WEDDINGS CALORE

Sunday evening Guy English came to Brevard from Hendersonville for the purpose of taking back with him one of our winsome young ladies. It being Sunday he found no clerk in the office; but he was not to be foiled in his purpose. He betook himself down to the clerk's home, procured the licence, thinking his troubles were over; but not so—he could not get an officiating minister until after the services were over at the Methodist church. Then he and the pastor hastened to the home of S. J. Tinsley where Miss Effie Tinsley and Mr. Guy English were united in marriage in the presence of a few friends.

Mr. English is line-man for the Western Union Telegraph Company. They will make their home for the present at Hendersonville.

Lester Cole and Etta Grogan were married, Sept. 1st at the home of the bride's father, Thomas Grogan, near the cotton mill, C. S. Kirkpatrick officiating.

Mention was made in our last issue that there was a report to the effect that W. H. Grogan and Miss Eula McLean, daughter of Dr. J. H. McLean, had been marraied. This happy event occurred at the home of Davis Glazener Sept. 4th in the presence of a few friends. Rev. C. S. Kirkpatrick pronounced the words that made them husband and wife. They have been receiving the congratulations of their many friends.

At the home of the bride's father near the depot, Rev. C. S. Kirkpatrick tied the knot that united Mr. James Curlee and Miss Bessie Bowen for life.

Sam Nelson and Miss Della Allison embarked on the sea of matrimony, Sunday Sept. 4th, at the home of the officiating magistrate, J. M. Hamlin.

Early Sunday morning Sept. 11, Drayton Randolph and Rev. J. A. Manly might have been seen wending their way toward the home Mr. L. North. After reaching their destination, a third party might have been seen approaching. She wore the garb of one who had just left the kitchen. And so it proved to be; and thus appared Miss Nora Bowen became the wife of Drayton Randolph, the minister above mentioned performing the ceremony. And why this early hour and these strange proceedings?—To circumvent the objection of the irate father of the bride. Miss Nora Bowen and Miss Bessie Bowen are sisters and daughters of Mr John Bowen. Mr. Randolph is in the employ of the Toxaway Tanning Company of Rosman.

It is hoped that every officer and and teacher constituting the group will be present. The door is ajar for other schools to enter.

Col. and Mrs. Edward Holland left on Wednesday for their winter home in Greenville, Miss., and their hospitable home, "Dew Drop Inn," will be closed until next summer. Col. Holland is one of our most progressive citizens and is always ready and able to help in any enterprise to build up Brevard.

THE BANNER SCHOOL.

Oak Forest (Green Town) 80 Per Cent.

Last week's reports show almost a tie between English Chapel school and Oak Forest, each making an average attendance for the week of 80 per cent. of the census. The only difference between the two schools is in the per cent. of the enrollment in actual daily attendance, English Chapel averaging 89.6 per cent. of the enrollment, while Oak Forest averaged 94 per cent.

English Chapel school, as was stated last week, is taught by Miss Mary Rankin, of Greenville, Tenn. Oak Forest school is taught by John L. Waldrop of Selma.

Miss Rankin raised her average last week over what it was the week before from 77 per cent. of the census and 86 per cent. of the enrollment to 80 per cent. of the census and 89.6 per cent. of the enrollment, and Mr. Waldrop raised his from 69.5 per cent. of the census and 81 per cent. of the enrollment to 80 per cent. of the census and 94 per cent. of the enrollment.

The third school in the list is Carson Creek school, District No. 4, Dunns Rock township, taught by Miss Sue Glazener of Brevard, in which there was an average attendance of 71.4 per cent. of the census and 85.2 per cent. of the enrollment.

There was one school in the county where the average attendance was only 34 per cent. of the census. The gentleman teaching that school should go out into the highways and hedges and by the right kind of persuasion compel the children to come in, so that the record of last week may not be repeated. T. C. HENDERSON, County Supt.
