### Superior Court Sessions Begin Monday, Dec. 3rd

With Judge A. M. Stack, Of Monroe, Presiding—Criminal Cases Only For Trial.

#### Calendar Prepared

Showing A Heavy Docket Which Will Be Taken Up When Court Begins Dec. 3.

Randolph Superior Court for the trial of criminal cases only will convene in Asheboro on Monday, December 2, with Judge A. M. Stack, of Monroe, presiding. Court will last for two weeks, and only cases on the heavily congested criminal docket will be tried. This court is usually divided equally in the trial of civil and criminal cases, but due to the fact that congestion of the civil docket has been greatly relieved by the special court term a short while ago, it was deemed best by the local bar to devote the entire two weeks of the December court to criminal cases.

The calendar for the court has been prepared and will be followed as closely as possible as follows:

- Monday, December 2
- No. 1. Jack Martindale, attempt to murder.
- No. 2. Kermit Kearns, manufacturing liquor.
- No. 7. Floyd Allred, possessing liquor, suspended judgment.
- No. 8. Claude Cromer and Roy Houser, possessing liquor, etc.
- No. 9. Joel Jessup and Elbert Jessup, possessing liquor, suspended judgment.
- No. 10. L. S. Pipkin, driving car intoxicated, cost due.
- No. 11. O. M. Lassiter, possessing liquor, cost due.

#### BRIDGE BEING BUILT OVER UWHARRIE NEAR FULLERS

Mr. T. A. Cox, of Ramseur, Route 2, who has done considerable bridge work for the county during the past few years, is supervising the construction of a county bridge over Uwharrie river near Fuller's mill. This bridge is on a new highway leading from 90 in the direction of Thomasville.

#### See Game Exhibits

The Department of Conservation and Development estimates that 400,000 persons during the past fall viewed exhibits of game, fish and fowl at various fairs in the State. Exhibits were taken by the State Game Farm, Asheboro, to several of the leading fairs in the State, as were exhibits from the fish hatcheries. Forestry exhibits were also staged at some of the fairs.

#### Sunday School Class To Give Play At M. P. Church

Miss Esther Ross' Sunday school class of girls will give a short play, entitled, "Beggars Cannot Be Choosers," at the local Methodist Protestant church next Sunday evening at seven o'clock. The usual devotional services of the evening services will be held and the play will take the place of the evening sermon. These young women have been working on this play for some time and it is expected that it will make a fine impression on those who hear it. The public is cordially invited. Remember the hour for the evening services will be seven o'clock for the next two months.

#### MISS MYRTLE SMITH WEDS MR. FRAZIER L. BLANCHARD

### Community Chest Fund Raised For Organized Charity Work In County

Asheboro's drive for a Community Chest fund of \$1,000, staged yesterday morning by representative citizens of the city in charge, went over in fine style, and before the drive was concluded the greater part of the goal was reached. Additional contributions are necessary, however, for the fund to reach its maximum amount, and those who were not seen by the canvassers and who want to contribute to this fund may leave their contributions at The Courier office or at either one of the three banks in Asheboro.

Funds raised for the Community Chest will be placed in charge of a committee of three, composed of W. A. Bunch, treasurer, and Dr. George H. Sumner, county health officer, and T. Fletcher Bulla, county welfare officer. No expenditures for charity purposes

will be made from the fund until the case has been investigated thoroughly by the members of this committee and the matter unanimously approved.

The establishment of a Community Chest in Asheboro is in line with such undertakings in other towns and cities in the State and country in an effort to organize charity work and to prevent overlapping of effort in this direction. It will mean also that the needy cases will receive adequate attention, and relieve the strain on individuals in the city who have in the past carried on charity work with little assistance from outsiders. By means of the Community Chest, every citizen in the community who is able financially to do so will have an opportunity to take part in a humane undertaking.

### Sunday, December 8, Designated Honor Day Local Baptist Church

Members Asked To Come In During Afternoon And Sign Pledge Cards For Year.

Sunday, December 8, has been designated as "Honor Day" for Asheboro Baptists, at least those who are members of the Asheboro church. On that day, every member, man, woman, boy and girl, is expected to come to the church between the hours of 1:00 and 4:30, in the afternoon, and sign pledge cards for support of the work during 1930. At that time the envelopes will also be distributed.

If all will do this, it will save a vast amount of work for the canvassers. Last year the budget called for \$4500. This year with an increase of approximately fifty members to the church, and an 80 per cent increase in Sunday School attendance, the budget committee is recommending only approximately \$4800. This is a plea for every member to come at this time, and save time and effort of having someone call on them personally.

The pageant, "America's Call to Service," which was presented last Sunday evening at the regular evening service, was a rare treat for those who attended. Each part was well acted, and demonstrated the ability of those who presented it.

Impressively set forth the fact that America spends annually \$550,000,000 for jewelry, \$900,000,000 for motion pictures, \$1,050,000,000 for chewing gum, \$600,000,000 for soft drinks, \$1,000,000,000 for sports, \$650,000,000 for ice cream, \$750,000,000 for cosmetics, \$3,000,000,000 for tobacco, to say nothing of candy, expensive cars, gasoline, etc., or a total of \$8,800,000,000 for non-essentials; while for all church causes of all churches only \$600,000,000 were given. These are staggering sums, and should cause every Christian to ponder these figures and give more to the Lord, and less to selfish pleasures.

#### Singing At John Wesley

Announcement has been made by Rev. J. F. Burkhead, pastor, that there will be a singing at John Wesley Stand on Sunday afternoon, Dec. 1, beginning at 2 o'clock. Seventy-five cents out of every dollar is retained locally for work at home, while only twenty-five cents goes to the State and National Tuberculosis associations which is used for research work of tuberculosis attempting to find the cure absolute, and educational work.

In the past ten years in North Carolina the death rate from tuberculosis has been lowered to the extent which means in this state a saving of fifteen thousand lives and a money saving of lives millions of dollars. Part of every dollar stays in Randolph county and is used for the prevention of this disease.

The colored citizens of the county have always been very active in the sale of these seals, and a good amount of the money has been used among their race.

### To Build Addition To Depot At Liberty

30-Foot Addition Ordered Constructed By Superintendent Of A. & Y. Railroad.

Liberty, Nov. 26.—Hoover's conference with representatives from the various leading industries of the country seems to be effecting Liberty favorably. The Liberty Chair Company, B. J. Gregson's Chair Company, Liberty Broom Works, Dameron Veneer Co., Liberty Veneer Co., and the Dependable Hosiery Mills are all running on full time and have more orders than they can fill. Many contracts have been closed for 1930 business.

In consequence of the increased production from these industries, two of which have been organized in the past two years, Dameron Veneer Co., and the Dependable Hosiery Mills, the local freight shipments have increased to such proportions that the Atlantic and Yadkin depot facilities are inadequate to care for the outgoing and incoming freight. Hence Mr. Sydney DeBotts, general supt. of the A. & Y., has ordered a 30 ft. addition to be built to the present depot here. Work on this project is to begin immediately. Floyd Deaton, local lumber dealer, has been given the order for the lumber.

The building will be constructed by the construction squad of the Atlantic and Yadkin Railroad.
