## Asheville Letter

NEWS NOTES FROM THE MOUNTAIN METROPOLIS OF INTEREST TO NEWS READERS.

From Our Regular Correspondent.

The hearing in the Mills divorce case has again taken a turn which is of local interest. Two negro bell men of this city were taken to New York as witnesses against Mrs. Mills, to testify concerning her action during her stay in this city last summer. The attorneys for Mrs. Mills have now called in members of the Asheville police force, Sheriff Hunter, Clerk of Police Court Norris and several justices of the peace to testify as to the character of the two negroes who were witnesses against Mrs. Mills. They want to prove the character of the two negroes and also the character of some of the other witnesses in the case who are Asheville people. It is hard to get at the outcroppings of this testimony as the hearing is being held in Asheville behind closed doors and every one connected with the case is keeping their mouths closed as if they were sealed. The New York dailies are publishing sensational detailed accounts of what is being said and done in Asheville, but if their stories are based on any fact at all they must be able to see through closed doors and read minds; for accurate information is hard to get by Asheville newspaper men who are more or less acquainted with a number of the witnesses and attorneys in the case.

With the approaching city election close at hand the Asheville voter is again feeling his importance in this world for he is meeting with pleasant smiles on all sides and the "Glad Hand" is the order of the day. Mr. "Voter" is greeted with friendly kindness by Mr. "Candidate" and Mr. "Voter" throws out his chest at being recognized by a prominent man who had never condescended to even give him a look before. From the present outlook there will be as many candidates for offices as there will be voters.

Since the purchase by Mr. Shoenfelt of New Orleans of the Green-Trash tract of land in West Asheville on which is located the Old Carrier Race track and his announcement that he would have annual racing held in the near future a number of the prominent people of this city including Judge Prichard and members of the W. C. T. U. and the clergy of Asheville have made a formal protest against the establishing of a race track near this city. They have framed up a petition and sent it to Raleigh with the request to Senator Webb that same be passed on by that body which will prohibit racing in any form in Buncombe county. Mr. Shoenfelt has invested several hundred thousand dollars in real estate in and around this city and the action on the part of some of its leading citizens concerning his proposed project is

## How Much Could You Get For Your Farm?

You are a farmer. You live near this town. You own land. Let us say that you own more than you need and would like to sell a hundred acres.

How much could you get per acre?

Land values have risen lately. But has the value of your land risen as you think it should?

Your land is good land. You think it is worth considerably more than anybody has offered you. Well, let us see.

A man buying farm land naturally prefers to locate near a thriving, up to date town. He wants good home markets for his crops. He wants good schools.

Let us say your land is three miles from town. A farm that looks very much like yours is three miles from a town twice as big and twice as prosperous as this town.

If you were going to buy a farm for your own occupancy, wouldn't you pay a whole lot more for land near the town that is twice as large and twice as lively?

Of course you would. It would be good business.

Now, what makes a town big and bustling? Money: Money in circulation. Not in circulation in Chicago, for instance, but right in the town that wants to grow.

How much money have you sent to the big Mail Order houses in the city the past ten years? How much have your neighbors sent? How much have all of you together put out of circulation here at home?

It is probably beyond calculation. If all that money had been spent in your own home town, isn't it reasonable to assume that the town would have grown more than it has grown?

Wouldn't this town be a bigger and better town?

Wouldn't it have more stores to buy your produce?

Wouldn't it have more public improvements to make it more attractive to outsiders who might come here to live, to go into business, or buy your surplus land at a good figure?

**TO TRADE AT HOME MEANS TO HELP THE TOWN AND THE NEIGHBORHOOD. TO HELP THE TOWN AND THE NEIGHBORHOOD MEANS TO HELP YOURSELF.**

received with regret by the wealthy athlete from New Orleans, who intends making Asheville his home.

It has developed that the much talked of purchase of lands in Limestone township by John M. Campbell real estate dealer of this city was not made for the Goulds or Vanderbilts as was stated in press accounts all over the United States. As the story went Mr. Campbell was buying up hundreds of acres of land for the Goulds who would build a beautiful country home within twenty minutes ride of Asheville etc., but Mr. Campbell stated to your correspondent that such was not the case as he had made the purchases himself from a point of speculation and that he was now offering the property for sale in small plats at a reasonable price per acre.

James Rucker the negro convicted at last term of superior court has been sentenced to be hanged on April 13. His attorney Eugene Way is preparing papers for an appeal to the supreme court. Mr. Way

states that as his client has been sentenced at this term of court he has until August term to prepare his paper of appeal for presentation and this fact will give his client another six months lease on life before the final termination of his case. L. R. D.

Fresh whales are now quoted at \$2400. If these luxuries of life continue to rise in price, some families will have to confine themselves to little cods and sardines.

If Mr. Oliver, the disappointed bidder for the Panama Canal work, will take the advice of the many claimants who have been prosecuting their claims since the Revolutionary and Civil Wars, he will not depend too much on that \$40,000 damages claim against the government.

You should be very careful of your bowels when you have a cold. Nearly all other cough syrups are constipating, especially those containing opiates. Kennedy's Laxative Cough Syrup moves the bowels—contains NO opiates. Conforms to National Pure Food and Drugs Law. Earns the endorsement of mothers everywhere. Children like its pleasant taste. Sold by Brevard Drug Co.

Mrs. Stuyvesant Fish says if a woman is careful she can dress on \$5000 a year. But a woman whose husband gets only a thousand has to be pretty careless to do it.

Mr. Harriman says he has been a pack-horse all his life. From the amount that he has gotten away with, it might be imagined that he was a pack-elephant or a pack-locomotive.

Now that Senator Culberson looms as a presidential possibility, Alabama promptly claims him as a native son. We have no doubt, however, that North Carolina is prepared to dispute to the bitter end about it.

To remove a cough you must get at the cold which causes the cough. There is nothing so good for this as Kennedy's Laxative Cough Syrup. The liquid cold relief that is most quickly effective, that stills and quiets the cough and drives out the cold. Sold by Brevard Drug Co.

There seems to be no end of the dangers that lurk in the cigarette habit. A Western man has just married a young woman whose name he found in a package of cigarettes.

**How to Remain Young.**

To continue young in health and strength, do as Mrs. N. F. Rowan, McDonough, Ga., did. She says: "Three bottles of Electric Bitters cured me of chronic liver and stomach trouble, complicated with such an unhealthy condition of the blood that my skin turned red as flannel. I am now practically 20 years younger than before I took Electric Bitters. I can now do all my work with ease and assist in my husband's store." Guaranteed at Z. W. Nichols' drug store. Price 50c.

The assurance given out by an astronomer that there will be no mundane catyclism in March will be encouraging to householders who have prepaid their rent for this month.

**Saved Her Son's Life.**

The happiest mother in the little town of Ava, Mo., is Mrs. S. Ruppee. She writes: "One year ago my son was down with such serious lung trouble that our physician was unable to help him, when by our druggist's advice I began giving him Dr. King's New Discovery, and I soon noticed improvement. I kept this treatment up for a few weeks when he was perfectly well. He has worked steadily since at carpenter work. Dr. King's New Discovery saved his life." Guaranteed best cough and cold cure by Z. W. Nichols, druggist. 50c and \$1. Trial bottles free.
