in carrying out the provisions of the compulsory attendance law. All principals and teachers in the county should report the non-attendance in their schools to the nearest officer.

A former order transferring Cedar Square school to Trinity was made permanent and children from this district will be transported by truck to Trinity.

It was ruled by the board that in a district in which a truck operates that one and one-half miles from the building is the distance at which the truck will stop picking up children for transportation to school. In districts where a truck is operated and the entire school is not transported, transportation will be furnished to high school pupils and for such other grades as may be designated by the County Board of Education, and in no case will a part of a grade be transported at the county's expense and the other left in the district. For instance, where a small school is operated in connection with a central school the entire seventh grade may be transported or the sixth grade, but seventh will not be transported and the other part left.

Now that the State Highway Commission has taken over No. 62 from Asheboro in the general direction of Albemarle and since everything seems to be moving smoothly on No. 90 west of Asheboro, good roads people in Asheboro and other parts of the county are turning their attention to an effort to obtain an exten-The parents are requested to have these defective teeth of their children treated at once. When this work is done the dentist will give the community to the Moore county capital. Still another route proposed is from Asheboro to Coleridge to High Falls and thence to Carthage.

A meeting was held Tuesday af-ternoon at Coleridge in the interest of the Coleridge-High Falls route. Interested persons from Asheboro, Coleridge and community, High Falls, Sound Hemp, Bennett and other points were present at this meeting. Dr. R. L. Caveness, of Coleridge, presided over the deliberations of the meeting while Mr. Edd S. Phillips, of Bennett, acted as secretary. There was much discussion over the proposed routing of 19 the road. It appears that all present Short Stretch Of Road Leading at the Coleridge meeting were not 12 in harmony over the route which the extension of the highway, if extended, should take. J. A. Higgins, young married

man of Winston-Salem, has been elected policeman for Asheboro to assume the duties incident to the office Saturday, September 17th. Mr. Higgins, while not serving as a police officer at this time, has in time past served two years on the Winston-Salem force. A letter from the captain of the squad in which Higgins served recommends the new officer very highly. It is pointed out that Higgins left the police service in the Twin City of his own free will and accord and that his resignation was regretted on account of his ability and efficiency as an officer of the law. Higgins is by trade a skilled worker with wood-working machinery. He will move his family to Asheboro within a short time. To enable him to more efficiently serve the town the town commissioners have voted to purchase a motorcycle for his use. Mr. Higgins succeeds Mr. C. W. Steed, who has served the town in capacity of police officer for a number of years.
