"PIRATE" SUBMARINE SINKS SOVIET CRAFT

Damaged Spanish Submarine Puts In At Bordeaux

Seek "Urgent Repairs" Was Struck By Bombs; French Boat On Guard.

Another At Brest

Neither Craft, French Say, Was Involved in Attack In Mediterranean.

Bordeaux, France, Sept. 3.—(AP)—The French dispatch boat, Quocuis, established a precautionary guard over the Spanish government submarine G-4 today after undersea craft had applied for "urgent repairs" because of being "struck by bombs."

The vessel arrived yesterday at the port of Le Cerdon. The captain did not detail the damage but said no one was wounded.

Previously, the Spanish government submarine C-2 had put in at Brest and the captain had gone to Paris to seek motor repairs.

The French vessel was put on watch over the C-4 and Spanish government trawlers which also arrived at Bordeaux.

Naval authorities said it was unlikely, however, that the Spanish government craft had been involved in the recent "pirate" attack in western Mediterranean. They pointed out that the C-2 and C-4 had appeared in the Bay of Biscay shortly after the attack in the distance Mediterranean.

The C-4's request for repairs was relayed to the Naval Ministry. It had not been answered up to a late hour today.

John L. Lewis To Seek Farmers Aid

Will Broadcast Appeal At Washington Tonight; Wm. L. Green, Monday.

Washington, Sept. 3.—(AP)—John L. Lewis indicated today he would bid for a political alliance of farmers and labor in a broadcast address tonight.

The chief of the CIO said farmers were "the natural allies" of labor and added, "some of the means whereby labor expects to consolidate its natural alliance will be discussed in my speech tonight." The speech will be broadcast from 9:30 p. m. until 10 p. m. William Green, AFL president, will speak at Dallas, Texas, Monday.

Case Worker Is Assigned County

Miss Mary Shepard, Native Of Liberty, Takes Up Security Work.

Miss Mary Shepard, daughter of the late Dr. F. A. Shepard, Liberty, has been engaged as assistant case worker in the Randolph county welfare department. Miss Shepard assumed her new duties this morning.

Miss Shepard is a graduate of the N. C. State college for women and during the past term completed a course in social work and related subjects at Chapel Hill.

She has been assigned to the Social Security division of the office work by Miss Lillie Bulla, superintendent.

Germany's Trail Blazer in Atlantic Air Service

The catapult ship Schwabenland is the Nazi answer to the uncertainties of the take-off for the flying boats used in survey flights along the Azores route across the Atlantic. The gigantic four-motored Nordmeer, above, was launched in full flight from the mother ship at Port Washington, L. I., for the return flight to Germany. Mounted on a special undercarriage, the plane can be launched from a standstill start at 95 miles an hour in the two-second run along the steel track.

Court of Honor

A court of honor, one of the most interesting and important features of Boy Scout activity is scheduled in the Asheboro First M. E. church, Wednesday night at 8 o'clock.

B. W. Hackney, secretary of the Uwharrie council will be in charge of the ceremonies. The court of honor is the occasion when various awards are made individual scouts for their achievements during the scouting year.

Boy Scouts from every troop in Randolph will attend the affair. Several Eagle Scout badges will be awarded while many who have obtained their distinction at past Courts will receive additional tokens of attainment. The public is invited to attend the affair.

Speed Ace Dies In Plane Crash

Lee Miles, Killed on Eve Of National Cleveland Races.

Cleveland, Sept. 3.—(AP)—Lee Miles, Fort Worth, Texas, speed flyer, was killed yesterday on the eve of the opening of the National air races when he tore off a wing and crashed his special racer on a test flight at Cleveland airport.

His ship crashed from an altitude of 200 feet at 7 p. m. (EST) it was announced at the administration building of the Cleveland airport.

Miles' body was pulled from the wreckage of his ship about a half-hour after the crash. His plane did not burn, airport officials said. They believed the flyer had the foresight to pull the switches when he found he was in trouble.

Negro Solon Will Visit In South

Representative Mitchell Plans Stops at Raleigh and Other Cities.

Washington, Sept. 3.—(AP)—Representative A. W. Mitchell, Chicago, only negro congressman announced today he will leave Washington September 14 on a tour of southern and southwestern states "to get a closer view of what progress has been made in good-will between the white and colored races."

Mitchell likened his trip to that of the "good will trip" of President Roosevelt to South American countries last year. He said, his would be an "observation and not a speech-making trip."

He said he intended to visit Virginia and then Asheville, Henderson, Raleigh, Durham and Winston-Salem, N. C.

The Union Jack, as applied to the flag of Great Britain, is a misnomer. "Jack" is a diminutive, on the sea, so that only a small flag is rightly termed a "jack."

