human beings, at the same time, dli-minate the danger to society as a whole. Dr. Weston urges that peo-ple taking advantage of preventative and sending the heads for examina-tions for the reason that the negri measures rather than killing of dogs bodies of the disease do not show up in the brain in the early stages of rables and is therefore, not a safe criterion to go by.

Since there are already several people taking treatment for rabies in Asheboro, the citizens would do well to have a dog vaccination cam-paign for the sake of community nut by vaccinating dogs once a year naive nor painful for

Paint Contractors Must Register Now According To Code

T. B. Gaskins, central district chairman of the paint contractors and paperhangers, stated yesterday that all contractors in this section should register at once at his office. This district is composed of 19 counties; Ashe, Allegheny, David-son, Davie, Forsyth, Guilford, Ire-dell, Montgomer, Moore, Randolph, Richmond, Rockingham, Rowan, Scotland, Stokes, Surry, Watauga, Wilkes and Yadkin. It was organiz-Soady.

ed January 1, and application for a wage scale has already been forward-ed to the National Code Authorities. Mr. Gaskins called attention to letter from G. S. Stuart, executive secretary of the National Code au-thority, which referred to "adminis-trative order No. X6" and added: that a scout should know. Walter Yow and Tom Wiles, local Kiwanians, gave the scouts a theatre party after the meeting was over. This was greatly enjoyed by all who

"You will note that this order makes it mandatory that every mem-ber of the painting, paper langing and decorating industry, shall with-in 30 days from the effective date of the code for this industry, or from the date of his entering the busi-ness, register with the National Code authority.

The effect of this order means

Mr. Win-It is of further interest to the slow's son was born on January 1st. citizens of Asheboro and of Randolph at 5 a. m. county, that a part of the funds

collected will be retained in the Novel Discussion county to be expended for relief of crippled children. This fact lends an **Before Rotarians** added impetus to the social side of Weekly Lunch-Meet the ball which is sufficient in itself.

Asheboro Rotarians were presented **State Legislators** At the regular meeting of the an unusual feature at their regular Asheboro boy scout troop on Friday meeting Friday in the form of an night, Dr. J. H. Soady, of Asheaddress by Lt. Colonel C. Seymour boro, delivered a most helpful speech Bullock, well known lecturer and explaining first aid work and its prominent Rotarian. His subject importance. This first aid work is was, "What Makes Rotary Rotate." ecessary in order to pass the second He stressed the friendship grow-

ing out of close acquaintance made The boy scouts learned that there are three kinds of burns, and also possible in the Rotary organization and the co-operation resulting. Also learned the treatment for each. the importance of nationalism, of Sprains and strains were next dispatriotism to ones country, and incussed and a treatment was sugternationalism from the standpoint gested for each of the various kinds. of good will and fellowship. He said that Rotary is symbolic of that Fainting and shocks were also disviewpoint.

Co-operation, to Colonel Bullock, is the life of trade, not competition. The Rotarian code, as practiced by its members, is a promotor of ideal-ism in business and professional life. It was further pointed out that Rotary amounted only to what its members put into it and not what

they get out of it.

General Interest. The State's general assembly was brought face to face with the liquor question Friday. The first of the rumored bills made its appearance in the house of representatives, be-ing introduced by Representative

Day, of Onslow, who says he is personally dry. The Day measure is the first "hard liquor" bill to come to light but earlier in the week a neasure favoring 4.5% beer was offered. Representative Day's bill does not provide for the establishment of the A. B. C. system as in Virginia. It would call for a referendum on the first Tuesday after the first Monday in July 1935, on three pro-

A one emoodying the present vir-ginia system is expected to come from Representative White, of Chow-an, who would use liquor profits for unemployment relief. Representative Palmer, of Cabarrus, favors a movement for the Canadian system which eems very popular in that country.

breaded over the meeting with Tr.
F. Bulla, Dr. J. G. Crutchfield, Dr.
C. S. Tatte and W. A. Bunch, mayor of Asheboro.
The board met for the purpose of formally maning a whole time county naming a whole time county hash officer for Randolph, in accordance with the North Caroline law which stipulates the month of January for this business. Dr. George Summer was formally declared health officer, but since he is on heave of absence at Harvard for post graduate work, Dr. A. D. Gregg of Liberty, is acting health
