\$1.00 FOR YOUR PHOTOGRAPH.

Write us a letter covering these three points:

FIRST .- State how long you have known, or used, or sold "Dr. M. A. Simmons Liver Medicine.

SECOND .- State diseases you have known it to cure and give the names of those cured by it.

THIRD .- Give your opinion as to the difference between its strength and action, and the strength and action of the "Liver Regulator" made by J. H. Zeilin & Co., and the "Black Draught" made by Chattanooga Medicine Co ; both of which have sold to dealers at 6 or 7 cents per package, net, and should retail at not over 10 or 12 cents, if consumers are not imposed upon, while our Original article cannot be sold at less than 25 cents per package, as we have too much regard for human life to use cheap drugs in any of our medicines. The reason is plain; Zeilin & Co. and the old proprietors of "Black Draught" were both enjoined from deceiving the public by using the words constituting our trade name; there-fore, look out that some dealer (not knowing you are posted; don't sell you some cheap package at a profit of 300 or 400 per cent., instead of our Genuine "Dr. M. A. Simmons Liver Medicine," which you be sure to specify, and take no other, as there is nothing else like it. On receipt of your letter enclosing photograph, we will mail you free of

charge, a \$1.00 package Liver Medicine, or on receipt of letter without photograph, we will mail you a 25 cent package, free.
