Brevard Institute Notes.

The whitewashing of the two barns belonging to the school has greatly improved the looks of the property.

While in Asheville recently, Miss Rutherford visited the Arts and Crafts shops in Biltmore and was surprised to observe the accuracy and success with which the work is done there.

Richard Huskin, of Lake Toxaway spent another Sunday with the school this week. The only regret about these visits is that he is not with us every day instead of an occasional Sunday.

Examinations for the third term begin Saturday of this week and everybody is getting ready for them as thoroughly as possible. The greater part of next week will be devoted to examinations.

The commencement sermon will be preached Sunday, May, 23, by Rev. Dr. S. B. Turrentine, of the First Methodist church, Salisbury, N. C. The address to the graduating class will be delivered Tuesday, May 25, by Mrs. Frank Siler, of Atlanta, Ga. Dr. Turrentine is one of the strong men of the Conference, a good preacher and one who has served as Presiding Elder of some of the most important districts. Mrs. Siler is secretary of the Home Mission Board which owns the Institute, and is thoroughly at home on the platform. Brevard is to be congratulated on having two such speakers come within her borders.

An Essay on Man.

Man that is born of woman is small potatoes and few in a hill. He rises up today and flourishes like a ragweed, and tomorrow or next day the undertaker hath him. He goeth forth in the morning warbling like a lark and is knocked out in one round and two seconds. In the midst of life he is in debt, and the tax collector pursues him wherever he goeth. The banister of life is full of splinters, and he slideth down with considerable rapidity. He cometh home at eventide and meeteth the wheelbarrow in his path. It riseth up and smiteth him to the earth and falleth upon him and runneth one of its legs into his ear. In the gentle springtime he putteth on his summer clothes, and a blizzard striketh him far from home and filleth him with cuss words and rheumatism. He buyeth a watchdog, and when he cometh home from the club the watchdog treeth him and sitteth near him until rosy morn. He goeth to the race course and betteth his money on the brown mare, and the bay gelding with a blaze face winneth. He marrieth a red headed helress with a wart on her nose, and the next day the parent ancestor goeth under with a crash and great liabilities and cometh home to live with his beloved son-in-law.

Broad Valley Notes.

Editor Sylvan Valley News:

Albert Williams of Hendersonville will preach at Enon next Sunday.

Quite a crowd of our good people gathered at Enon last Friday and fixed up the churchyard.

Rev. P. P. Orr is cleaning up the Enon church organ and getting it in fine shape for the singing Sunday.

The Beulah singing class will sing at Enon next Sunday. There will be singing all day and everybody is invited to come and bring a big basket of dinner, and those who don't come will miss a treat.

The people of this section witnessed the most terrific storm Sunday night that has ever visited this section of the county. The roads were all blocked with fallen trees which had to be removed before any passing could be done.
