Why will you buy bitter nauseating tonics when Grove's Tasteless Chill Tonic is as pleasant as lemon syrup. Your druggist is authorized to refund the money in every case where it fails to cure. Price 50 cents.

A genuine ghost story has yet to be attested; but not so a genuine blood purifier. Over and over again it has been proved that Ayer's Sarsaparilla stands alone among medicines as the most reliable tonic-alternative in pharmacy. It stood alone at the World's Fair.

REPUBLICANS CHARGE FRAUD

SWAIN COUNTY TO BE CONTESTED.

When the Devil was Sick, the Devil a Priest Would be; When the Devil was Well, the Devil a Priest Was He.

Two years ago a Republican Legislature met in North Carolina and enacted an honest (?) election law, and now comes the cry never before heard in Swain: "Fraud and corruption," and her seat in the General Assembly contested. The truth of the matter is the law bearing the name of "honest election law" is the biggest mess and conglomeration of nonsensical ever imposed on honest citizenship, and should be repealed, abolished and erased from the statute books of our good old State and a law brief, plain and simple enough to be understood by the plain yeomanry of the country who toil year after year to support the country and pay Legislators to enact laws without their comprehension, without putting to the trouble and expense of consulting all the legal lights in the country before they can follow its plainest track, leaving dark and untouched nine tenths of its labors.

Mr. Bryan Could Not Accept.

Re J. P. King of Wilmington wrote on last Saturday to the Dispatch of that city proposing that a fund of \$50,000 be raised by a popular subscription and presented to Mr. Bryan on the fourth of next March as a testimonial for the working people of this country. He suggested that this sum would free Mr. Bryan from private business so that he could devote his whole time to the cause. In Tuesday's Dispatch there is a letter of Mrs. C. C. Stevens enclosing two dollars for her son and commending Mr. King's proposition.

Many suggestions of this character have been made in all parts of the country. It shows the strong hold that he has upon the hearts of the people, and the suggestion does great credit to them. But Mr. Bryan could not accept the proposition. He is a strong, self-reliant man, and could not consent to or permit his friends to put him in the line that the acceptance of the money would place him in. None the less this popular move shows that Mr. Bryan has a hold upon the people that has been strengthened by defeat.—News and Observer.

How to Prevent Pneumonia.

At this time of the year a cold is very easily contracted and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction.—Olajah, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventative of pneumonia. Among the many thousands who have used it for colds and la grippe we have never yet learned of a single case resulting in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia should have the remedy at hand. The 25 and 50 cent sizes for sale by the New York Racket Store, Bryson City, and G. W. Monteith & Co., Whittier.

Hardly Ever.

A gentleman who has traveled extensively through the country in all directions and whose business it is to visit the homes of citizens wherever he goes, says he never or hardly ever enters a house in which he does not find Dr. Hart's Relief and Pills, or some of the other preparations which have made the name of Dr. Hart famous. These remedies are reliable, and when once tried they are ever afterward popular favorites.

A Needed Warning.

The country is being flooded with so-called reliefs. Everybody seems to think they can make one, and knowing the great popularity of Dr. Hart's Great Relief, they attempt to deceive the public by palming off on the people a mixture having none of the virtues whatever of Dr. Hart's great remedy. We warn everybody to be careful and get the genuine Dr. Hart's Great Relief.
