Farmers' Mutual Made Even Break

Losses and Assessments Offset Each Other—Annual Meet-ing Monday.

S. S. Cox, President

Starts On 26th Year As Head Of Association—Growth Of The Mutual.

The annual meeting of members of the Randolph branch of the Farmers' Mutual Fire Insurance Association was held in the courthouse in Ashebore Monday morning. The meeting was called to order promptly at 11 Claud Routh advised the board that o'clock by President S. S. Cox. Due to he had not gotten deed for the old the cold weather only a small repre-sentation of the association's 1,858 members was present.

The financial report of the association read at the meeting disclosed that for investigation. losses incurred by fire and wind dur- I. L. Ferree, Mary Ferree and W. C. brought the total disbursements of the association for the past twelve months up to \$8,764.88. Offsetting 90, coming out at or near the Madimonths up to \$8,764.88. Offsetting 90, coming out at or near the Madithis amount was the \$8,976.05 which son Hendrix place. By the terms of

S. S. Cox, president; J. P. Collett, vice president; C. E. Allen, sec. and treas.; J. M. Allen and J. F. Routh, agents; S. S. Cox, M. M. Coble, T. S. Bouldin, W. R. Hamlin and G. H. Cornelison, board of directors. Members of the contributions of the contribution of bers of the executive committee include, A. J. Luck, Edgar Macon, Willard Brown, Harris Kearns, J. T. Thornburg, R. O. Parks, Troy Redding, W. C. Hinshaw, Add English, W. C. Wood, John Rich, R. W. York, C. C. Cheek, C. M. Tysor, Marcus Wood, Clyde King, K. G. Coltrane and W. F.

A motion was made and carried to call the members of the executive meeting together some time soon for the purpose of making the assessment for the year and to devise ways and means to educate the members of the association in fire prevention measures. The present rate of assessment is thirty cents on the \$100 valuation, which is considered conservative when compared with rates of insurance ed by stock fire in

100 members and insurance in force to the amount of approximately \$300,-000. Good years and bad years of business have been the experience of the association, but it has continued the association, but it has continued the first part of the matter was that to grow until now it is considered one the first of the week of Paul Payne

Mr. John Hinshaw Is In County On Visit

Lives In Emporia, Kansas, But Was Born Near Randleman, In Randolph.

Mr. John Hinshaw, of Emporia, ing friends and relatives. He spent a part of the holidays with the Barker brothers on Asheboro, Route 1. Mr. Hinshaw is the son of Andrew and Sarah Hiatt Hinshaw, who lived at the only invited guests. what is known as the Moser place, near White Hall Service Station, a mile and a half south of Randleman, on Highway 70. Mr. Hinshaw re-members his parents lived in a log held last week-end with 15 Scouts locating in Indiana and later moving to Kansas, where members of the family still reside. Mr. Hinshaw is programs carried out during these engaged in farming. He has reared and educated a family of six children, one of whom is a successful business man of Sebring, Fla. This is the hird visit Mr. Hinshaw has made to third visit Mr. Hinshaw has made to his native county, and the mission upon which he came this time is to put a marker at the grave of his great-great grandfather, Thomas Hinshaw, in the Mariboro burial grounds. Mr. Hinshaw has a large family connection in the county, Many of whom he is probably not acquainted with, but he is deeply interested in those persons in the county bearing the Hinshaw name.

Meeting W. M. S. the first meeting of the new year th the new officers presiding, all members are urged to be present.

County Three New Cases In

December.

Scarlet Fever Cases

Ten Are Reported During The Month, Which Is Less Than In November.

The monthly report of Dr. G. H. Sumner, County Health Officer, to the Randolph County Health Officer, to the Randolph County Health Board in regular meeting in the court house in Asheboro Monday afternoon, shows abatement in the number of diphther-

ia and scarlet fever cases during the month as compared with the number of cases of these diseases the month ceries to be found in the better stores previous. Ten new cases of scarlet fever were reported during the month and three of diphtheria. Chicken pox took a jump, however, to a total of 26 cases.

During the month, Dr. Sumner made two visits of instructions to grant the second state of the farmers of the country. This will be the buying of all kinds of country produce, chickens and eggs and, in fact, almost every product that is produced on the farm.

Among other duties performed by new store within the next two or three weeks doesn't mean that Mr. work during December included thirty visits to the jail and eight to the store by any means. It will be constructed to the store by any means. It will be constructed to the store by any means.

A Serious Charge

Mrs. Maggie Coble Alleges Grover King Criminally Assaulted Her.

Happened Dec. 12

Grover King, 19-year-old Randleman white man, is in jail in Greensboro charged with criminal assault upon Mrs. Maggie Coble, middle-aged resident of Greene township, Guilford county. The warrant alleges the as-sault took place at the Coble home on the night of December 12th. According to the story told by Mrs. Coble, King came to her home the night of the 12th bringing whiskey with him; that King tried to force her to take a drink with him and then assaulted her. Mr. Coble was away from home at the time, he being detained on the Guilford county road force.

King's contention is that he is innocent of the charge and he avers that he will be able to prove that he was not at the Coble home on the night of the alleged assault. Pre-liminary hearing will be before Judge D. H. Collins, in Greensboro, tomor-

Snow Flurries Too

Few Flakes Fell In Ashebere And There Was Great Deal In West.

When the thermometer, which is carefully watched over by Rev. J. E. Pritchard, weather observer, dropped to six above zero early Monday morning, this community was experiencing the coldest weather since January perature was recorded by the official weather indicator. Thermometers in exposed places showed zero and some boro folks will have to be contented with the official reading. It was the general opinion among the townsfolk that Sunday night and Monday morning constituted the coldest period in Asheboro in several years. This was probably due to the fact the the cold snap followed several days of gentle weather, while last year the cold per-

iod came during a series of cold days. The temperature rose about eight or ten degrees Tuesday and is continuing to rise until normalcy has been restored in weather conditions.

The cold wave swept over the en-Asheboro; and Miss Marie Wrenn, at teen below zero was recorded at Blowing Rock and at Boone it was 18 below and in the blue Ridge 20 below
