The increase in freight traffic over this branch of the Southern made it expedient to put four box cars in the passenger train Tuesday coming out from Asheville, which caused it to be several hours late and cut the boys out of attending the "sociable" Tuesday night.

## TURNCOAT "DUG."

The Office-seeker, Makes Annals Turn Green with Envy.

Escorted by a large crowd of one, the erstwhile loyal Democrat but now Republican elector for the Ninth Congressional District, Eug. D. Carter, spoke to forty whites, six negroes and four boys, in the court house here Tuesday, who received him with applause that was deathly in its stillness. He began his speech by saying that he was very hoarse, probably due to the rapid change—in politics.

"Many people criticize me for my change in politics," said Mr. Carter, "but I did it for what I thought was right; as my duty as a citizen." But, oh, "Duggie," the people are "out on you" They know that when Democratic success looked dark you were promised an office by the Radicals to renounce the party you had always fought for and for which the people honored you.

"Neither party had thought or declared for free silver up to three months ago," he said. But he failed to mention the fact that the common people backed by the Democratic party, had been contending for free silver for the past twenty years.

He produced a gold dollar, a silver dollar and a Mexican silver dollar, and tried to explain the different ratios, but became so rambling, tangled, mixed and "pied-up" that his audience from shirily heaved a sigh of relief when he suddenly switched off into a school-boy oratorical effort eulogizing McKinley.

The Republican campaign managers had better keep "Dug" out of these mountains. He does them more harm than good. The people are onto men of his calibre, and know that he has a little regard for the truth as the devil has for holy water.

**Depot Agents Exchange.**

Mr. J. L. Smathers left Friday morning for Bryson City, where he will reside permanently, as the work at that point as agent of the Southern Railway is lighter than it was here, which was demanded by his bad health. We are sorry to lose Mr. Smathers and his estimable family, but wish him good luck in his new field. Mr. A. J. Bailey, agent at Bryson City, will succeed him at this point. In short they have swapped places.—Cherokee Scout

**NERVOUS Troubles** are due to impoverished blood. Hood's Sarsaparilla is the One True Blood Purifier and NERVE TONIC.

The largest bunch of ginseng we ever saw is on exhibition at Alex Elmore's fancy grocery store at the depot. It weighs 2 pounds and 1 ounce, and has many curious forms and shapes, and this coupled with its medicinal properties is well calculated to inspire, with the Chinese superstition regarding this wonderful native herb common only to the mountains of Western North Carolina. Mr. Elmore is a buyer and shipper of this wonderful herb, bought either green, fresh dug or in its dried state.

**Prosperity.**

The country has not for a long time been in as prosperous a condition as at present. Everyone feels that good times have come at last, and come to stay, unless driven away by their own foolishness. This may be done, of course, by extravagance, debt contracting, etc., but if we will be careful, live within our incomes, and not allow ourselves to be led by any other relief is as good as Dr. Hart's Great Relief will be well; but there is just now an effort being made to sell other Relief in the old reliable Dr. Hart's. We warn our friends to be on their guard.

**CASTORIA**

is an every day medicine.

**Dr. Hanna's Cur-a-all.**

Mr. Hanna says the silver craze is an epidemic, and like every other madly it yields to careful and intelligent treatment. "Alas, more than three million dollars has been expended by Dr. Hanna in careful and intelligent treatment." He hopes when he spends his other twelve million (fifteen million has already been subscribed to buy the cure) the madly will yield.

## SOUTHERN BAPTIST

The owner of the Southern Baptist, now printed at Waynesville, has made a proposition to the proprietors of the Biblical Recorder, Raleigh, to sell the former publication and consolidate the two papers.—Asheville Citizen.

This is just what was predicted in this city some time ago, when Rev. M. P. Matheny assumed control of the paper and moved it to Asheville.

**Duncan Sparks.**

Thursday afternoon at 2 o'clock Mr. Robert Duncan and Miss Lizz e Sparks were united in marriage at the home of the bride's mother, Mrs. Lucina Sparks, at Land's Creek, five miles from the city. The groom is a son of Mr. and Mrs. Jonathan Duncan of that place. The marriage rites were performed by the Rev. W. A. Ferrell, of this city in a simple but impressive manner. After the ceremony all repaired to the dining where a bountiful repast was laid before the guests.

**Tom Dixon.**

Tom Dixon, Lawyer, Legislator, Actor,

Baptist Minister.

Congregationalist preacher, Hanna's Hired Gold bug Politician, is stumping North Carolina, and Democracy will lose no votes through the influence of a fellow so striped as he.—Franklin Press.

**Money Made in a Minute.**

I have not made less than sixteen dollars any day while selling Centrifugal Ice Cream Freezers. Any one should start from five to eight dollars a day selling cream, and from seven to ten dollars selling Freezers, as it is such a woe, there is always a crowd wanting cream. You can freeze cream elegantly in one minute and that astonishes people so they all want to taste it and then many of them buy freezers as the cream is smooth and perfectly frozen. Every freezer is guaranteed to freeze cream perfectly in one minute. Anyone can sell ice cream and the freezer sells itself. My sister makes from ten to fifteen dollars a day. J. F. Casey & Co., 1143 St Charles St., St. Louis, Mo., will mail you full particulars free, so you can go to work and make lots of money anywhere, as with one freezer you can make a hundred gallons of cream a day, or if you wish they will hire you on a salary.

**Did You Ever Make Money Easy?**

MR. EDITOR.—I have read how Mr. C. E. B. made so much money in the Dish Washer business and think I have beat him. I am very young yet and have had little experience in selling goods, but have made over eight hundred dollars in ten weeks selling Dish Washers. It is simply wonderful how easy it is to sell them. All you have to do is to show the ladies how they work and they cannot help but buy one. For the benefit of others, I will state that I got my start from the Mound City Dish Washer Co., St. Louis, Mo. Write to them and they will send you full particulars.

I think I can clear over 3,000 the coming year, and I am not going to let the opportunity pass. Try it and publish your success for the benefit of others. J. F. C.
