Figures are not available as to instructed votes for House of Representatives, but it appears that J. F. Burkhead, of Asheboro, has the largest number, with N. C. English, of Trinity, a close second. Burkhead's instructed vote approximates 60, which is a little more than half needed for nomination. There are a few instructed votes for A. C. Lowdermilk, of Seagrove, and Prof. W. H. Albright, of Liberty. This nomination, too, will be decided by uninstructed delegates from the majority
