### LOCAL PARAGRAPHS.

Henry King has returned from a business trip to Virginia.

There will be preaching at Oak Grove Sunday afternoon at 4 o'clock, also at the regular time on the following Sunday.

Miss Gertrude Chubbuck and Miss Anna Froeley, of Hamburg, N. Y., are spending the winter at the Godfrey residence on Eroad street.

E. H. Glover left yesterday for his winter home in Florida. Those who have finished pictures not delivered will find them at the News office.

S. L. Earle arrived from Jacksonville early this week. We understand he will build a residence in North Brevard in the near future.

T. W. Whitmire is keeping up his reputation as a shrewd business man by giving our readers a full-page ad to peruse at their leisure. Read page 7 without fail.

We learn that Fitch Taylor will soon be assigned to half-time in the bank. He has been a faithful and trusted employe for several years, and deserves a less strenuous job.

W. M. Bradley accepted the position of night watchman at the meeting of the Town council Tuesday night, and entered upon his duties Wednesday. We are glad the town has a night policeman.

The county statement has been in the hands of the News force since Monday, but owing to an extra run of job work is not ready for publication this week. We do not approve of making a continued story of it, so it will appear complete and correct in our next issue.

Congress met for its second session last Monday, and our paper this week contains the president's message—at least it contains the principal points of the message. No matter what your political preferences may be, the president's recommendations to congress are always interesting reading.

T. T. Loftis has taken a position with the Brevard Banking Company, and has employed T. H. Galloway as deputy clerk. A few terms of court like the last and all our county officials will have to take outside jobs or starve. Wonder if it might not be policy to give whisky another chance.

Sunday mails will hereafter be served to Brevard patrons by a pouch made up in Asheville. The mail clerk on the Toxaway trains will take a day off. Part of the mail due here from the south may pass Brevard and return here for delivery Monday morning. It will be well for patrons of the postoffice to bear this in mind and call for mail on Monday.

Married, Nov. 22nd, at the Baptist parsonage of Pelzer, S. C., by Rev. E. L. Kugler, Mr. Marion Glazener to Miss Malissa Looper. Mr. Glazener is a prosperous young man of Rosman, N. C. Miss Looper is a daughter of Mr. G. B. Looper, formerly of Dacusville, S. C., who now resides near Pelzer. The bride and groom left Monday, Nov. 23rd for Rosman, N. C., their future home. Their many friends wish for them a long and prosperous life.—Easley Progress.

St. Philips church, 3rd Sunday in advent, December 13, 1908. Morning prayer, holy communion and sermon at 11. Subject, "The Real." Sunday school at 4. Tuesday, Women's Auxiliary at the Rectory at 4. Wednesday, Penitential office with address at 4:30. Friday, Litany with address at 4:30. The Lesson for the week: "The Ministry, the living witness to the fact of our Lord's Coming." The gospel: "The ministry of John." The Epistle: "The responsibility of the Ministry." The Collect: "The witness of the Ministry."

G. A. Moeller spent Tuesday in Asheville.

W. F. Decker went to Asheville on Wednesday.

Miss Katie Brooks of Cherryfield is visiting her uncle, O. L. Erwin.

Isolee Duckworth, who has been sick for several days is improving.

Mrs. T. T. Patton and Mrs. J. C. Deaver spent Wednesday in Asheville.

Miss Lillian Jenkins returned on Monday from a short trip to Asheville.

R. J. English, whose leg was broken last week, is improving slowly.

Chas. Osborne and daughter Josie went to Asheville Saturday and returned Sunday night.

Willie Deaver is able to be out again after the painful accident he received some weeks ago.

Mrs. J. L. Bell, who spent two weeks in Charlotte and Davidson, returned home last week.

Mr. and Mrs. Carter, Lois and Edward, are at home again from a visit to relatives in Danville Va.

Gash & Galloway were elected county attorney for year 1909 by county commissioners on Tuesday.

B. A. Gillespie, the new Register of Deeds, has removed from East Fork to Brevard and occupies one of H. C. Gillespie's houses, south of town.