French In Blunt Warning To China And Japan Forces

Call For Postponement Of War During Evacuation Of Refugees.

U. S. Boat Runs River

Speeds Through Blockade To Remove 650 Wives Of U. S. Marines.

By The Associated Press Shanghai, Sept. 3.—(Saturday)—A new storm of shell fire and shrapnel was dumped into the International settlement this morning leading French authorities to give blunt warning they expected both sides to quit hostilities during the evacuation of 650 French and American refugees.

While Japanese planes droned over the city, dropping bombs on Chinese Pootung, across the Whampoo, French consular and military officials prepared to safeguard refugees. In the rivers the French liner Stix was awaiting its load of refugees preparing to sail at 8 a. m. this morning.

Many Americans have booked passage. The Japanese bombing was Japan's angry answer to the counter-offensive launched by Chinese troops last night.

The river was almost impassable for the tender but French authorities told both Chinese and Japanese headquarters they expected hostilities to be "withheld" during the voyage.

Yesterday, the U. S. supply ship Gold Star, ran the Whampoo gauntlet to evacuate 100 wives and children of American Marines stationed there.

Sumter, S. C., Sept. 3.—(AP)—Trainmen were injured and traffic on the north-south line of the Southern railroad halted for several hours here today when a freight train sideswiped a passenger train.

R. L. Greshaw and R. F. Elrod, both of Atlanta, Ga., engineer and fireman of the freight train, were taken to the Greenville hospital suffering with serious burns. No others were injured seriously.

Murderer Caught Back In Prison

Jerry Dalton and Homer Kaylor Drive Off In Jail Vehicle

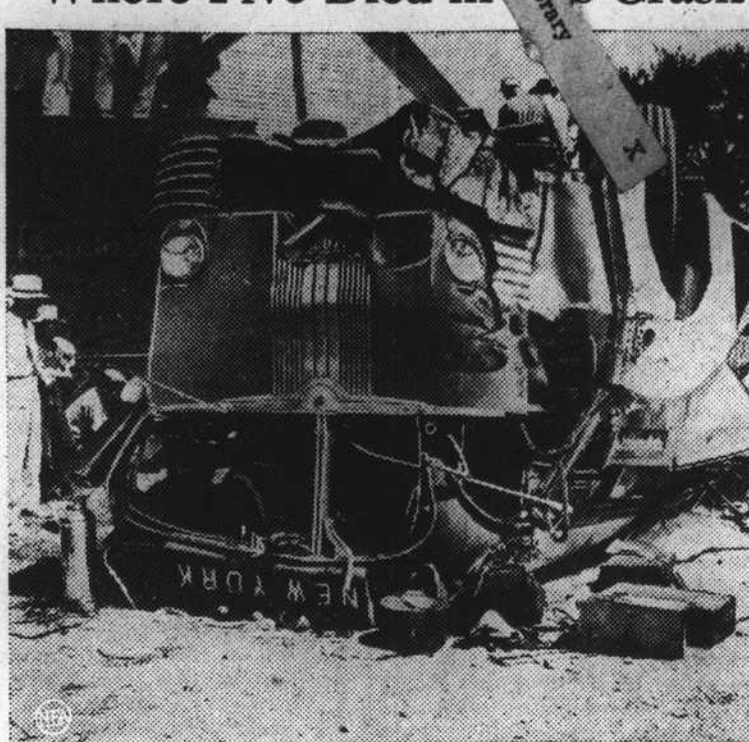

Raleigh—Warden Hugh Wilson of the state central prison announced this afternoon the recapture of Jerry Dalton, 41, serving 30 years for slaying his sweetheart and another man. Dalton was captured in Lexington in the prison truck in which he and Homer Kaylor, another trusty escaped. Kaylor is still at liberty.

Raleigh, Sept. 3.—(AP)—A first-degree murderer and a man serving time for criminal assault escaped from central prison late yesterday afternoon by driving away in a highway department truck.

The break was the first to occur since a new slate of penal officials took office yesterday.

Hugh Wilson, new warden of the prison, said the fugitives were Jerry Dalton, 41, sent up from Macon county for first degree murder in 1922, and Homer Kaylor, 32, sentenced in Caldwell county in 1935 to five to seven years for criminal assault.

The driver of the auto and four bus passengers were killed.

State Receives \$48,938; Wild Life Restoration

Santee-Cooper Project Upheld

South Carolina Given Right To Continue \$27,500,000 Dam.

Columbia, S. C., Sept. 3.—(AP)—Federal Judge J. Lyles Glenn upheld the right of South Carolina and the public works administration to build the \$37,500,000 Santee-Cooper power and navigation project yesterday in a decision denying a permanent injunction sought by private power companies.

