County Board To Lease Land For

Offer Part Of County Homo Tract To State Game Commission For This Purpose.

Sell \$120,000 Notes

At Low Interest Rate—Several Bidders For The Notes, Including Local Folks.

The board of commissioners of Randolph county in monthly session Monday in the court house sold \$120,-Dickson and Company at an interest payable in six months from date. One hundred thousand dollars of the money so borrowed is for the purpose of paying off a like amount in notes due December 17th. The money realized from the sale of the \$20,000 in notes will be used for current expenses and bear date of December nual income of approximately \$60, 5th. The notes were issued and sold 000. in accordance with the provisions of the County Finance Act, and must, when due, be paid out of the tax money collected. Among the seven bidders for the notes were the Asheboro Bank & Trust Company, Asheboro, Bray Brothers, Greensboro, and T. J. Finch, of Trinity, and George B. Craven, Trinity, agent, and First National Bank, Asheboro, agent.

The commissioners passed a resolution offering to lease a part of the county home tract of land, two miles south of Asheboro, to the State Game year of \$230,766.54 on schools in the Commission for a game preserve. The acreage to be included in the lease may range from 50 to 75 and is to be also received and approved. Superinselected by a committee composed of tendent Bulla was instructed by the selected by a committee composed of three members of the board of commissioners and one member of the State Game Commission, with the chairman of the board of commissioners acting as chairman of the selecting committee. The lease, if accepted, will extend for a period of 99 years and will be used exclusively under the supervision of the State Game Commission as a game preserve for the preservation and propagation of game only.

Game Preserve During First Six Months It. Makes Itself Felt In The Agricultural Industry.

It is disclosed in the annual report made by County Agent Millsaps to the board of commissioners, setting forth agricultural activities for the past year, that the Randolph Creamery, Inc., which was organized for bus-iness last April, bought during the first six months of its existence 104,-366 pounds of cream. Out of this cream there were 31,342 pounds of butterfat, and 42,842 pounds of butter were made. It was estimated that the farmers were paid a total of \$17,-000 in tax anticipation notes to R. S. 136.80 for the cream which they sold rate of 4.33 per cent. The notes are 000 a year. Since a large amount of the creamery, or at the rate of \$34,cream produced in Randolph county is sold to creameries outside the county, these creameries having operated routes in the county for several that the amount of cream sold by
