prediction. - Scout

TUBIN

It is of course possible, brother, that you are right, but talk is so very cheap that a great deal more than groundless "blowing" must be accomplished before anybody about here believes that Murphy will have a walkover. Their team is reported as a good one, and our boys only Capt. A. M. Fry is attending hope this is true, for the one-sided games they have lately played robbed the contests of much interest and onthusiasm Be careful, now, brothers Moroney & Towns that your boys prove themselves what you say

The game of ball here to morrow between Bryson City and Cherokee promises more than the usual amount of interest. Both teams are in good condition, and winning side has nothing but good work ahead of it. The new diamond has been well arranged and cleared of Hon. W. T. Crawford passed all obstruction. The boys have also a commodious and comfortable grand stand and to enclose the diamond with ropes. Chairs an seats in the grand stand will be leat ten cent each, and men put there to do nothing else will see that those who bay seats are not crowded by spectators who pay nothing The base ball team are making Two players' benches have likewise been properly placed. At night at Lake's gallery there will be given : Mr. A. H. Welch of Needmore base ball ball, at which cream, cake. strawberries and the usual refresh ing temptors of jaded evening appetites will be served. It is hoped that when Dr. Oberlander with hi good nine and Pr. f. Schanander with the Fourth Regiment India-The Western Carolina Lumber Bandleave home they will insist that everybody else must come, too

EEL inve me a chance.

Read His Positive Statement.

WASHINGTON, N. C., Feb. 14, 1898.

Lyon Mfg. Co., Brooklyn, N. Y. Gentlemen:-I have used Mexican Mustang Lininfent for ten years in my livery stable, and find that it is the best thing in the world for a HEAVET HORSE. Put three tablespoonfuls of Mustang Liniment in a pint of cold water and give it to the horse and it will stop the heaves in 6 hours. I can also recommend it for Sprains, Stiff Joints, Harness Galls and as a first-class Liniment for Family use:
