**OBITUARY**

Robert Waldrop was accidental-  
ly killed by a freight train on a  
trestle at Selica on Thursday morn-  
ing, August 19th, 1915. He was  
sixty-seven years of age, and was a  
member of Cathey's Creek Baptist  
church. He was a kind, gentle,  
loving husband and father, and a  
consecrated, devoted church mem-  
ber, and one of the best citizens of  
the community. His was truly a  
sad death, and he will be sadly  
missed. He leaves quite a number  
of motherless children to mourn  
their irreparable loss.

"All things work together for  
good to those who love God, and  
are called according to his pur-  
pose." "And God shall wipe away  
all tears from their eyes, and there  
shall be no more death, neither  
sorrow nor crying, neither shall  
there be any more pain, for the  
former things are passed away.  
Eye hath not seen, neither hath it  
entered into the heart of man to  
conceive the things that God hath  
prepared for them that love Him."

**LAKE TOXAWAY ITEMS**

Our school has just closed a very  
successful month, the enrollment  
being greater than any preceding  
year. Much interest is being taken  
by both parents and children.

Claude S. Kinsland is spending  
the week at home.

Miss Sue Heath spent the week-  
end at her home.

Mr. and Mrs. D. P. Gillespie  
spent the week-end in Henderson-  
ville.

Many improvements have been  
made on the Methodist church  
building; also a new organ has  
been purchased. Rev. C. M. Car-  
penter preached a very interesting  
sermon to a large audience last  
Sunday.

Our town is overflowing with  
tourists in which a large number  
are stopping at the Gillespie Home  
and also the Florida Inn.

Mr. C. R. McNeely has a full line  
of school books and he will be glad  
to supply any school in the county.  
All orders will receive prompt at-  
tention. It

**KNOW IT WELL**

Familiar Features Well Known  
to Hundreds of Brevard Cit-  
izens.

A familiar burden in many a  
home.

The burden of a "bad back."

A lame, a weak or an aching back  
Often tells you of kidney ills.

Doan's Kidney Pills are for weak  
kidneys.

Here's good testimony to prove it.

D. R. Geer, proprietor of flour  
mill and notion store, Main street,  
Marion, N. C., says: "I was trou-  
bled a lot with pains in my back,  
brought on by heavy lifting. I  
have used Doan's Kidney Pills for  
this trouble and they have always  
relieved me."

Prepared at all dealers. Don't  
simply ask for a kidney remedy—  
get Doan's Kidney Pills—the same  
that Mr. Geer had. Foster Mil-

**SCHOOL OPENING**

The Rosman school opened Mon-  
day morning, August 23. The at-  
tendance is exceptionally good, the  
enrollment so far being about two  
hundred. The department of the  
High school is unusually well at-  
tended. Thirty-four students rep-  
resenting eight districts have been  
enrolled already.

Pupils and teachers alike entered  
into the work with enthusiasm,  
and the indications are for a great  
year in the history of the school.

**Worth Their Weight in Gold.**

"I have used Chamberlain's Tab-  
lets and found them to be just as  
represented, a quick relief for head-  
ache, dizzy spells and other symp-  
toms denoting a torpid liver and  
a disordered condition of the di-  
gestive organs. They are worth  
their weight in gold," writes Miss  
Clara A. Driggs, Elba, N. Y. Ob-  
tainable everywhere. adv

**BORROWING**

There is no other species of the  
genus homo who merits such  
withering contempt as the petty  
borrower—by petty we mean the  
guy who borrows your pencil—  
to be sure, 'tis just a jitney in-  
vestment—but you have but little  
esteem, and you feel as tho you'd  
be perfectly willing to give him a  
straight ticket to the lower regions  
after you have vainly looked all  
over your jeans and find that it  
is gone, along with your knife,  
marble.

And then, there is the thrifty (?)  
neighbor across the way, who  
keeps a weather eye on the post-  
man, so to speak, and as soon as  
your copy of The Observer blows  
in, for which you have paid a  
perfectly good dollar—they are  
over to borrow it, and after squint-  
ing at it up and down, crosswise,  
and sidewise, they roundly berate  
the editor and all connected with  
the office because they do not get  
out a better paper; and because  
they failed to put in a local con-  
cerning you that you knew off,  
you fly off at a tangent. Think it  
over.—Canton Observer
