## Kick the Printer

In the city of Brooklyn, N. Y., there has been for many years a conspicuous signboard outside an office which reads, "KICK THE PRINTER."

Bibulous persons sometimes go inside to carry out the apparent request, but they discover that the printer is a gentleman, by the name of Kick.

In every town there are persons who, if they do not actually feel like kicking the printer—the newspaper man—at any rate do a lot of kicking at the way he conducts his paper.

Please DON'T kick the printer; he is doing the best he can.

And what he does for the town and community, despite his occasional mistakes, may be a great deal more than the kickers themselves are doing. Did THAT ever occur to you?

We are all neighbors in this town. What helps one helps the others. What hurts one hurts the others. Every community is a mutual benefit association, whether organized or just running wild. The printer is a charter member.

If you had no printer—no newspaper—how would you like that? Do you know what happens to towns that don't support a newspaper? Nothing happens. Nothing ever happens in a town like that. As soon as things begin to happen in a town, the newspaper comes along and tells about them.

The newspaper boosts the town. It records progress and offers suggestions, by the editor or the readers, as to further progress. Every copy of every issue advertises the town. This is all free advertisement. It costs the town nothing. It costs the people nothing. It is a part of the business.

In view of this fact, which nobody can dispute, it is much better to pat the printer on the shoulder now and then or to speak kindly of him than to kick him.

**NO; DON'T KICK THE PRINTER.**

### Calvert Breezes.

Editor Sylvan Valley News.

Ice one inch.  
Joe Galloway is looking fine and happy.

Don't you hate to beg poeple to pay you?

Waldrop is hauling logs for John Whitmore.

He only charged her and her children \$2.00.

A. B. had an offer of marriage but she declined with thanks.

Miss Bessie Boren went over the gap last week with Florence Moore.

Barbecue at Hogsed's sale on the 20th. Beef, mutton, pork and no jugs.

Gaston Whitmore and lady drove to the Stone Pile to church last week. Go again.

John Southern is whooping up his corn harvest. John always did raise good crops.

Who was the drunk the other day that wanted to ride on top of the car or under it?

Mrs. D. Marr and Miss Ardelle B. Gleason took lunch with Mrs. G. Houston Moore last Friday.

The man who wants to draw his money out of the bank now because he is scared is worse than a rotten crosstie.

Cousin Bill has a hog that weighs 378. Capt. M. R. Gleason says he must have driven one of Uncle John's on the scales.

George Wilson and his two aunts, Mrs. Fenwicke and Mrs. Grogan, were enjoying Sylvan Valley News items last week at Crab Apple office.

There has been 21 postmasters changed since the 19th of last January in this county; and Jackson, Macon and seven more to follow. A wheel works in a wheel.

Henry Lanning is attending Mount Moriah school. There are 35 pupils at this school which is to be a 3 months term. We hear praises on all sides for the teacher.

Jim Wilson informed Harrison that the word radical meant "root out, o' root hog or die." Wait for the wagon and we'll all take a ride. Who killed Harrison's hog.

Mrs. Leo Hogsed is busy preparing for her journey westward. She will be missed by all. What we lose the west will gain in a family of the best. None better to be found.

Lewis and family (so Sis says) is

to move to Morganton. Been looking for it ever since the first time I saw him; and now the deer hopped over the fence last week and Lewis is hunting him with salt.

Don't it rattle your slats to see a fellow get some one else's Sylvan Valley News, take it home, keep it, and finally growl because it is no larger paper. He has missed the chaingang by one paper.

Manning Moore's children last week amused themselves by burning up 35 panels of fence. Several of the neighbors had a warm time for awhile, and later Manning warmed the dear children up with the mush paddle. The children stood up for supper.

Did you hear Capt. M. R. Gleason talk Dutch and Latin while driving stakes in the Balsam a few days back. The horse he was riding bucked as a good sized bear rushed by. McCall, Baxter Owen, William Owen, Oliver and Brown all stepped aside so as to not hurt the bear, but Captain has a bear hide. Who killed it? Read Washington and New York papers. TIME EXPOSURE.

### Rural Delivery Notes

Of the 37,597 rural free delivery routes maintained by the postoffice department of the United States 253 are regularly served by women carriers, and there are four times that many female substitute carriers.

Congressman Lloyd of Missouri was advised recently that complete country rural delivery service has been ordered established in Adair county, Mo., effective Jan. 2, 1908. The total number of routes in the county is twenty-one, of which three routes are new.

Postmaster General Meyer was the principal guest and speaker at the recent annual outing to Marblehead, Mass., of the Essex Republican club. He said that one of his recommendations to the next congress would be a bill to establish a parcels post. He also indicated his intention to extend the rural delivery system, which he said was doing more than anything else to relieve the isolation of farmers and others living in remote country districts and thus incidentally was greatly checking insanity in these districts.

"The rural free delivery system has caused us no end of extra work," said the publisher of a trade journal that has a large country circulation. "Probably not even the postal authorities realize so clearly as the man who has a heavy country correspondence how rapidly the rural free delivery system has grown in the last two years. The books containing the address of our country correspondents and subscribers have had to be entirely overhauled. Scores of little postoffices have literally been wiped off the list, and John Smith and hundreds of other men who formerly had their mail addressed to their home village are now on route No. 2, 3 or 4 of the delivery system of a good sized town."

### The Stage Lions In Their Den.

The Beauteous Damsel In Distress—The Lions—how they roar!  
The Stage Manager [behind the scenes]—Now, then, boys—a good, healthy roar! All together, please.

Of course money talks, as it always has—only it is inclined to use the long distance phone a good deal right now.

A scientist finds that there are no less than 3,000,000 microbes on the average dollar bill. This does not mean, however, that there are 300,000,000 on the average hundred dollar bill; the latter does not have the opportunity to accumulate microbes by extensive travel that the former does.

### A Large Contract.

When T. B. Allison the enterprising druggist, first offered a 50 cent package of Dr. Howard's specific for the cure of constipation and dyspepsia at half price, and guaranteed to return the money if it did not cure, he thought it probable from his experience with other medicines for these diseases, that he would have a good many packages returned. But although he has sold hundreds of bottles, not one has been brought back.

T. B. Allison wants every person in Brevard who has constipation, dyspepsia, headaches, or liver trouble to come to his store or send T. B. Allison 25 cents by mail and get 60 doses of the best medicine ever made at half the regular price with his personal guarantee to refund the money if it does not cure.

To those suffering with dizziness, headache, poor digestion, constipation and straining, Dr. Howard's specific offers quick relief. It is an invaluable boon to all who feel uncomfortable after eating, and is today the popular dinner pill in all large cities. nov 8-22

At the John Temple Graves banquet in Atlanta, nothing stronger than coffee was served. When the Colonel gets to his New York editorial job he will appreciate the force of the song, 'Home ain't nothin' like this.'

When the President comes to award the "good trust" medals and give the "bad" trusts the Big Stick swat, he will probably do it on the same old principle of "our'n is good and your'n is bad."

### A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by T. B. Allison, druggist. 50c and \$1.00. Trial bottle free.

Something seems to have gotten tangled with the Taft boom.
