Weiss are expected here the lat- The agents statements gave difter part of the month when Link ferent ideas from the wording of

Why Don't You Say So?

Editor Sylvan Valley News:

It is not what we know, but items of interest from the on this style of training. The what we let the other fellow Olsen-Link wrestling match has know, that does the world good Progressive ideas unexpressed is buried talent. It is not enough to locate the pit-fall-we must place the red light. Only the remedies revealed relieve sufferedge of the law, but its application that does the client good. You must tell your brother of the to a press clipping bureau has opportunity you see to better his had his amour propre clipped by condition. If you have better finding that his books are less ideas and are more intelligent than he you know it, and it is your duty to advise him. Many people are well posted but too selfish or laz to give their brother the benefit of it. He who fails to contribute from his store house of information to the good of his fellow man withholds that which is better than gold. Solomon preferred it to all earthly possessions. Now if you see chances to help our school facili ties, to make us more intelligent. to make our boys and girls wiser and better, why don't you say so? If you have a solution of the must answer a fearful responsi | record however is exceeded by bility. Speak out that future the claims of many theatrical generations may rise up and call man gers. you blessed. "No man liveth to himself; we die but the good or evil that we do live after us, and is not buried with our bones."

> Poultney Bigelow whose article concerning the mismanagement of affairs at Panama was given a statements he had made and fail dollars to any man who can prove them untrue. This is equivalent to paying some one to is not yet ready for a vote prove for him the truthfulness which he could not prove for him

The stockmen and railroads have a powerful lobby in Wash ington endeavoring to pass a bill extending the time that cattle living General is concerned. may be held in cars without food and water from twenty eight hours as under the present law It is now positively known that to thirty six hours. Protests are pouring in from all parts of the United States against the passage of the bill.

There is more Catarrh in this secbe more talk going on over what tion of the county than all other disis going to be done in the line of eases put together, and until the last new factories for this place and few years was supposed to be incurlittle else. It is hoped that some able.
