# Colon Richardson Dies Suddenly At Elkin Wednesday

Had Been In III Health For Sometime Prior To His Death Early Wednesday

## **Funeral Thursday**

Family Prominent In Randolph County For Many Years; Son Of Former Postmaster

Colon Richardson, well known Randolph county citizen, died suddenly Wednesday morning at Elkin where he was living since his connection with the state highway department. Mr. Richardson, who about 35-yearsold had been in ill health sometime ago apparently much improved and back

Few details have reached Asheboro his many friends and the friends of place in Asheboro, but later arrangeat Elkin, the home of his wife. Services will be held at that place Thursday afternoon at 2:00 o'clock. A planning to attend.

Mr. Richardson is a son of the late U. C. Richardson, former postmaster of Asheboro, and Mrs. Richardson. He was reared in Asheboro and attended the local school in his boyhood. Some years ago, he was married to Miss A large number were present.

Lucille Snow, of Elkin who, with a The Christian Ladies Aid Society Lucille Snow, of Elkin who, with a daughter, Betsy Ann, survives. Two sisters, residing in Asheboro, are also among the survivors. They are Mrs. Joe Lewallen and Mrs. Arthur Cox. A brother, Carl Richardson, of Thomasville also survives. Another brother, Hobart Richardson, died several years ago. The family have all been well known in this county for many years where Mr. U. C. Richardson was prominent in Republican politics.

Colon Richardson was the youngest son. He had an unusually bright and pleasant personality and a host of friends wherever he went. More than a year ago, when it was first known that his health had failed, there was wide concern. His death, however, at this time came as a distinct shock to his many Randolph county friends.

## Asheboro's Needs Are Discussed At

Plans For Dinner Honoring Legion Junior Team And **Fathers Are Complete** 

In charge of the Kiwanis Club's program Tuesday evening were W. C. Lu-cal and Claude Pearson who presented Roy Cox, who spoke on the needs of Asheboro, as guest speaker. He open-ed his speech by telling that some of the needs are almost in view of being remedied but dwelt on a number of the important needs among which is a new school building. This, according to the speaker, is already under consideration through the aid of a PWA

The community house received attention among the needs of Asheboro and the speaker explained that this and the speaker explained that this H. M. Stroup, pastor, will be assisted might also be realized partly through by Rev. E. N. Johnson, of Mt. Olive. PWA sources in cooperation with local effort. This brings the community house much closer to realization and it is hoped it will be a reality. It was explained that an adequate armory building was one of the needs of the city and that could be secured if the city would simply give a suitable lot for the building. Further explanation was made that this and the community house could be combined into one building and get a more adequate building and equipment for community needs than if built separately. Such a structure would afford swimming fa-cilities as well as a basket ball court

A public rest room is another great need mentioned. The speaker called attention to rural people, especially wo-men and children, coming to town and needing such a place for rest, to get

### Asheboro Girl Is **Accorded Promotion** In State ERA Work

Miss Nettie Alice Wood, popular Asheboro girl, who was connected for several months in the early formation of the ERA work in Asheboro, has received a second promotion. Miss Wood was selected as secretary to Charles W. Phillips, district administrator, when the district office was set up in Greensboro last January. She has rewhen the district office was set up in Greensboro last January. She has remained in that position with such satisfaction that this week she has been transferred to the Raleigh office, where she will be assigned a clerical position in the office of Mrs. J. H. Frye, state director of intake and certification for the WPA.

While Miss Wood's many friends regret for her to leave this section of the state, her removal is a distinct promotion and they rejoice with her in this signal recognition. She is a daughter of Mr. and Mrs. John K. Wood of

already taking treatment at the State Orthopedic hospial. Four children from one county to be accepted at this hospital, now well filled with children fare work, which is entirely separate from every county in the state, is quite a record and the town and county citizens recognize the fact that there was some splendid work somewhere to bring this condition about.

In work, which is entirely separate from the federal welfare program, he has worked with the club in every possible manner to further this splendid piece of welfare work.

On Tuesday Mr. Lloyd took four

there was some splendid work somewhere to bring this condition about.

Sometime ago the Asheboro Rotary club decided to launch a program for treatment of Randolph county's crippled children. Some pioneer work was done, with the welfare department assisting in locating the children in need of treatment, and a clinic was held in Asheboro on December 6th, 1984. The original plan of the Rotarians called for a monthly clinic in the county for the treatment of these children but, for various reasons, this was not accomplished at this stage of the work but will probably come later. As a substitute for the local clinics, arrangements have been made, quite satisfactorily, for treatment to be administered at the state institution at Gastonia.

On Tuesday Mr. Lloyd took four children to the hospital at Gastonia where they will remain for treatment, braces, casts and other things necessary to make them fit physically for life. The children who entered the hospital on Tuesday were: Edith Cross, daughter of John L. Cross of Randleman; Odell Kinney, son of W. L. Kinney of Franklinville; Lonnie Croner, son of Mrs. S. P. Croner of Archdale; Addie Mac Everhart, daughter of Mrs. Ella Everhart of Fullers, route one.

