An invitation to attend the marriage of Miss Martha Cordelia Bryson, of Cullasaja N. C. and Rev. John Wilson Briggs on Wednesday, Feb. 9, 1910, has been received by the News editor. Although we could not be present our best wishes go out to the newly wedded for a life of content and happiness.

Those not having received blanks will please notify her at once.

What's the matter with having an entertainment of some kind for the benefit of Brevard Band? The boys are putting in faithful time, but it's a slow process to get a brass band in condition to appear in public. They need and deserve encouragement, and our town would willingly patronize an entertainment for their benefit.

Tomorrow (Saturday) night at the public school auditorium Sidney Landon will entertain all who are present to hear him. As an impersonator of living public men he has few equals. Those who stay away will miss one of the best numbers in our lecture course.

The public school is to give an entertainment—Friday evening, February 18. "Little Red Riding Hood" and "Too Much of a Good Thing" will be rendered by the pupils. It is to be hoped that our people will be present in large numbers, as the proceeds are to go toward extending the session of the school. Admission, 25c; children, 15c; reserved seats, 30c.

The Woman's Betterment Association has inaugurated a movement to supplement the school fund sufficiently to extend the term of our public school at least two, probably three, months. It will require about \$250 per month. At their meeting last Thursday afternoon a committee was appointed to confer with the school board in furtherance of this plan. W. W. Zachary, chairman of the county board of education, and T. C. Henderson, county superintendent, were present, and made addresses strongly approving the movement. It is to be earnestly hoped that our people will subscribe liberally, when called on, as it would be nothing short of a public calamity for the school to stop.
