"Don't let your subscription lapse. Your  
subscription expires with the date after

Ask yourself this question, "Have I paid  
my newspaper subscription?"

Wood wanted on subscription  
at this office.

Oats, Hay or Fodder taken on  
subscriptions, old or new.

J. M. Robinson has purchased the  
N. B. McLean mill property on Kirk-  
lands Creek.

When you come to town don't  
wait for us to hunt you up, but  
come around and see us.

We learn from Prof Hughes that  
his school has started nicely. He  
opened this week with more than  
forty scholars.

Will Harrell has purchased the  
large property next to the Cooper  
House and moved in with his bride  
and will keep house.

Christmas Goods at D. K. Collins'  
this week. Candies, Toys and Al-  
bums, besides an enormous line of  
general merchandise, all very cheap.

Floyd Sitton, who married a  
daughter of Davis Whiteside on  
Kirkland Creek, is building him-  
self a house on his father-in-law's  
place.

John Morrow, Vice President of  
the Western Carolina Lumber Co  
of Asheville came down Monday,  
and went over to Bushnell by the  
afternoon train.

Buckingham's Dye for the Whites-  
iders does its work thoroughly, color-  
ing a uniform brown and black,  
which when dry will neither rub,  
wash off, nor soil linen.

Timber owners and Loggers who  
want CASH for their timbers or  
logs can get it by seeing R. H.  
Pender Bryson City or Thos. Has-  
tings, Employee of Mr. Vanderbilt,  
at Hillsboro.

Thos. Morrow of Asheville came  
down Monday, to attend the sale  
of a large quantity of timber sold  
under an execution from the U. S.  
Court against sundry parties as ad-  
vertised in the past four issues of  
The Times.

The bursting of the throttle  
valve on Penders Mill, last week  
has caused a temporary suspension  
of sawing at Henry & Townsend's  
log yard on Scotts Creek, they  
have more than 100 logs on the  
skids. The Mill is expected to start  
again Monday.

"Old, ever new and simple  
and beautiful ever," sings the poet  
in words which might well apply to  
Ayer's Sarsaparilla—the most effi-  
cient and scientific blood-purifier  
ever offered to suffering humanity.  
Nothing but superior merit keeps it  
so long at the front.

The standard and expectant  
for the cure of colds, coughs and all  
throat, lung and bronchial troubles  
is undoubtedly, Ayer's Cherry Pec-  
oral—the only specific for colds and  
coughs admitted on exhibition at  
the Chicago World's Fair.

C. E. Wilhede and wife have gone  
to Murphy where they will reside.  
Charlie has many friends here who  
regret that he has seen fit to leave  
us. Mr Wilhede has a nice residence  
here, which we hope will help to  
bring him back some day.

Tallevrand declared that a good  
dinner had great influence on hu-  
man actions. This is certainly true.  
Many a man loses his nerve from  
no greater cause than an attack of  
biliousness. Every business man  
should keep in his desk, Ramon's  
Tonic Liver Pills. A box costs only  
25 cents, but is worth \$25 in its  
results. Ask J. H. Ditmore about  
it, and have him to give you a free  
sample dose.

Carlton Cornwell foreman of the  
Gazette, Middletown, N. J., believes  
that Chamberlain's Cough Remedy  
should be in every home. He used  
it for a cold and it effected a speedy  
cure. He says: "It is indeed a grand  
remedy. I can recommend to all. I  
have also seen it used for whooping  
cough with the best results." 25  
and 50 cent bottle for sale by  
E. Everett Bryson City and S. W.  
Cooper, Whittier.

## A FREAK SENATOR

Franklin Press.

