THE FIRST LADY!

Every paper in the United States has had something to say of the "First Lady in the Land."

Hear the Statesville Landmark:

"A discussion now in progress in some of the Northern papers with regard to who is 'the first lady in the land,' is eminently calculated to make a plain man sick at the stomach."

The New York Sun, which was the vilest of the vile defamers of Mr. Cleveland during the canvass last year, crows with delight because we have had a Democratic Administration for three months and, nevertheless, "the Union still exists, no disturbance has occurred, the wheels of the Government move smoothly."

Why are dances like mushrooms? They spring up at night. And the night air often induces coughs and colds. Do not neglect them, but take Taylor's Cherokee Remedy of Sweet Gum and Mullein in time.

Parties wishing a good, nice, new turnout can be accommodated by leaving their orders with W. L. Morgan, Patton Avenue. He has a new brett and a couple of fine gentle horses.

Ladies attention is called to a real French coutil Corset at 50 cts., worth 75 cents, at Whitlocks. 1w.

Just think of a warranted Hand sewed Shoe, in button, lace and gaiter, for \$5.50 at M. LEVY'S.

Ladies call and see something new in Rose Fans just received at Whitlock's.

Look at the Silk Searf Whitlock is offering at 35 cents, 50cts, 65 cts. 75 cts and \$1.

Splendid Hay for sale, \$1.30 per 100 lbs. Apply at Depot.

For a good solid comfort, nothing is better than a nice Hammock. Call at Whitlock's and get one.

Painting. House painting done in the very best order. Also make a specialty of sign painting and graining, and keep a full stock of wall paper of all styles and colors, which I am prepared to put up in the best manner.

One of the coolest and quietest places to get a good, pure article of whiskey, or enjoy a nice game of Billiards or Pool, is at the White man's Bar.

The Bonanza is up with the times in the way of furnishing the very best Whiskies, Segars, &c. Fine Billiard and Pool tables.

Holding Down

Prices on grain, flour, bacon, lard, sugar, coffee, &c. Although the war news from Europe and bad prospects for wheat crops have advanced prices on grain, flour and hay, we have been very slow to advance our prices as we fully realize that these products are costing our people too much, on account of high freight rates and speculation.

We sell choice Timothy Hay at \$1.40 per 100 lbs. that cost \$1.34. Prices on corn and flour we can't give here as they are constantly changing, but will say that we are always on the

THE GREAT FERTILIZER

Fine, Bright Tobacco

"STAR BRAND."

ALLISON & ADDISON'S

SPECIAL TOBACCO MANURE.

1865. 1885.

For the twenty years during which we have been selling and manufacturing

fertilizers, we have made the tobacco crop the subject of special study and extensive experiments, with the object of making the best possible fertilizer for that crop, without regard to analyses or book valuation.

The relative value of the different fertilizing materials has been studied in the Plant-Bed, in the Field, in the Barn, and in the Sales-room.

Our Special Tobacco Manure

is the product of the information and skill gained in this continuous effort to improve and we offer it with great confidence as being

THE VERY BEST FERTILIZER FOR BRIGHT TOBACCO

yet made. Crops raised with it bring the highest average prices in all the markets of Virginia and North Carolina.

IMPORTANT.

We use nothing in its manufacture but materials of the highest grade, which are known to be specially adapted to this crop.

We use no fiery ammoniates, ground leather, horn, hoof, shoddy, or wool waste, or other inferior or injurious ammoniates.
