EXCESSIVE POLL TAX.

A recent decision of the Su preme court of North Carolina makes plain the fact that the poll tax levy in Transylvania county is unconstitutional. It was only 672 necessary to nominate perhaps the largest audience asunder the two-third rule. As there are only 1008 delegates in the convention it will be seen that Bryan already has a majority and that his nomination is assured. Among the states still to hold conventions, and which are morally certain to instruct for Bryan, are. Utah, Arkansas, Montana, Kentucky, Colorado, Oregon, Florida, Tennessee, North Carolina, Georgia and Mississippi. These states will send 158 delegates, and should any of them fail to instruct they can be depended on to vote for Bryan as first choice. So the influence of a prostituted press to defeat his nomination is of no avail in weaning the people from their candidate. Hurrah for "the peerless leader"

RATIFICATION MEETING.

Last Sunday night a meeting was held in the Baptist church to ratify the action of the people of North Carolina in passing by popular vote the law against the manufacture and sale of intoxicating liquor. He voiced the thanks of the committee to those who had taken part in the campaign in speaking or any other way.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment.
