BLUE EYES.

Coming as it does in the busiest season, when a man can least afford to lose time, a sure and quick cure for diarrhoea is very desirable. Anyone who has given it a trial will tell you that the quickest, surest and most pleasant remedy in use for this disease is Chamberlain's Colic, Cholera and Diarrhoea Remedy. There is no loss of time when it is used, as one or two doses of it will cure any ordinary attack. It never fails, not even in the most severe and dangerous cases.
