Pine Grove Paragraphs.

Jack Smith has sold his team and now says he is going to fix for farming, although he says he must build fences, pile brush and plow before he can plant much corn, many beans and some pumpkins. PANSY.

Brevard Institute Notes.

Editor Sylvan Valley News:

Principal J. C. Lewis, of the Sue Bennett Memorial School, London, Ky., is visiting the institute this week.

The entire institute community regrets the return of Miss Horne to her home in Missouri. She has

been a truly welcome visitor in the school building.

At a business meeting of the Y. W. C. A. last week the following officers were elected for a term of one year: President, Miss Bessie White; vice president, Miss Viola Doub; corresponding secretary, Miss Inez Orr; treasurer, Miss Esther Gray; recording secretary, Miss Matilda Gray. These officers have already taken charge of their various responsibilities.

There are about ten vacant seats in the chapel and room for about four more seats in Miss Rutherford's department. There have been several applicants for admission for the remaining seven weeks of the school year, and there may be others who wish to enter. Tuition fees from April 6 to the end of the term, May 25, will be \$2.65 for those in the first five grades, and \$3.50 for those in the higher grades, fees positively payable in advance. No one is advised to enroll, however, who does not intend to study and to conform strictly to regulations. The institute cannot afford at this time in the year to disorganize its methods for anyone who is not in earnest.

A CARD

To the citizens of Brevard:

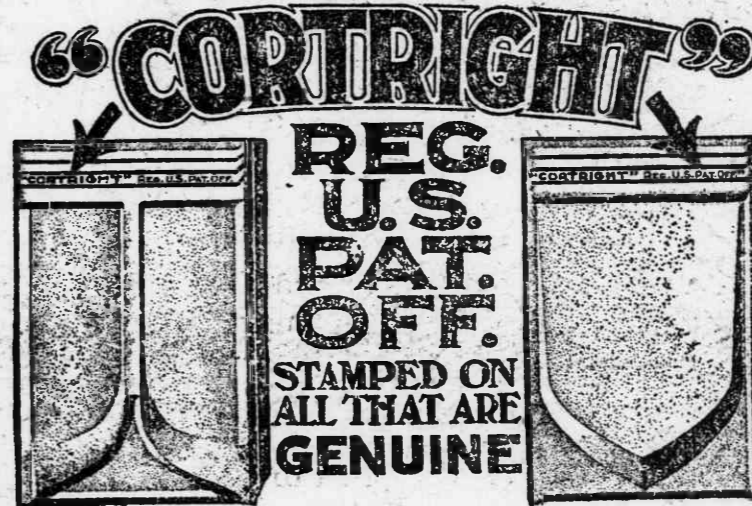

Please allow me to extend thanks to you for the municipal honors you have from year to year conferred upon me. I have been a citizen of Brevard for 18 years, 14 of which I have been chairman of the Board of Aldermen and Mayor of the city. And now, as I retire as Mayor on the 10th day of May, I wish to thank you again for your kind support you have always given me.

I have no reason to doubt that the present administration will be succeeded by wide-awake, public-spirited gentlemen, and you can rest assured that I will be shoulder to shoulder with them in continuing to build up our little town.

Yours very truly,
T. W. WHITMIRE.

And if they're not genuine, you don't want them, because they won't last as long as Cortright and therefore will not prove as good an investment.