Mr. Lloyd reports that the five children are already there for treatment are progressing quite satisfactorily and are happy. Mr. Lloyd bespeaks the sentiments of the town and county when he voices the oninion that this work among crippled children of Randolph County's crippled children to the hospital at Gastonia where they will remain for treatment, braces, casts and other things necessary to make them fit physically for life. The children who entered the hospital on Tuesday were: Edith Cross, daughter of John L. Cross of Randleman; Odell Kinney, son of Wrs. S. P. Croner of Archdale; Addie Mac Everhart, daughter of Mrs. Ella Everhart of Fullers, route one.

On Tuesday four more children children from this county, who not from Randolph county were taken to otherwise would have been able to Gastonia where they joined the five have treatment, have been treated for

citing all the way, and the outcome was doubtful up to the very end. The Legion Juniors faced Tally Cox, but after a few innings, drove him from the mound and continued their onslaught on Eck Bullins and his fast breaking "drop." Charlie Davis, ace righthander of the Legion, was in top form and let the hard hitting Bossong club down with seven hits, many of which were of the "scratch" type. Charlie was ably assisted by all of his mates, who played jam-up ball in the pinches and hit hard when needed. The Legion got to Cox and Bullins for nine hits.

Batteries: T. Cox, Bullins, and J

### Randolph County Medical Society Has Meet Monday

The Randolph County Medical Society held its August meeting, Monday afternoon, at the Randolph Hospital, Inc., with the president, Dr. C. S. Tate, of Ramseur, in charge. Minutes of the last two meetings were read and approved and the newly bound book of the society's meetings was shown, much to the interest of those attending. A mission oak book case was ordered, Dr. C. C. Hubbard and other society members making this donation possible. It will be here in a few days and will be kept at the hos-

Papers were read and discussed by Dr. Soady and Dr. Sumner was asked to prepare a paper for the next meetng on his work at Harvard the past year. After the meeting refreshments to Kansas almost seventy-five years were served.

# Randolph County To Have **Agricultural Departments Two Rural County Schools**

### partment Added When School Opens September 19th Willard V. Redding **Selected As Director**

Seagrove School Will Have De-

Superintendent Bulla Delighted With Outlook For County Schools This Fall

T. Fletcher Bulla, superintendent of education in Randolph county, has been working for the past few weeks on the agriculture departments of the county schools. For six or eight years, Farmer high school has been the only school in the county having a department of agriculture. L. L. Ray, director of this work at Farmer has done a most interesting work at this school which has drawn the attention of a number of other county schools.

Seagrove community has long wanted a department of education in their consolidated school and applied both to county and state boards sometime ago. So urgent were the appeals from Seagrove that other communities also became active and it was hard to decide the most advantageous location for this department. The matter was brought to the attention of A. L. Teachey, district supervisor who has charge of a large number of counties in this section of the state. Working with Superintendent Bulla and the county board of education, it was decided by Mr. Teachey that Seagrove was the best location for this department. This school was selected chiefly for the reason that the community is thoroughly rural with no commercial industries such as textile mills. The deep interest of the people in general and the fact that their application was both early and urgent, were principal factors in the decision

Willard V. Redding, formerly director of agriculture in the school at Mt. Ulla in Rowan county, and for several years connected with the U.S. department of agriculture, has been chosen as teacher for the Seagrove department. While Mr. Redding has within the past few years come into the state. he is a grandson of the well known Michael Redding, of Back Creek township in Randolph county, who went ago to make his home. Mr. Redding comes to Randolph highly recommended and with an excellent record to his credit.

(Please turn to page 8)

### **Agriculture Group Returns From Trip** From Three States

Farmer, August 13th.—L. L. Ray, teacher of vocational agriculture in Farmer school, took a group of his pupils for a trip to the mountain section of North Carolina and Tennessee recently.

The boys were J. D. Crowell, Allen Kearns, Hal Lanier, Herbert Lanier, Willis Carter, James Morris, Dolan Loflin, Colin Loflin, Odell Loflin, Henry Loflin, Martin Cranford, Oland Bischer, Pearlman Pickett, Joseph Wham, and Wan Skeen. Others besides Mr. Ray and the boys who made the trip were M. F. Skeen, David Loflin, Robert Fuller, Tom Hill, and Albert Russell.

They left Farmer on Tuesday mornng August 6th, going first to Charlotte, then to Gastonia, Shelby, and Chimney Rock, and crossing the Smoky Mountains they went as far as Knoxville, Tenn., and from there to Bristol, and home again by way of Boone, North Wilkesboro and Elkin. While at Elkin they visited Thurmond Chatham's Klondyke Farm of more than 800 acres, where they saw Mr. Chatham's fine herd of Guernsey cat-

The party carried tents and camp equipment, spending the nights in the open. They went on no fixed schedule and when they saw something interesting they stopped and looked at it as long as they saw fit to do so. They reached home on Friday eve-

ning, and report a most enjoyable
