

## LOCAL PARAGRAPHS.

Mrs. B. Broyles of Yale is visiting her daughter, Mrs. Ben T. Egerton.

Emma Brown, of Cherryfield, is visiting her mother Mrs. J. J. Miner this week.

Z. W. Nichols has moved in his beautiful new home on South Caldwell street.

Walter Wood left last week for the State University where he will resume his studies.

If your roads are not as good as they should be September is a good month to work them.

The junior editor acknowledges the receipt of a basket of very fine tomatoes raised by Mrs. J. J. Miner.

Jesse B. Picklesimer left last Friday for Chapel Hill where he is going to study Pharmacy at the University.

Rev. S. A. Rains will preach at East Fork Church the fourth Sunday at 11 o'clock and Saturday night before. Come all.

Owing to the fact that two of the engines are being repaired, the Transylvania Railway uses one of the Southern's engines and handles all of the freight at night.

Brevard seems to be a mecca for those having patent rights to sell. We generally buy several states and a few foreign countries and make money out of it—for the other fellow.

The silver tea and sale for the benefit of St. Phillips rectory fund netted \$55. The rectory debt has been all paid and the church property is now free from incumbrance. Laus Deo.

Transylvania county would save money by having the next Legislature cut down all our courts to one week, as we never have any court the second week and yet have to pay for the jury the second week.

Oscar Sterling, who lost a leg in the head-on collision at Toxaway last Thursday, is reported as getting on in fine shape. He had been in the employ of this road only a week as brakeman when the accident occurred.

The Rev. Mr. Chapman will officiate at St. Phillips next Sunday, September 13th. Morning prayer and anti-communion with sermon at 11 o'clock. Subject: "The Copy and the Original." Evensong on Friday at 5:30.

The undersigned has agreed to hold the regular service in the Baptist Church, Brevard, next Sunday morning and night. Eld. C. S. Caswell of Marion, N. C., is expected on Monday night following to continue the meeting some days.—I. T. Newton.

B. F. Morris, of Warren, Pa., is the guest of Charles Lott. Mr. Morris was editor and proprietor of the Warren Ledger, for many years the leading paper of the county. He is an up-to-date business man, and it is a pleasure to welcome such men to Brevard.

The people of Brevard are always willing to help any church or educational proposition to a surprising degree. All church entertainments are well attended. The ladies of the Episcopal Church have paid off the entire debt on the rectory in a little over two years—the amount of the debt being nearly \$2,500. They raised about \$1,400 and the bishop gave the balance.

A head-end collision on the Transylvania railroad near Toxaway last Thursday has quite seriously crippled the road. The two engines were crippled so that the freight train has dropped out of schedule time and is now running at night with a Southern freight engine to pull it. One of the engine's concerned in the collision is so badly injured that it will have to go to some shop for repairs. The other one will be put in running order by Master Mechanic W. Piper at the repair shop here. We are very sorry that any accident should occur to our road and especially so during the summer travel.

## To Sapphire Country.

From the Asheville Citizen of Wednesday, Sept. 9, we learn that Mr. J. G. Adams has just returned from Lake Toxaway, where he was called on Saturday to meet S. H. Hardwick, G. P. A. of the Southern Railway Company, to complete arrangements for the weekly tours into the Sapphire Country which go into effect today. The rate is to apply from Jacksonville, Fla., Atlanta, Savannah, Charleston, Macon, Columbia, Chattanooga, Knoxville, Augusta, and all Southern points.

The Southern Railway Company is to sell a ticket which will cover railroad fare to Lake Toxaway and return, stage fare from Lake Toxaway to Sapphire, and one week's board at any of the Toxaway Company's hotels.

This is a novel plan and should be very attractive to tourists wishing to visit this famous resort country.

The rate from Asheville is \$21 10. This to include all expenses of trip. It is the plan of the railroad company to make certain days in the week personally conducted by a passenger agent of the road and thus relieving tourists of all worry and annoyance.

### MOB LYNCHES NEGRO.

#### Vengeance Dealt to Alleged Murderer in South Carolina.

Columbia, S. C., July 2.—Information was received here from Norway, Orange county, 50 miles south of this city, that Charles Evans, a negro, suspected of the murder of John T. Phillips, was taken from the guard house at Norway last night and lynched by a mob.

Four other negroes who were confined in the jail, were beaten into insensibility.

The crime for which Evans met his death last night, was the murder of John T. Phillips, a one-armed Confederate soldier. Last Saturday a young son of Phillips whipped some negroes at Norway, and several threats were made by the negroes there. Monday night while seated at his supper table Mr. Phillips was killed by some one who fired through the windows of his dining room. Phillips died instantly, and two of his little children seated with him were wounded by the shot.

Charles Evans was suspected, and confessed to having fired on Phillips, and in his confession implicated his brother.

Governor Heyward has ordered the county officials at Norway to do all within their power to protect the other negro prisoners in jail.

Dr. M. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by Z. W. Nichols, Brevard and O. L. Erwin, Cherryfield.

## Settle All Disputes.

### Survey the Town of Brevard—Establish Permanent Corners and Grades.

There is one question that should appeal to every person owning a foot or more of real estate in the town of Brevard, and that is a reliable survey and plat of the town.

At the present time there is no beginning corner that can be located, hence it is nearly impossible to correctly survey any one lot. The best remedy is to have the entire town surveyed and then have a beginning corner located and made of some indestructible material. One of the meridian stones erected by the national government in the court house grounds would do. All surveys in the future would and could be located from this beginning corner and all questions of boundary or lines could be settled by a survey instead of a law-suit.

And while the survey was being made the grades and levels of our streets could be made, and this establishing of grades and levels would stop all the present discussion about the natural flow of rain water as well as it would guide property owners as to the proper height of their sidewalks and buildings. Let us have the town surveyed, a beginning corner established and the grades of our streets determined.

## Superior Court.

At the last term of the superior court the following state cases were disposed of:

Charlie Owens was sent to the state prison for the term of seven years for killing George Banther some time ago. Owens took an appeal at the last term of the court but did not perfect it.

V. B. McGaha was fined \$2.50 and the costs for tearing down a legal notice.

A. C. Norton was fined \$5.00 and the costs for retailing without license.

Fred Bagwell, Carmon Hogsed, Foster Bagwell, Frank Bagwell and Weyman Cassell were fined \$5.00 and the costs each for disturbing a religious meeting.

Bob Johnson, Webb Johnson, Alf Benjamin and Cal Miller were found guilty and fined for retailing.

The civil docket was not taken up owing to the absence of W. A. Gash, Esq.

There were several cases that had been taken to the superior court from the mayor's court on appeal, and in each case the judgment of the mayor was sustained.

### Merchants' Protective Association of Transylvania County.

On last Thursday night the merchants organized the above named association for the purpose of controlling the credit business of the county and for their protection. From a hasty glance at the constitution and by-laws we think that it will be of great benefit to our business men, and we wish it success. The following officers were elected: T. D. England, President; E. W. Blythe, Vice-President; Z. W. Nichols, Secretary; F. L. DeVane, Treasurer. We will publish the constitution and by-laws in our next issue.

### Stomach Trouble.

"I have been troubled with my stomach for the past four years," says D. L. Beach, of Clover nook Farm, Greenfield, Mass. "A few days ago I was induced to buy a box of Chamberlain's Stomach and Liver Tablets. I have taken part of them and feel a great deal better." If you have any trouble with your stomach try a box of these Tablets. You are certain to be pleased with the result. Price 25 c. For sale by Z. W. Nichols, Brevard, and O. L. Erwin, Cherryfield.
