The protracted meeting which has been going on at Mills River church, conducted by Revs. P. P. Orr, Geo. Wharton and C. M. Caldwell, was a great spiritual awakening with the result of 22 conversions. Thirteen were added to that church last Sunday by experience and baptism and four by letter.

On Friday, 21st, it started to rain and kept it up till Tuesday night. The late excursions with limited tickets got but a poor idea of how fine Transylvania weather can be at its best. The heaviest rains fell Monday and Tuesday, and the French Broad left its banks in some places, making lakes out of corn fields. Farmers began to look apprehensively for a freshet, but the waters began to subside on Wednesday.

The following are registered at the Shipman house: Mr. and Mrs. Geo. Ortugas and four children, Jacksonville, Fla.; Misses Carrie and Lottie Olney, Mary Larkins, Florence McMillen, Nathalie Wilber, Alice G. Hardy, Carrie Hardy, Charleston, S. C.; Mrs. Stevenson and daughter, Miss Annie, Kinston, N. C.; Miss Etta Nunn, Newberne, N. C.; Misses Boyd and Henry Wright, Misses B. Wright, Laurens, S. C.; Mr. and Mrs. A. A. Gaines, Misses Minnie Beall and Amelia Buck, Mrs. U. J. Peters and two children, Birmingham, Ala.

Last Friday night, Aug. 21, a concert was given at the new graded school building under the auspices of the Ladies Aid Society of the Presbyterian church. Herr Peter Peters assisted by his pianist, Prof. Moise and Prof. A. L. Manchester, musical director of Converse college, Spartanburg, S. C., rendered a program of excellent music. Financially the entertainment was a disappointment, owing to unfavorable weather. But those who were so fortunate as to attend were well repaid. Herr Peters proved himself a master of the violin, and Prof. Manchester delighted the audience with his singing. Decidedly it was the best exhibition of musical talent made before a Brevard audience in a long time.

W. M. McDowell of Asheville was in Brevard during the week.

Mr. and Mrs. Albert Jenkins have returned from a visit of several weeks to Asheville.

W. D. Gash of Philadelphia is visiting at the home of his father T. L. Gash on Davidson River.

In a gun raffling contest this week Mrs. T. B. Allison was the successful purchaser of a ticket.

Mrs. C. B. Rowell and daughter Miss Ione, of Piedmont, S. C., are visitors at the home of W. T. Bosse.

All the force, from the foreman to the devil, miss the chief, and wish for him a successful and pleasant trip.

The next session of the Brevard Institute will open Thursday, September 3rd, and the session of the Graded School will begin September 8th.

The Ladies Aid Society of the Baptist church gave an ice cream supper at the court house Thursday evening of last week. The sum of \$14.50 was cleared.

Morris and is well known and highly respected. The groom is a native of Asheville and has been residing in Brevard for several months. The News joins their many friends in best wishes.

Hon. W. T. Crawford and Hon. T. W. Bickett, the former democratic candidate for congress, and the latter candidate for attorney general, will speak at Brevard Tuesday, September 1st. The speaking will begin at 11 a. m. Ladies are specially invited. Mr. Crawford is well known here, and all will be interested in what he has to say. Mr. Bickett is said to be one of the finest speakers in the state. Let the people attend and hear the live issues of the hour discussed.

Ed Gillespie, assisted by Tell Brown and Tom Jordan, has just finished the job of painting the Rober school house. The color is white with green trimmings. This school house was begun nearly two years ago, and owing to some financial obstacles, was finished only this summer. Selica now has a school building to be proud of, and with a large district to draw from and a special local tax, the community should expect educational advantages of the first.

J. J. Miner left on Sunday for St. Louis where he will enter the Thornton & Minor hospital to be treated for a malady of long standing. We hope that the News will be able to keep up the high standard established for it by Mr. Miner and that when he returns, well and hearty, he will find his business in as good shape as when he left it. We will state, however, that there are few men, if any, who know the printing and newspaper business as thoroughly as he. He is the best all-around printer and publisher in North Carolina. We feel that we are expressing the wishes of his many friends when we hope that he will be benefited by his hospital treatment and will soon return sound in body and rested in mind.

JOHN ROBINSON'S BIG CIRCUS.

Will Exhibit at Hendersonville September 4.

Indications are that a large crowd will attend from here. Very low excursion rates will be in effect on all railroads.

The Show, under the management of John Robinson is enjoying its eighty seventh year of prosperity, and is one of the foremost amusement attractions of America, if not the world.

It numbers among its arenic favorites some of the most expensive and best acts that money can procure. The Capt. French troupe of American Cavalrymen, in expert feats of daring and original horsemanship; James Dutton & Co. (three in number) Europe's greatest riders, and twenty equestrians associates; forty joyous subjects of King Momus in a gleeful sufficiency, and more than a hundred other foreign and American features in three rings and an elevated stage, and introducing Monster Heard of Trained Elephants, Big Realistic Wild West School of Wonderful Trained Menage Horses, Great Musical Ballet, and 300 Daring Gymnasts, Nimble Acrobats, and talented aerliests.

The Robinson show has always been famed for its menagerie, and this season finds the zoological annex the most complete ever carried by a tented show, comprising costly and rare animals from every section of the globe. This splendid array of animal talent will be seen in the big daily street Parade, pronounced by all as the most gorgeous and elaborate pageant of modern times, comprising more than a mile of gold-encased wagons chariots and 500 of the finest horses. This is the only big show that is not in the circus trust and no advance in the prices will be made.

For the benefit of this community and for both its banks, those interested in the Brevard Banking Co., and the People's Bank have deemed it best to do as is being done in many places, that is, unite the two interests and thus save the double expense of operating both banks, while at the same time increasing the capital stock of the one bank and placing more money at the call of the public, and in this way not only benefit the public generally but the stockholders of each bank.
