

MACEDONIAN REVOLT SAID TO BE WIDENING

Uprising Reported in Bulgarian Villages.

INSURGENT BANDS ARE ACTIVE

In the District of Krushevo the Government Telegraph Offices Have Been Dynamited—Trouble May Spread Outside of Macedonia.

Constantinople, August 8.—The insurrectionary movement in Macedonia appears to be widening. Bands are reported to be active in the Sanjak of Uskub and the district of Krushevo, where the government telegraph offices have been dynamited; while in the district of Dibra, four Bulgarian villages have risen, provoking a corresponding rising in the neighboring Albanian villages. According to the statements of the porte, however, the authorities have succeeded in calming the Albanians and inducing them to return to their homes.

The diplomats here are uneasy, fearing that the trouble may spread outside the bounds of Macedonia. So long as the trouble is confined to the usual skirmishing bands and occasional dynamite outrages, it is not believed that there will be any serious cause for alarm.

Up to the present time the embassy has been confined to advising the porte to prevent the Musselman population from engaging in fights with the insurgents.

Twelve battalions of rifles in the Sanjak of Serajevo and the vilayet of Monastir have been called out.

CARRIED TO FEDERAL COURT.

Habeas Corpus Proceedings in Behalf of Lytle.

Montgomery, Ala., August 15.—The habeas corpus proceedings instituted in behalf of W. R. Lytle, who is wanted in Chicago for assault to murder, and who is a brother to Mary Gordon, who committed suicide at Chicago last Sunday, were late this evening transferred from the city court to the United States court. Lytle has employed five attorneys in all, including two United States district attorneys.

It is said that the district attorneys were the ones that suggested changing courts, as it is claimed that Lytle is being held in violation of the constitution of the United States. The requisition papers will be fought when they are presented. The habeas corpus proceedings will be heard tomorrow at 12 o'clock.

Four Children Cremated.

Spartanburg, S. C., August 12.—At Welford, a small township near this city, four negro children were burned to death in a burning building. Charles Hines and his wife, well known negroes, left their home early in the evening in charge of their five children and went to the negro church, about a mile away, to attend services. While away the house caught fire and burned down on the heads of four of the children. The oldest child, a boy about 10 years of age, jumped from a window and was saved. The others were burned to a crisp in the conflagration.

Town Swept by Fire.

Chicom, Cal., August 11.—William J. half of the business portion of Briggs has been destroyed by fire. The loss is estimated at \$40,000.

TWIGG'S MANIACAL DEED.

Seven Persons Dead as Result at Winfield, Kans.

Winfield, Kans., August 11.—Seven persons are now dead as a result of the maniacal deed of Albert Twigg, who fired into the crowd at a band concert here on Thursday night. Twigg and three of his victims died with a short time.

Those who have since succumbed are Port Smith, Dawson Billitt and Roy Davis, a boy.

Elmer Farnsworth and Otis Carter are dying, while Claud Ree, Charles Thomas and James Clarkson are in a critical condition. A score of others are badly hurt.

A letter has been found among the effects of Twigg which indicates that he planned the massacre some days ago. He wrote that he had harmed no man and had never violated the laws of his country, and that the deed he was about to perpetrate was for the purpose of "getting even" with those who had shunned him and interested themselves unnecessarily in his affairs. He expressed regret that he did not settle his account with Lieutenant Myron C. Bowdish and Corporal Surgeon O. W. Woods of the United States army against whom he appears to have had a grievance.

Three Killed by Lightning.

Charleston, S. C., August 17.—Sarah Polie, a negro, and two children were killed by lightning last night at Brogdens, in Sumter county. The woman was in the act of closing a window when killed. The infant in her arms was knocked across the room and seriously injured, but is alive today. The other two children were on the opposite side of the room.

Stockholders' Meeting.

Toledo, O., August 17.—J. Edward Simmons, of New York; R. C. Martin, of New York, and Henry W. Ashley, of Toledo, the retired members of the Ann Arbor board of directors, were re-elected today. The stockholders' meeting was held in the Ann Arbor private car which was run in on the siding at Durand, Mich., long enough to comply with the legal requirements of a meeting.

Coming as it does in the busiest season, when a man can least afford to lose time, a sure and quick cure for diarrhoea is very desirable. Anyone who has given it a trial will tell you that the quickest, surest and most pleasant remedy in use for this disease is Chamberlain's Colic, Cholera and Diarrhoea Remedy. There is no loss of time when it is used, as one or two doses of it will cure any ordinary attack. It never fails, not even in the most severe and dangerous cases.

I Hope My Customers Will Excuse Me

FOR not changing my ad. oftener, as I am usually too busy selling goods to our many customers to take time to think what to put in an ad. And besides, I prefer talking face to face with the people to seeing them at long range through a newspaper. So don't wait to see me in that way. There is no use for me to do so, but I will tell you that I have the best all-round general merchandise store in Brevard; and those who don't already know it can find out by looking through my store. My lines—including Dry Goods, Groceries, Shoes, Clothing and others—are strong; and from the amount of business done my prices must be low.

Hoping that I may be able to serve a satisfied people,

I am yours faithfully,

From the Factory to the Foot

T. W. Whitmire has just received the largest line of men's, women's and children's shoes ever in Brevard, and the prices are 20 per cent. cheaper considering quality than any other shoes in town. These shoes are bought direct from the factory, and every pair guaranteed. My clothing was bought the same way—direct from the factory—and I have some of the nicest and most stylish patterns in the city. My line of Negligee Shirts and Neckwear are simply out of sight. When it comes to dressing a gentleman from head to toe and in the swellest of style no one in Brevard can do this but myself, and this is the way I do it: First thing is a silk finished undershirt with double elastic seams; Scrivin's drawers; next is that pretty little low collar and midget tie with the 20th century link cuffs and buttons; then I follow that up with a suit of the Kantbeate brand of clothing, which is the most swell line in town; then comes the great Manss pat. cult blucher shoe, the prettiest thing ever seen in Brevard, and every pair guaranteed; the last and best of all is for the head, and that is a John B. Stetson hat in the latest shape. If you will tell me what more it takes to dress a man I will buy it. Ah! I forgot to put any socks on my man, but it is not because I haven't got them. I have them, and the very nicest in town. My dry goods and grocery trade is good enough. Come and see me.
