Democratic Organization

Plan of Organization of the Democratic Party of North Carolina.

ROOMS DEM. CENTRAL EX. COM., RALEIGH, May 20, 1882.

The committee hereby publish the plan of organization of the Democratic party compiled from the rules and amendments heretofore adopted by the State Democratic Executive Committee.

TOWNSHIP ORGANIZATION.

1. The unit of county organization shall be the township. In each township there shall be an executive committee to consist of five active Democrats, who shall be elected by the Democratic voters of the several townships in meetings called by the county executive committee. And said committee so elected shall elect one of its members as chairman, who shall preside at all said committee meetings.

2. The several township executive committees shall convene at the meetings of the several county conventions, or at any time and place that a majority of them may elect, and shall elect a county executive committee, to consist of not less than five members, one of whom shall be designated as chairman, who shall preside at all of said committee meetings.

3. In case there shall be a failure on the part of any township to elect its executive committee for the period of thirty days, the county executive committee shall appoint said committee from the Democratic voters of said township.

4. The members of the township committee shall elect to any vacancy occurring in said committees.

5. The county executive committee shall call all necessary county conventions by giving at least ten days notice by public advertisement in three public places in each township, at the court-house door, and in any Democratic newspaper that may be published in said county, requesting all Democrats of the county to meet in convention in their respective townships, on a common day therein stated, which said day shall not be less than three days before the meeting of the county convention, for the purpose of electing their delegates to the county conventions. That thereupon the conventions so held shall elect their delegates to represent the townships in the county conventions from the voters of the respective townships, which delegates, or such of them as shall attend shall vote the full Democratic strength of their respective townships on all questions that may come before the said county conventions. That in case no convention shall be held in any township in pursuance of said call, or no election shall be made the township executive committee shall appoint such delegates.

6. Each township shall be entitled to cast in the county convention one vote for every twenty-five Democratic votes, and one vote for fractions of fifteen Democratic votes cast by that township at the last preceding gubernatorial election; provided, that every township shall be entitled to cast at least

one vote, and each township may send as many delegates as it may see fit.

7. That in cases where townships consist of more than one ward or precinct, each of said wards shall be entitled to send delegates to county conventions and shall cast its proportionate part of its township's vote, based upon the last preceding vote for Governor in said township.

8. That for the purpose of fully inaugurating this system the present county executive committees shall continue in office until their successors are elected under this system, and shall exercise all the functions pertaining to said office under this system of organization.

9. The chairman of township committees shall preside at all township conventions; in their absence any other member of said committee may preside.

10. In cases where all the township executive committees are required to meet for the purpose of electing county executive committees, said meetings shall be deemed to have a quorum when a majority of such townships shall be represented in said meeting.

COUNTY DISTRICT CONVENTIONS.

1. The several county conventions shall be entitled to elect to their senatorial, judicial and congressional conventions one delegate and one alternate for every fifty Democratic votes, and one delegate for fractions over twenty-five Democratic votes cast at the last preceding gubernatorial election in their respective counties, and none but delegates or alternates so elected shall be entitled to seats in said conventions: Provided, that every county shall have at least one vote in each of said conventions.

2. The chairman, or in his absence any member of the county senatorial, judicial and congressional committee shall call to order their respective conventions, and hold the chairmanship thereof until the convention shall elect its chairman.

3. The executive committees of the senatorial, congressional and judicial districts, respectively, shall at the call of the respective chairman, meet in some time and place in their respective districts designated in said call. And it shall be their duty to appoint the time and place for holding conventions in their respective districts; and the chairman of said respective committees shall immediately notify the chairman of the different county executive committees of said appointment, and the said county executive committees shall forthwith call conventions of their respective counties in conformity to said notice to send delegates to said respective district conventions.

STATE CONVENTIONS.

1. Such delegate (or alternates of absent delegates) as may be present at any Democratic convention, shall be allowed to cast the whole vote to which their township or county may be entitled.

2. In all conventions provided by this system, after a vote is cast, there shall be no change in such vote until the final result of the ballot shall be announced by the chairman of said convention.

3. All Democratic executive committees shall have power to fill any vacancy occurring in their respective bodies.

4. That the chairman of the different county conventions shall certify the list of delegates and alternates to the different district and State conventions. And a certified list of said delegates and alternates of the State convention shall be sent to the Secretary of the State Central Committee.

For the Committee: OCTAVIUS COKE, Chair. J. J. LITCHFORD, Secretary.
