LOCAL PARAGRAPHS.

Miss Ida Sitton has returned from a visit to her home.

We are sorry to hear that Mrs. Plato Heffner is no better.

Miss Ada Way, who has many friends in Brevard, is visiting Mrs. J. W. McMinn.

Cliff Allison left on Tuesday for Alabama, where he has some business interests to look after.

Judge Verner, one of the most prominent lawyers in Columbia, S. C., is visiting H. P. Clarke.

We saw a large string of fine mountain trout that was sent to one of the guests at The Franklin from Lake Toxaway. There were about 18 fish, and not one was under 11 inches long. No better sport anywhere than trout fishing in this section.

The stockholders of the Brevard Water Company are called to meet at the office of the president, W. A. Gash, on Thursday, October 8, at 3 o'clock p. m., for the purpose of providing for an increase of the capital stock and the extension of the water mains to other streets. In the interest of health this is an important meeting and should be well attended.

Instead of work becoming scarce in Brevard as is usual at this time of year, there are more new houses being erected than ever before. John Duckworth is laying down material for a large house on his beautiful lot on Caldwell street, A. H. King is beginning two houses on Depot and Caldwell streets, Thos. L. Walters is now building another large dwelling on the corner of Jordan and Gaston streets, and C. A. Shuford has begun the erection of a fine residence on the corner of Morgan and Caldwell streets.

Regarded With Satisfaction.
London, Sept. 19.—A Reuter dispatch from St. Petersburg says Mr. Chamberlain's resignation is regarded by the Russian press and public with satisfaction, as it is considered that with Mr. Chamberlain disappears one of the most dangerous political factors for Europe's peace.

Tragedies In Far North.
Seattle, Wash., Sept. 18.—Charles Carlsen, of San Francisco, has been drowned in the Chignik river on the Alaskan peninsula. About the same time John Nelson was killed by a half-breed named Wilson. Wilson fled to the mountains.

A Very Special Request.

I most respectfully and earnestly request all who were pupils of Dr. Braxton Craven to send me at once on a postal card their name and post office address. I feel sure that all former pupils will do this much for the sake of their great and revered pastor.

Respectfully,
T. N. IVEY,
Editor Raleigh Christian Advocate, Raleigh, N. C.

Dr. M. P. Daugherty, well known throughout Mercer and Summer counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours.

By Chamberlain's Colic, Cholera and Diarrhoea Remedy.

He had been sick for a month with what doctors call bilious dysentery, and could get nothing to do him any good until he tried this remedy. It gave him immediate relief," says B. T. Little, merchant, Hancock, Md.
