With the closing of August came the first keen breath of autumn. The nights suddenly became very cool, and several mornings seemed gramme, didn't I?" to miss frost by just a little.

The Musicale which was unavoidbuilding on last Tuesday evening. Mr. Estes made a few pointed remarks at the opening. There were lady's appearance. "Perhaps." he about fifty children in the choruses. added, with a laugh-"perhaps she is The musical numbers were well selected and the children did their part beautifully. Everybody enjoyed it. The rythme work and "See-Saw" by the smallest girls Miss Anna Rogers was drowned and boys brought down the house. school reference library.

> After a South African Storm. With the breaking of the day I went outside. The country was unrecognizable. The land and the scenery which I had known for years were entirely alwhite bailstones, were a different Bromfield Fuel Co. shape, and torrents of muddy water poured down from all sides. And when sky the scene of ruin and desolation was awful to look at. Buildings had been hurled to the ground and were nothing more than hills of hailstones. A large dam I had spent two years in making had been completely swept away. In another dam which had remained unbroken the hailstones had over twenty feet in height. There was not a sign of water in this huge dam, Wide World Magazine.

In the island of Banquey there is a tribe of Dusuns differing widely in was a good one, about 85 per cent. the presence of two families. There riages are performed in the forest in tendance. Surf bathing on the rite consists in transferring a drop of blood from a wooden knife in the call of the man's leg to a similar cut in the woman's leg. After marriage the man takes the bride to her home, where he resides in future as a member of the family.

> "Gentlemen of the jury," said the pompous lawyer, assuming his most imposing mien, "I once sat upon the judge's bench in Iowa."

"Where was the judge?" quickly inquired the opposing attorney, and the conducted the contest, realized pompous gentleman found the thread of his argument hopelessly entangled .-Detroit Free Press.
