The uniform team of Chestnut Oak Camp No. 295 W. O. W. went to Cashier's Valley last week to help in the unweaving of a monument erected to the memory of Mr. Bumgarner. They all say it was a fine trip and they were never treated any better by any people than they were by the people of Cashiers. The unweaving ceremonies took place at 11 a. m. Sunday in the presence of about 800 people, after which dinner was spread and all partook of the good things. At three p. m. they engaged in the decorating ceremonies, which is common for the Woodmen once a year.

Mr. E. E. Levels has resigned his position in the Gloucester Lumbering company's store and his place is being filled by Mr. P. T. Robertson, of Tennessee, whose family arrived Saturday and are boarding for a few days for lack of a house. We need more houses in our town.

A. M. Paxton and family have moved into the Estatote Inn near the depot. They will probably open up the house for boarders in the near future.

Miss Grace Gillespie left Monday to attend the summer school at the Brevard Institute. She will teach the school at Cedar Mountain this year.

MRS. EUGENIA M'CONNELL

Mrs. Eugenia McConnell of Anderson, S. C., died Tuesday at the home of her daughter, Mrs. Milan Nicholson, where she had been visiting for the past few weeks. In the last year's time Mrs. McConnell had suffered from a serious case of typhoid fever from which she had never regained complete health. She had been several times before to this place visiting her daughter and was quite well and favorably known to many Brevard people. Her kind and gentle disposition easily made friends for her with those she met. The funeral services were held Wednesday afternoon at the Glazener burying ground, conducted by Rev. A. W. McDaniel.

Mrs. McConnell's maiden name was Miss Eugenia Adelina Hall. She was born at Anderson, S. C., in 1819 and was twice married, first to Thaddeus Gray and next to Newton McConnell, both of Anderson, S. C. She is survived by three children: J. M. Gray and J. C. McConnell of Anderson county, S. C., and Mrs. Milan Nicholson of Brevard. For many years she had been a member of the Baptist church.

For An Impaired Appetite.

To improve the appetite and strengthen the digestion try a few doses of Chamberlain's Tablets. Mr. J. H. Sutz, of Detroit, Mich., says: "They restored my appetite when impaired, relieved me of a bloated feeling and caused a pleasant and satisfactory movement of the bowels." For sale by all dealers.

How Paint

The first coat of a good job of paint—Devoe—is \$50 a coat, second or third or fourth rate job, \$35 to \$40.

The wear is likewise. The better you paint, of course, the longer it wears. And the more you pay for your job, the shorter it wears!

Devoe is one of a dozen good paints. There are hundreds of bad ones. As likely as not, Devoe is the only good one in this town.
