# Soil Conservation **Association To Be** Formed Thursday

Meeting Called For Thursday, August The 8th In The Randolph Court House.

### **Important Meet**

All Citizens Of Randolph Urged To Attend And Participate In This Vital Program

Thursday afternoon, August 8th, at 2:30 p. m., there will be a meeting at the courthouse for the purpose of organizing a County Soil Conservation Association.

This is necessary if we are to utilize the services of the CCC ing fast and going into the barns. camp, which has been located in our county. Representatives of the exwork, and the need of a county organization if we are to benefit from

have the idea, that eventually every farm will be terraced, lime, fertilizer furnished, and other things done without cost, just as has been done in the demonstration area around High Point. For this reason, very little attention has been given toward a county wide program.

The soil conservation service, as set up by Congress, cannot terrace This must be done by the farmers, themselves, through a county soil conservation association. There are certain things that the soil conservations service can do. It is understood that CCC employees will be used part of the time in building terrace outlets, and doing certain otherwork that will make the terraces Beloved Veteran Is permanent. They will also do some work in connection with gully control, forestry planting and manage-ment, and related projects.

The county commissioners are in accord with this program, and will cooperate in every way possible, but first it is up to the citizens to attend this meeting Thursday, and find out in detail, just how the county is expected to cooperate to make this fifty-fifty proposition work out for the benefit of all.

jamboree to be held in Washington from August 21st to 30th. This jamboree celebrates the 25th aniversary of active Scouting in the United States. The Scouts will camp on a tract of land along the Potomac. The Asheboro Scouts who will attend this meeting are Bob and Bill Allred, David Stedman, and Tal Rochelle.

# **August Session Busy For** Randolph Commissioners In Meeting Monday, 5th

#### Asheboro Loses To Gastonia By Score Of 5 To 8

The sporting spirit of the Asheboro American Legion Juniors arose to the occasion Wednesday afternoon in their defeat to Gastonia's Legion team. After the victory of Tuesday afternoon in Asheboro when the Asheboro boys won over the Gastonians in a hotly contested game ending in a 5 to 4 score, fans from all over the state trekked to Gastonia for the game. Proud of their victory Tuesday, the local team were not too certain of the same fate on Wednesday, recognizing the training of their foes. Coming home in defeat does not mean defeat next time for these dauntless youths who will work even harder and probably be more on their mettle

for the next games. The score was 8 to 5 in favor of Gastonia. Asheboro started out hot, getting three runs in the first inning compared to Gastonia's 1. In the seventh Gastonia scored one against Asheboro's two. But from then on the Randolph boys were snowed under. In the eighth Gastonia ran wild with five runs.

Favor Blue Laws For Randolph Concerning Fire Works And Slot Machines

#### **Machinery Act Is Wisely Considered**

Further Action On School Funding Problem Is Taken After Much Careful Study

At the August meeting of the board county commissioners, held on Monday, August 5th, the board enacted several "blue laws" for Randolph. Concerning the matter of granting privilege of selling fireworks to blind persons, all free permits or licenses ssued to blind persons for sale of fireworks in Randolph county were revoked. It was further ordered that the clerk of the board notify all interested persons of this act. The esolution concerning this matter was adopted unanimously by the board.

The second action by the board on such matters was a unanimous decision and instruction to the sheriff of Randolph county to enforce the law regulating the operation of slot machines in this county as set forth in chapter 282 Public Laws of 1935. The sheriff was further instructed to collect a privilege tax on all slot machines not prohibited by law. The tax follows: one cent machines, \$5.00 annual tax; five cent machines, \$10.00 annual tax for all or any part of a year, the same to be dated as of May 1st each year.

Inthe matter of the 133 acre farm ourchased by C. Eugene Kearns, the farm was listed at \$1,850 and the palance of the land now owned by S. L. Jackson, amounting to 187 acres, be listed at \$2,210.

It was ordered by the board that Ernest Lambeth, a disabled war veteran, be exempted from the payment of peddler's license in this county. Citizens from Liberty township came in with a petition for a road

which was referred to the state highway commission. Citizens from Concord township, presenting a similar (Please turn to page 8)

#### Kiwanis Club Is **Host To Asheboro** Junior Boys' Team

Junior Legion Team Deserves Much Praise For Favorable Advertising Of City

In special recognition of the excellent work of the Randolph Junior American Legion baseball team, the entire team and their coach, Rufus Routh, were guests of honor at the Kiwanis meeting, Tuesday evening. These boys have done a great deal to give Asheboro wide notice throughout the state and the club was loud in praise and support for them.

They were greeted with cheers as they entered the dining room and held the center of the stage for the entire meeting. Rufus Routh was lauded for his excellent work in Lt. George B. Rodney, Jr., Of training these players and bringing them this near the state championship. He spoke a few words about the team and thanked the Kiwanians for the support they have given his undertaking. He also thanked Kelly Johnson, who has helped with the coaching, Walter Craven, post commander of the American Legion, and Harris Burkhead, for their part in helping make these games a success.

R. L. Bunch explained that, for the remainder of August, there will likely be a ball game in town every Tuesday afternoon and asked that the meetings for the rest of the month be held at seven o'clock instead of six thirty. His motion was carried.

#### Additions Made To **Garland Lake Dairy Modernize The Plant**

During this week and for the next ten days, improvements are going forward rapidly at Garland Lake Dairy, according to G. P. Pritchard, owner of the plant. Additions to the milk room and modernization of the room, addition and improvements on the cow barn and other mechanical features will provide an ample setting for the other improvements.

Twelve more good cows have been purchased, a cold storage plant installed, a whole Lactic acid milk pastuerizer and a sweet milk pastuerizer have both been installed. The cost

In addition to all this, the dairy
