Editor Sylvan Valley News.

So he is cracked—so said a fool.

Little Jim Morgan is home and smiling.

The Sale? Yes, all pleased but Leo Hogsed.

Lou Paxton is moving his saw-mill home.

If that kind of money don't suit you, leave, get out.

Which family will get the post-office? Change coming.

Captain is going over to see that spring. Keep the flour out.

Blacksmith Garren always has a fine lot of flowers at his home.

Jordan Whitmire has about 20 carloads of wood ready to load.

Kimsey Lanning and family move to Brevard on the first of the month.

Henry Lanning and his best girl (he has five) was at the Lake last week.

John Perry is to teach a subscription school at Selica. They need a school.

Henry Garren is hauling wood for Tom Jordan, not on "Jordan's stormy banks."

Ramsey Butler of Charleston, S. C., is visiting his friends about the river; he-ho-ha-lo.

Warm time in land disputes on Diamond creek. Who owns the mills, Moore or Thomas?

Mrs. Butler and daughter of Hotel Rosman close the hotel and move to Tryon. They will be missed.

Miss Carrie Hayes of East Fork is boarding at her aunt Lannings and attending school at Mount Moriah.

Notice! Fellows, come back from Haywood and pay that young woman for washing for you six months.

Ed Glazener got the organ and now you can hear him thumping in the plow-field, uncle Bill says—ask him.

The popular teacher, Miss Davis, if weather permits, will take her pupils on the mountains the 28th, young Southern as guide and lunch eater.

Columbus Whitmire, general manager of the Whitmire, Hamilton & Co. store is hurrying the railroad ties cut for their 1500-foot switch at Cherryfield.

Miss Lucy Smith's select school will give an entertainment on Thanksgiving. She has 45 pupils enrolled. We need more teachers like her in this state.

Why no! None will be led astray by the perfunctory endorsement of any candidate for president in 1908 or the declamatory laudation of the present panicky incumbent.

The Pine Grove school on the first Saturday of December will have a Kodak and Telescope picnic in the mountains. They will have cake, nuts, pie, candy and fruit for lunch.

Tom Jordan and his friend Glazener of East Fork went hunting last week near Toxaway. They are looking for all kinds of "varmints" from pole-cats to bears. Tom and Jerry is a good drink.

The talk about the Vanderbilts and Highland Forest Co. and other large land holdings, with others maturing, is for a speculation in later selling to the government for a reserve, is just guess-work, not a fact.

Our old friend Mont Glazener is on the carpet as usual and selling more goods and cheaper than ever. Capt. M. R. Gleason says he is sorry that Renzo had to be Mont's brother, but Captain and Mont has him about re-

juvinated with the help of this pan-ic. Hoc-der-Kaiser.

Cap't M. R. Gleason asks me to inform several of the republican's who claim historical sense that by their own remarks prove that they are totally destitute of it. When they come to the discussion of some of the political and social problems of the day this is shown by their apparent ignorance of conditions which logically led up to given institutions, laws or privileges.

TIME EXPOSURE.

Rosman Items.

Editor Sylvan Valley News:

A. M. White has bought a lot in Rosman and is going to build a nice residence on it.

People who handle cordwood are all puzzled on account of the extract plants closing down.

Did you all ever think about cold weather being here? The pretty snowflakes will soon come to see us again.

I saw Capt. M. R. Gleason and wife at Selica last Sunday. They were walking very slowly down the railroad.

Toxaway Tanning Co. at Rosman is putting up a new smoke-stack. It will look much better than the one they now have.

A certain boy in Rosman is receiving letters from a girl in Fort Worth, Texas, and Little Peewee knows who it is.

E. Young, a prominent citizen of Transylvania, is postmaster at Rosman now. He seems to give perfect satisfaction in every respect.

Miss Lizzie Glazener who has served as postmaster quite awhile, has resigned as the cold weather is coming on. Her sweet, smiling presence we all miss.

Ed Taylor, of Rosman, has had very bad luck with his little daughter Eva. A small boy shot her in the face with a gun and as a result she is blind. Her father is trying to make up enough money from his friends to have her sight restored. Let us all go down in our pockets and contribute liberally.

LITTLE PEEWEE.

STATE OF OHIO, CITY OF TOLEDO, } SS.
LUCAS COUNTY

Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the city of Toledo, County and State aforesaid, and that said firm will pay the sum of One Hundred Dollars for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure. FRANK J. CHENEY.

Sworn to before me and subscribed in my presence, this 6th day of December, A. D. 1886.
(Seal.) A. W. GLEASON,
Notary Public.

Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces of the system. Send for testimonials free.

F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c. Take Hall's Family Pills for constipation.

Mr. Roosevelt did not refer in his election statement to Mr. Burton's defeat in Cleveland. Perhaps he left that for Secretary Taft to explain.

Appendicitis

is due in a large measure to abuse of the bowels, by employing drastic purgatives. To avoid all danger, use only Dr. King's New Life Pills, the safe, gentle cleanser and invigorator. Guaranteed to cure headache, biliousness, malaria and jaundice, at T. B. Allison's drug store. 25c.

There is a story told of a girl named Bronte when a girl of sixteen broke out angrily at some one who said she was always talking about clever people, such as Johnson and Sheridan. "Now, you don't know the meaning of clever," she said. "Sheridan might be clever—scamps often are—but Johnson hadn't a spark of 'cleverity' in him." That remark really gives the essence of Johnson and the key to the great qualities of his work, for in his case even more than in most the prose was the man. Whoever wants "cleverity" had best leave Johnson alone. The signal merit of Johnson's writings is that he always means what he says and always says what he means. He may often have talked for victory, but except perhaps in the political pamphlets he always wrote for truth.—London Times.

Fool's Gold.

Pyrite, or sulphide of iron, occurs quite freely in the iron measures and granite gash veins in upper Michigan. It has a brassy color and is known as "fool's gold" by reason of its similarity to the yellow metal in the opinion of the inexperienced. The miners call it "mundic." Few people appreciate the great value of this mineral. Its principal use is in making sulphuric acid, and in that form it is consumed in very large quantities, much of it entering into the refining of kerosene oil as well as being used extensively in the manufacture of artificial fertilizers.—Mining World.

Great Scheme.

Mrs. Simpson in her "Many Memories of Many People" says of Archbishop Whately: He was utterly regardless of appearance. If he came to us without a servant and perceived a hole in his black stocking he would put a piece of sticking plaster on the corresponding part of his leg to conceal the defect.

Foolish Question.

"Hello!" cried the neighbor. "What are you building a new chicken house for?"
"Why," replied Nettles, "for a flock of pink elephants, of course. You didn't suppose I'd put chickens in it, did you?"

Dodging His Friends.

The following advertisement recently appeared in one of the English colonial newspapers:
"James Saveall begs to notify that he has started business on his own account as an up to date restaurant and hopes that his many friends will jolly well stop away and give him a chance."

A Brave Man!

Mrs. George—Oh, George, if that dreadful lion broke loose, who would you save first, the children or me?
George (without hesitation)—Me!

A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by T. B. Allison, druggist. 50c and \$1.00. Trial bottle free.
