**WEDDING BELLS.**

**Marriage of Miss Florence Duckworth to Mr. J. L. Hawkins.**

While living in Brevard I had the honor to be the pastor of Miss Florence Duckworth, the accomplished daughter of Mr. Joe Duckworth, whose pleasant home is situated near Town. Since I have been pastor in Raleigh Mr. J. L. Hawkins has been the "lucky number" to win the heart and hand of Miss Florence in matrimony. She paid me the compliment which I highly appreciate, of sending to Raleigh, N. C., for me to tie their nuptial knot, which knot I tied at her residence at 2:30 p. m. last Sunday, as tight as the laws of God and man can make it. It is my deliberate opinion that said "knot" will stand till the Judgment Day; I don't know exactly what will be after that.

It was a beautiful wedding. A happy company of relatives and friends assembled in the handsomely decorated parlor of Mr. Duckworth where the ceremony was performed. A splendid dinner awaited us in the dining room and no complaints were made that we did not do it ample justice. Some time after dinner we journeyed to the home of Mr. Hawkins where a warm welcome awaited the bride, and a good supper was spread for the happy guests. Surely it was a day of feasting, and if I don't get anything more to eat for a week I think you will still hear that I am alive. Nothing can beat the hospitality of these Western North Carolinians. God bless them.

Miss Florence is a sincere, genuine, accomplished, christian lady. Mr. Hawkins is intelligent, industrious, sane and sober. If this don't make a good match, what will? They have my best wishes for a long, happy and useful life.

T. D. Clayton has been very sick for quite awhile. We wish him a speedy recovery.

What is being done to better the public roads in Boyd township? Ask Charles Clayton.

Mrs. Rosa Frady and children of Asheville are visiting relatives in the Broad Valley sections for a few days.

Miss Bessie Lyday will leave for Dalton, Ga., in a few days, where she will complete her course in music this spring and summer.

Rev. M. L. Jones, our efficient Sunday school superintendent, has been very sick for some time, but we are glad to note that he is rapidly improving.

Our wide awake superintendent of public schools was circulating amongst us last week. Bro. Henderson is always willing to work in season and out of season for the best interests of the schools.

Rev. S. C. Owen will preach at Enon first Sunday in February and Saturday before. There will be night services if the weather is favorable. Let the membership of the church attend these services, especially on Saturday.

Mrs. Marguerite T. Kitchens, an aged and highly respected lady of

the Davidson River section, died of pneumonia on January 1st at the good old age of 88 years and 2 days. She has been a very consistent member of the Presbyterian church ever since childhood. Rev. W. H. Davis conducted the funeral services at her home in his solemn and impressive style.

James W. Clayton of Penrose, a pioneer citizen of Transylvania county, died at his home on January 19 at 2 a. m., at the age of 85 years. His body was laid to rest in the Davidson River cemetery on the following day. A large crowd of relatives and friends met at the cemetery to pay their last tribute of respect to the departed brother. The funeral services were conducted by Revs. Tuttle and Davis.

**The Pure Food Law.**

Secretary Wilson says, "One of the objects of the law is to inform the customer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit-forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by O. L. Erwin, Rosman.

**Virginia-Carolina Fertilizers**

That Virginia-Carolina Fertilizers are far superior to any other fertilizers is proved by the experience of Mr. D. M. Griffin, D. D. S. of Plant City, Fla., who says: "I was trucking on a small scale, and decided I would try a few sacks of your fertilizer, as it was cheap and said to be good. I put it under some tomatoes by the side of some other high grade fertilizer which cost me \$15 a ton more, and in the same proportion per acre. I don't think I exaggerate in the least in saying that the yield where I used Virginia-Carolina Fertilizers was three times that of where I used the other brand of so-called high-grade fertilizer." Many valuable pointers on truck farming written by government and private authorities, will be found in our new Farmers' Year Book or Almanac.
