AN EXPLANATION

As some misunderstanding may have been caused by my article in the Sylvan Valley News of recent date relative to certain statements having been made about my repaying the church for aid extended me while a boy at school, and inasmuch as it may be thought by some that W. E. Breese, Jr., had used such arguments against me during the campaign, I wish to say that I never heard of Mr. Breese referring to the matter in any way whatever, but on the contrary I learned that he refused to use such tactics in our campaign. Our campaign was absolutely free from personalities, and our debate was pitched upon the high plane of political and economic issues as applied to our county. Mr. Breese and myself came out of the campaign better friends than when we went in. I am writing this in the interest of simple and exact justice.

MRS. CHAS. JOLLY WINS TEN DOLLARS

MISS WILSON IS STILL IN THE LEAD, HOWEVER

Voting Was Very Brisk for the Past Week, and Contestants Are Working Hard.

Tuesday, December 3rd, marked the close of the second count, which proved to be the most exciting day in the contest since its inauguration nearly two months ago. Many thousands of votes came in during the last week, and up to the closing hour voting was brisk.

This count was to decide who had made the greatest increase since the first count. The votes came in as shown below, with Mrs. Chas. Jolly making the greatest gain, closely followed by Miss Gertrude Wilson.

The \$10.00 in gold was awarded to Mrs. Jolly, and the standing of Miss Kilpatrick is a complete surprise to all, and no doubt when the piano is awarded Miss Kilpatrick will have to be reckoned with. Miss Holcom, who stood fourth in the count, has made a marked increase and received a strong popular vote by her many friends.

Our contestants are figuring to get the results we so desire, and the lady who will receive this piano will be well repaid for the work she has done. This is a splendid opportunity to show your ability, and any lady who wins will have proven her merit and be the happy recipient of the beautiful \$400.00 piano. Keep in touch with each issue and come frequently to the Sylvan Valley News office, for there may be some little assistance that the editor can do for each one of you.

On January 7th the ballot box will be opened for the last time before the final count. On the above date we will award \$10.00 in gold to any lady who makes the greatest increase between the second and third special count. The lady who can win this last special prize not only will receive \$10.00 in gold, but will also place herself in good position to win on the final count, which will be about January 20th.

Many thousand votes can be turned in in close observance of the following bonus offer:

For every 7 new subscriptions 10,000 extra votes, a total of 14,200 votes.

For every 7 renewals, 8,000 extra votes, a total of 11,500 votes.

For every 40 merchant's coupons brought to this office and counted by the publisher or his assistant we will give 1,000 extra votes, a total of 2,000 votes.

The following merchants are giving 25 vote merchant's coupons with each \$1 cash purchase:

Miller Supply Co.
Stone Hardware Co.
O. L. Erwin's Store.
Duckworth Drug Co.
Welt's Cash Store.
Macfie's Drug Store.

BREVARD INSTITUTE NOTES

The past week was one of anxiety on the part of both pupils and teachers, it being the week of the final examinations for the first term. But it is all over now—the final grades have been recorded and reports given out.

Thanksgiving day made a welcome break in the monotony. We had a royal good dinner, and some of the young people amused themselves with snow-balling. But it was an unusually quiet day, everybody being too tired for much frolicking.

The Taylor Literary Society met in debate Saturday night. The topic was: "Resolved, That the country offers better opportunities to young men than the city." Affirmative, Antonio Macias and Hoover Jolly; negative, Eugene Frazier and Claywell Ross. The debate resulted in a tie, and a second impromptu debate followed, also resulting in a tie.

A class in telegraphy has been organized for the new term. Mr. Elbert Davis will be the instructor.

Mr. Antonio Macias will organize a class in plumbing. Mr. Macias conducts also a class in Spanish. Being a native Spaniard himself, Mr. Macias can, of course, offer superior advantages to anyone wishing to learn this beautiful language.

The ladies of the W. H. Society of Winston-Salem, through Miss Florence Blackwell, have recently sent us a donation of canned goods and household furnishings, for which our thanks are due.

The second term opened December 3 and quite a number of new pupils have been enrolled. Also many who have been temporarily absent are coming in again.

Miss Edna Willis and Miss Fenie Johnson spent the week end with their parents at Hendersonville and Fletchers.

ROSMAN NEWS

Mr. and Mrs. A. O. Kitchen and little daughter, Reba, spent Thanksgiving in Asheville.

Thanksgiving was observed by the school at this place and the pupils all enjoyed the holiday. The teachers were very fortunate in receiving an invitation to dinner by Mrs. J. B. Neal. Mr. Jones of Cullowhee Institute was also present.

On the night of December 19 an entertainment will be given under the auspices of the Betterment Association at the high school building. A play entitled "Christmas at the Cross-roads" will be rendered by several high school and sixth grade pupils. A drill by high school girls will also be given while the remainder of the program will be interspersed by the Christmas songs and recitations of the smaller grades.

Some of the pupils are now giving a portrait of ex-Governor C. B. Aycock to everyone who will contribute ten cents for the purpose of helping erect a monument to our "educational governor" in the Capitol Square at Raleigh. A nice picture of the monument when erected will be given the school free of cost.

ELMER.

PISCAH FOREST, ROUTE 1

On the third Sunday at 10:30 a. m. a large crowd witnessed the beautiful baptism of eight new candidates in the Little River, just below Laurel Creek church, following at 11 o'clock a sermon was delivered by Rev. Mr. Corn to the new members.

Mr. Sizemore of this section has been helplessly ill for several days but is slowly recovering.

Mr. Moody of this section is preparing to move to his new home near Blantyre.

Mr. W. P. Moore killed a hog that weighed six hundred pounds.
