Ewart's majorities are said to be 550 in Madison, 600 (estimated) in Mitchell, 350 in Henderson.

BUNCOMBE'S VOTE.
The Democrats of Buncombe have good reason to feel elated over the result of Tuesday's election, having elected their whole ticket by a handsome majority—above 500.

HURRAH!

LARGE DEMOCRATIC GAIN IN CONGRESS!

QUAY KNOCKED OUT!

Democratic Governors Elected in Pennsylvania, Massachusetts, New Hampshire.

Reed, The Tariff and Force Bills Repudiated!

COULDN'T FRY ENOUGH FAT THIS TIME!

A Terrific Democratic Cyclone Swept Across the Country—The People Rebuke Republican Misrule and Corruption.

Elections were held Tuesday in thirty-nine States, and the Democrats made large gains everywhere. The present returns indicate that they will have seventy majority in the next House of Representatives. They have elected the Legislatures of Illinois and New Hampshire, which ensures Democratic successors to Senators Farwell and Blair—a gain of two United States Senators.

A gain of three or four U. S. Senators is assured to the Democrats by the result in several States.

Below is a brief synopsis of the general result in the several States:

MASSACHUSETTS.
Russell, the Democratic candidate for Governor, has been elected by about 10,000 plurality, and the Democrats have also gained several Congressmen. This is a big victory.

NEW HAMPSHIRE.
The Democrats also gained a big victory in New Hampshire, electing their candidate for Governor (Amnden) and also gaining a majority in the Legislature.

CONNECTICUT.
The indications are that the Democrats have carried the State and elected their Governor, Morris.

PENNSYLVANIA.
The election of Pattison, Democrat, for Governor, is conceded. The Democrats also gain several Representatives.

Looking Backward

Over the past eight years of our successful business life in Asheville has demonstrated to us the fact that our determination to sell only pure goods, guaranteeing weights and quality, and asking a small profit on everything sold, commends itself to the good sense of purchasers.

Second, That desirable customers cannot be gained by the oft-tried practice of some dealers in cutting prices on a few leading articles, hoping to make it up on something else.

That hard work and close application to business is the price of success.

That our business for 1889 shows an increase over the previous year of 20 per cent., which is very gratifying, and for which we wish to thank our many friends in Asheville and Western North Carolina.

Looking Forward

We are encouraged to enter upon the year before us with renewed energy and a determination to give our customers the benefit of our increased facilities for buying and selling the very finest goods to be had, at small profits.

Our stock is now the largest ever offered in this market and embraces everything in the line of Staple and Fancy Groceries, Table Delicacies, Fruits, Grain, Flour, etc. Respectfully,

Powell & Snider.