Glenn came here from Rock Hill and filed the opinion at 4:35 p. m. with Deputy Clerk Steele of the eastern court district who came from Charleston to receive the papers. "The plaintiff companies are not entitled to an injunction in any event," Glenn ruled in upholding the arguments of the South Carolina Public Service authority and PWA, party defendants to the suit, instigated by the Carolina Power and Light company of Raleigh, N. C., the South Carolina Power company of Charleston, and the Broad River Power company of Columbia.

Troop Welcomes Eagle Scout David Stedman Back Home

Participating Unit in Federal Program; No New Taxes Levied.

Camp fires burned, weiners roasted, watermelon dripped and one hundred Boy Scouts enjoyed an unusual program last night when Troop 27, Asheboro showed its host spirit in entertaining Boy Scouts from all sections of Randolph county.

Not only Scouts from the home county of David Stedman, honor guest, came, but others from Greensboro and High Point joined in the official "Home Coming" to Eagle Scout Stedman, who attended the international Jamboree in Europe.

The evening was a tribute to Troop 27 and to Southmaster Harris Coffin, one of the few men in Randolph county devoted to Scout success. Mr. Coffin, with the aid of his special committees, planned the affair and was as busy and as enthusiastic during the program of the youngest trooper in the county.

The gathering of Scouts commenced early, as usual with a youthful affair, seeking evidently to enhance and bring closer the hour of main events by "beating the clock." Long before the appointed hour the Scouts commenced to arrive uniformed, and with their red scarfs brightening the otherwise drab-out-door garments.

The "feed" committee arrived early too, bringing heaping baskets, bulging bags and totting watermelons of no mean size and weight.

Mr. Coffin in his enthusiasm was matched with the interest and pleasure evidenced by over forty other adults—all looking backward to their "kid" days, when a picnic was a picnic, many of the age which forbid their activity in the

Russian Incident Adds To Serious Foreign Relation

Great Britain Planning To Offer "Proposal" To All Nations Concerned.

Italy May Join

Disclaims Any Knowledge Of Sub Attack; Blamed By Spain's Head.

London, Sept. 3.—(AP)—Great Britain sped destroyer-reef to reinforce its Mediterranean fleet and to find "pirate" submarines in the western Mediterranean. It decided to present an "important proposal" before statesmen at Geneva to safeguard shipping in the war-infested waters off Spain.

French warships also augmented the British destroyer patrols against the mysterious submarine which has sunk or imperiled shipping—even the course of British warships.

A new torpedoing, this time, the sinking of a Soviet freighter in the northern Aegean widened the scope of chaos at sea.

With the reinforcements, British ship commanders were told to capture or sink "under-seas craft."

British statesmen made their plan for a conference with Mediterranean powers at Geneva September 10 to end the bitter and mutual misunderstandings arising from attacks of the submarines.

They expected Italy, which has shunned Geneva since its African campaign to join in the conference.

Italy has disclaimed any knowledge of the attacking submarine. The Spanish government has been open in its statements charging Italy with "naval attacks" to assist the insurgent General Franco in his civil war.

Today four British destroyers of His Majesty's Home Fleet joined five others in a heavy concentration off the Spanish coast. The war-craft will blanket a wide section of the Mediterranean.

Annual Meeting County Y. D. Club

Miss Frances Smith, Liberty, President; Good Attendance; Convention Plans.

The annual meeting of Randolph county's Young Democratic Club was held Thursday evening at the county court house with an excellent attendance. Practically every section of the county was represented at this meeting.

The president, Robert Wood, turned his chair over to John T. Moffitt, who presided over the meeting. Rev. L. R. O'Brian opened the meeting with prayer.

The chief interest and point of the meeting at this time was the discussion of the state meeting to be held in Winston-Salem on September 10th and 11th. The program for this state event was outlined by Roy Cox, who further urged a full attendance.

The report by the president was brief and included hearty thanks for cooperation of the Democrats of the county, mentioning briefly the special events, such as the barbecue and work done about election time.

King Moore, treasurer, made his financial report which was roundly applauded.

G. G. Gilmore, of Climax, chairman of the constitution committee, made a brief report and introduced three members of the Guilford county Democratic club who spoke briefly of the workings of their organizations.

The following officers were named: president, Miss Frances Smith of Liberty; Dr. C. D. Kisler, Randleman and Alfred Keans, Farmer, vice presidents; Waldo Cheek, secretary; Mrs. John Andrews, Trinity, assistant secretary; treasurer, Ernest Routh, Franklinville, and Everett Yow of Seagrove, assistant.

It was the unanimous decision of the meeting that all democrats in good standing in the county be recognized as delegates to attend the state meeting. This motion was amended to stand that the president and secretary act as leaders of the delegation. It was suggested that the delegation go uninstucted as to voting on matters and officers in the state meeting.
