I have not made less than sixteen dollars any day white selling Centrifugal Ice Cream Freezers. Any one should make from five to eight dollars a day selling cream, and from seven to ten dollars selling Freezers, as it is such a wo der, there is always a crowd wanting cream. You can freeze cream elegantly in one minute and that astonishes people so they all want to taste it and then many of them buy freezers as the cream is smooth and perfeetly frozen. Every freezer is guaranteed to freeze cream perfectly in one minute. Anyone can sell ice cream and the freezer sells itself. My sister makes from ten to fifteen dollars a day. J.