The irrevocable Corkack, judg-  
ing from his remarks in the Mem-  
phis Commercial Appeal, is not an  
admirer of Senator Butler, the  
North Carolina Senatorial accident:  
"Marion Butler, of North Carolina,  
turned loose in the Senate yesterday.  
We venture the assertion that no  
man who ever sat in that body has  
so firm a grip on fame as Marion  
Butler. Butler reminds us of Dan-  
iel Webster. He is so different. We  
seriously doubt whether there is any  
living thing from a man to a bacil  
that has as little sense as Marion  
Butler, of North Carolina. This is  
why he will be so famous. Peffer,  
of Kansas, got mighty sort we get  
when he laid in his bran supply,  
Peffer is to Marion as Jove is to a  
worm. Yet this thing can open its  
mouth and talk hours on a stretch,  
and at a distance of a hundred  
yards looks almost human. The  
way North Carolina happened to  
send this freak of nature to the Sen-  
ate was this: A motion was pend-  
ing to send him to a dime museum  
—a body in a spirit of fun moved  
to strike out "dime museum" insert  
"United States Senate", and the  
Legislature being drunk and Popu-  
lar to boot, adopted the amend-  
ment, tabled a motion to reconsid-  
er and let it go at that. Butler will  
do much to promote the gaiety of  
nation while he is there. He is a  
fountain of folly that is never at  
rest and never goes dry. He is a  
spouting geyser of hot mud that  
will attract visitors from the utter-  
most parts of the earth. Men whose  
rich bachelor uncles had died and  
willed their property to an orphan  
asylum; men whose mother-in-law  
have come to spend the summer  
with them; henpecked husbands,  
undertakers, Englishmen and all  
kind of solemn and sensible natu-  
res have been known to look on  
Marion Butler and laugh joyous y  
North Carolina has been noted for  
its humor, but the broadest joke it  
ever sprung on the convulsed and  
hilarious earth is its freak Senator,  
the thing with the form of a man,  
the voice of an ass and the brain of  
a bird."

Home & farm. Louisville Ky. and

"Slippery day" in Bryson City?

Asheville this week to serve as a

N. C.'s ablest Criminal Lawyers pas-  
sed through here yesterday, on his  
way home.

ly those that have been dropped

has been such that firewood was a

ing this Fall and Winter, they will

dress one year for 1.25. Now is  
your time you want the Post this  
winter while Congress is in session.

The board county Commissioners  
met on Monday, and besides routine  
business, allowed twenty dollars to  
pay for piping for conveying the  
Conley Spring water to Court  
Square and accepted County Treasur-  
er Fisher's bond for \$13,000.

On January 1 1896 the law pas-  
sed by the late Legislature, went in  
to effect, requiring a board three  
inches wide to be put on the top of  
all wire fences along public roads.  
Owners of wire fences should re-  
member this, it might save them  
trouble and money.

We received this week from He-  
dquarters United Confederate Veter-  
ans at New Orleans a copy of Gen-  
eral Orders No. 155, concerning the  
erection of a Memorial Hall, to be  
known as the "Battle of Abbey" of  
the South, which will be the de-  
pository of the relics and memories of  
Southern History and valor. It was  
too late for publication this week  
but will appear in next issue.

There is good reason for the popu-  
larity of Chamberlain's Cough  
Remedy. Davis & Buzard, of West  
Monterey, Clarion Co., Pa., say: "It  
has cured people that our physi-  
cians could do nothing for. We per-  
suaded them to try a bottle of Cham-  
berlain's Cough Remedy and they  
now recommend it with the rest of us."  
25 and 50 cent bottles for sale by  
E. Everett Bryson City and S. W.  
Cooper, Whittier.

## Not Enough.

Liver pills have their good and bad  
side. They cleanse the bowels and  
clean out the system, but they leave  
the patient weak, exhausted and  
struggling with no appetite and no  
strength.

If you were to go to a physician he  
would tell you that your liver pills  
were all right but that they did not  
go far enough. You need something  
else to restore the appetite, repair the  
waste, purify the blood and build up  
the system. He would give  
you a tonic.

We supply you with the regular  
physician's medicine for an entire  
treatment of nearly three weeks.  
There is one small case of ten of the  
Liver Pills (the finest in existence)  
and there is another box containing  
fifteen of the Tonic Pellets. You get  
them both for 25c. Ask your druggist  
for **Ramon's Tonic Liver  
Pills** and **Ramon's Tonic  
Pellets**. Together they make a  
sure treatment for Constipation and  
Biliousness.

At all dealers, or mail, for 25c. 5 boxes \$1.00.