The Southern Educational Association will meet in Atlanta, Dec. 29, 30 and 31, where noted educators from all over the U. S. will be in attendance. Railroads will give 1/3 fares.

On Tuesday night, December 22, there will be a school entertainment at Broad Valley High School, to which the public are cordially invited. After the entertainment exercises the ladies will give an oyster Supper for the benefit of the school. No pains will be spared in the effort to make the occasion both entertaining and pleasant to all. Come and bring your friends.

On our Dollar proposition every merchant in the county ought to raise a club of subscribers for the Sylvan Valley News. There are times when every merchant would like to advertise if he were certain that his ads would bring results. The sure way to know this is to know who takes the paper in your own section. Why not give us a helping hand in trying to increase the circulation of your county paper?

### CHRISTMAS.

Christmas is dangerously near. Some one suggests that as time passes so much more rapidly in later life than in youth, that in order to proportion things, Christmas should come as now, once a year to children, but only once in two years for grown people. Or better, another suggests, only on leap years.

There may be wisdom in this. Let us think about it. Tell the boy that when he is old enough to smoke cigarettes and stay out after dark without giving an account of his whereabouts, when according to his word he is "no baby", that he is to hang up his stocking but once in four years. Tell the girl that as soon as she begins to have beans and demand \$10 hats that she is to expect to find mysterious packages under her plate only once in four or even eight years, as the almanac may direct, and perhaps the innocent days of childhood will not be so early nipped in the bud.

But we must not forget that there is a second childhood, and for all who have attained to the enjoyment of this privilege the annual holiday will still be in order.

When Roosevelt goes to Rome the Romans will do as he does.

### ROSMAN SCHOOL.

The following pupils were neither absent nor tardy during the school month of November.

4th grade—Ida Glazener, George London. 5th grade—Wade Summey, Karnsie Whitmire, Dora Whitmire. 6th grade—Victoria Gillespie. 7th grade—Pearl Gillespie.

Notice!—Bids will be received by the Board of County Commissioners, up to the first Monday in January, for keeping the County Home for year 1909. Bids will be opened and contract awarded at Board Meeting first Monday in January.—W. M. HENRY, Ch'mn Board Co. Com'rs. 4

If you want a dollars worth of new goods for 50c, come to the Farewell Sale Monday.

When winds shriek high in fensh glee, And enters winter with his key Protect yourself, from disease be free; Take Hollister's Rocky Mountain Tea. —Allison's Drug Store.

If you want anything in the way of ready-to-wear goods at half price read in Sylvan Valley News on page 7.

Wanted—By T. D. England, corn, potatoes, eggs, butter and various other articles, as he can use them; and if any of you owe him anything he wants that, and he wants it soon. He wants you to know also that he is still doing business at the old stand and in the old way, and that means accommodations to those who deserve and appreciate them and cash to those who don't. n20t2

Mr. John Temple Graves is in charge of the editorial end of the New York American, which is to say, "Richard is himself again."

Ambitious young men should learn telegraphy; for, since the new 8-hour law became effective there is a shortage of many thousand telegraphers. Positions pay from \$50 to \$70 a month to beginners. The National Telegraph Institute of Columbia, S. C. and 5 other cities, is operated under supervision of R. R. officials and all students are placed when qualified. Write them for particulars. n22t2

The charity that is mistaken is charity nevertheless. Perhaps it is a greater charity than the calculating scrutiny that withholds to avoid mistakes.

### This Is Worth Reading.

Leo F. Zelinski, of 68 Gibson St., Buffalo, N. Y., says: "I cured the most annoying cold sore I ever had, with Bucklen's Arnica Salve. I applied this salve once a day for two days, when every trace of the sore was gone." Heals all sores. Sold under guarantee at T. B. Allison's drug store. 25c.

Maybe Uncle Joe is only blowing smoke in the faces of the tariff revisionists.

You know as well as any one when you need something to regulate your system. If your bowels are sluggish, your food distresses you, your kidneys pain, take Hollister's Rocky Mountain Tea. It always relieves. 35 cents Tea or Tablets.—Allison's Drug Store.

Mr. Rockefeller is now convinced that the course of trust oil never did run smooth.
