A French writer says that every
mistake in life may be traced to
fear. But there is one mistake which
must be traced directly to ignor-
ance. When one of our readers is
suffering with a sick-headache and
does not know the easy method of
cure, his mistake is not due to fear
but lack of knowledge. For in ben-
efit we will say that here Ramon's
Tonic Liver Pills are the greatest
known cure in the world for sick-
headache. Ask your drug-
gist for a box. Only 25 cents-

it has been proven that Ayer's Sassa-

at the World's Fair.

You are not within a half day's
walk of good health if you have
those occasional sick-head-aches
with which so many persons are
afflicted. In the large majority of
cases they are the direct result of
a disordered liver and can be com-
pletely cured by a simple course of
medicine. Ask at J. H. Ditmore's
for Roman's Tonic Liver Pills, and
follow the directions faithfully. Be-
fore a fortnight is past you will be
thoroughly well and healthy. With
the Pills you also get some Tonic
Pilllets for building up the weak

For a pain in the side or chest
there is nothing so good as a piece
of flannel dampened with Cham-
berlain's Pain Balm and bound over
the seat of pain. It affords prompt
and permanent relief and if used in
time will often prevent a cold from
resulting in pneumonia. This
same treatment is a sure cure for
lame back. For sale by E. Everett,

tier.

ion that there is nothing as good
for children troubled with colds or
croup as Chamberlain's Cough
Remedy. He has used it in his fam-
ily for several years with the best re-
sult and always keeps a bottle of it
in house. After having a gripe he
was himself troubled with a severe
cough. He used other remedies
without benefit and then concluded
to try the children's medicine and
to his delight it soon effected a per-
manent cure. 25 and 50 cent bot-

\$1.00 FOR YOUR PHOTOGRAPH.

Write us a letter covering these three points:
FIRST.—State how long you have known, or used, or sold "Dr. M. A. Sim-
mons Liver Medicine."
SECOND.—State diseases you have known it to cure and give the names of
those cured by it.
THIRD.—Give your opinion as to the difference between its strength and
action, and the strength and action of the "Liver Regulator" made by J. H. Zellin
& Co., and the "Black Dealer" made by Chattanooga Medicine Co.; both of
which have sold to dealers at 8 or 7 cents per package, net, and should retail at
not over 10 or 12 cents, if consumers are not imposed upon, while our Original
article cannot be sold at less than 25 cents per package, as we have too much re-
gard for human life to use cheap drugs in any of our medicines. The reason is
plain; Zellin & Co. and the old proprietors of "Black Dealer" were both enjoined
in law to stop selling their goods, and we are the only ones who have the right to
sell them. Therefore, look out for the profit of 800 or 400 per cent., instead of our Genuine "Dr. M. A.
Simmons Liver Medicine," which you are sure to specify, and take no other, as
there is nothing else like it.
On receipt of your letter enclosing photograph, we will mail you free of
charge, a \$1.00 package Liver Medicine, or on receipt of letter without photograph,
we will mail you a 25 cent package, free.

Famous Words.

One of the greatest physicians in
America said to a lady patient the
other day: "If you can keep your
bowels active you will never need
my services."
Constipation is one of the most danger-
ous complaints. It creates a disordered
liver, and then follows sick-headaches, bil-
iousness, loss of appetite, etc.
A physician would first prescribe a
Ramon's Tonic Liver Pill
to open the bowels and clean out all
the poisonous bile. He would then
give you Ramon's Tonic
Pellets for purifying the blood,
stimulating the appetite, and
strengthening the system. The two
medicines would cure you completely
and make you feel better than you
have felt for years. Ask your drug-
gist for Ramon's Tonic Liver
Pills. They cost 25c a box, and
you get with them a box of Pellets
free.
At all dealers, or mail, for 50c, 5 boxes \$2.00.

WASHINGTON, N. C., Feb. 14, 1896.
Lyon Mfg. Co., Brooklyn, N. Y.
Gentlemen—I have used Mexican Must-
ang Liniment for ten years in my livery
stable, and find that it is the best thing in the
world for a HEAVY HORSE. Put three table-
spoonsful of Mustang Liniment in a pint of
cold water and give it to the horse and it will
stop the heaves in 6 hours. I can also recom-
mend it for Sprains, Stiff Joints, Harness Galls,

BURTON'S IMPROVED ACME SHAFT COUPLING.
A perfect Anti-Rattler and Bolt Holder combined.

In the Improved "Acme" Anti-Rattler, we offer
an article that effectually prevents any rattling in
the coupling, rendering them perfectly noiseless,
and with ordinary use, last just as long as
the vehicle, and are appreciated for their follow-
ing merits:
1. They are quickly and easily inserted or re-
moved, by placing in position and drive in or out
with a hammer, not being necessary to remove the
bolt or shaft.
2. Their shape is such that they are held firmly in place by spring tension.
3. Being made of two pieces, solidly riveted together, they will not
break as others made of one piece do.
4. Being made of Crockett Patent Cold Rolled Steel, every pair are
warranted to preserve their strength and elasticity, and not to bend or
break with ordinary use.
5. By their use much annoyance is avoided, and very often valuable
time saved.
6. If the nut comes off bolt, holding shaft to shaft, the bolt cannot lose
out on account of the bolt-holder attachment.
