Fever Sores.

Fever sores and old chronic sores should not be healed entirely, but should be kept in healthy condition. This can be done by applying Chamberlain's Salve. This salve has no superior for this purpose. It is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by O. L. Erwin, Rosman, N. C.

Rosman Items.

Left over from last week.

Editor Sylvan Valley News: Have you grown accustomed to writing 1908?

We are having lovely weather, but lots of sickness in spite of it.

Last week Mr. and Mrs. Silverstein entertained friends from New York.

It looks now as if Mr. White's new home and the school house would soon be making their appearance. Lumber is being laid down for both buildings.

Elmer White, recently of High Point, N. C., has moved his family

to our village and is now a Rosmanite with the rest of us. Long may he remain among us for we need such men.

Our townspeople have been having considerable to talk about lately, owing to the family quarrels occurring here. Too bad though, even if it does give us something to joke about.

W. F. Decker, the new superintendent for Brevard Tannin Co., paid a visit to Rosman Saturday evening and Sunday, being entertained by J. S. Silverstein. The latter and Mr. Decker have been friends for many years.

What might have been a very serious fire, occurred at the Tannery on Tuesday, but owing to the heroic efforts of the employes and the precautions taken in rebuilding, after the fire of four years ago, no very great damage was done. It is fortunate the fire was no greater, for with nothing doing at the Tannery Rosman would be pretty dull, as fully ninety per cent of the male members of the community are employed there. **REPORTER.**

Three hundred million tin cans have been ordered by the California Fruit Cannery's association. That looks suspiciously like rushing the can manufactures.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Cheney & Co., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.
