More frosts in May. Those who got up early on the morning of the 11th saw the unwilling visitor, and Wednesday morning showed a similar occurrence. It was three years ago that the freeze in early May killed all the fruit, and even blighted the forest leaves.

Perry Grant, who lives in King's creek glen, met with a painful accident last week. His foot slipped in crossing a log and he fell, so injuring his leg that he had to lie helpless. Fortunately he was not far from the house, and assistance was soon brought. A fall to one of Mr. Grant's age is dangerous, but it is hoped that the effects of this injury will soon be recovered from.

There will be a Sunday school workers' meeting at Rocky Hill church on Friday, May 28, intended for the special benefit of the officers and teachers of the Rocky Hill Sunday school. All Sunday school workers of the county, however, are invited to be present. J. M. Hamlin, Rev. and Mrs. J. R. Owen, Rev. and Mrs. J. K. Henderson, and perhaps other leading Sunday school workers, will be there to give instruction on special features of Sunday school work.

We are publishing this week "An Act" of the last legislature "to prevent hunting dogs from running at large." We are notified by the State Audubon Society that their patrolmen have been notified to execute the law without fear or favor. Those who have bird dogs should read the law and act accordingly.

Three bright white lights in Allison & Macfie's drug store dazzle the eyes of the beholder. They are gas lights, but not the old yellow kind that used to flare and flicker on the street corners in the olden nights. The gas is generated by gasoline under pressure in a tank which communicates with mantle-equipped burners by wire tubes. The room is flooded with a brilliant light.

St. Philips Church, Rogation Sunday, May 16, 1909. The Right Rev. Junius M. Horner, D. D., Bishop of Asheville, will visit St. Philips church next Sunday, the 16th. Morning prayer, confirmation, holy communion and sermon by the Bishop at 11. Evening prayer, holy Baptism and sermon by the Bishop at 5 o'clock. Offerings at both services for district missions. All are welcome. Come and hear the Bishop. There will be an informal reception at the Rectory on Saturday evening from 8 to 9:30.

A splendid opportunity is being offered to Brevard people to attend the Musical Festival at Asheville on Monday, May 17th. By taking a special train in the afternoon one can go and return the same evening at very reasonable rates, and a special concert ticket of \$1 has been secured. It is not often that an opportunity of listening to some of the best singers in the country is afforded to people in this section. The Pittsburg orchestra alone would be well worth extra effort and expense to hear. Already quite a number of persons have signified their intention of going, but in order that the car may be secured, all who desire to take the trip should see Miss Wave Long not later than Friday evening, and deposit money for tickets.
