A SAVINGS BANK.

The following letter will show how easily and at what little established and conducted:

Greensboro, N. C., Dec. 7 MR. EDITOR, Dear Sir: -

A note in the State papers to the effect that there is a desire for a Savings Bank in Car remarks upon the organization of Savings Banks under the general law now on the Statutes (see Acts)

tious banks with an abundance thought necessary. I know of Savings Banks which have deposthree hours each. All conform themselves to those hours as easily as though they were daily. The law is very elastic, and is suited to all communities.

Many a bank is thus conducted much as country post-offices are, by men who have most of their time occupied about business of

church."

than of spending every hing.

very little expense.

paid all expenses and interest.

Yours truly, W. F. STEELE, of Greensboro.

CANNING FACTORIES. .

Judsonia, Ark., has a successful the gratifying fact that North Car- his manners will be a part of him- date payment. olina has been successful with her self after a while, cever put off nor canning factories, and we hope that other Southern States will now try the experiment. Maine is getting a pile of money from the numerous canning factories. - Dec. Southern Cultivator.

Would pay a larger premium on leave the money with the people O.p. I S. Patini Gine .

Our soil and climate is es-WEDNESDAY, DEC. 28, 1887. pecially adapted to the production Ex. of fine fruits and vegetables, in fact, no other section of the State con excel and few equal us. Now, Presidential candidate by all odds, the establishment of a cannery here would promote the growth of the fruit and vegetable raising industry, and it would cost very little to start one up here on a small scale. It will pay some of expense a Savings Bank may be our citizens who have idle money handsomely to invest in such an enterprise, besides, increasing the trade of our town four-fold.

P. T. Barnum Writes a Story

The opening chapters of a splenthage, leads me to ask space in did story for the young, by the fayour valuable columns for a few mous showman, P. T. BARNUM, ap pears this week in the columns of J. F. Colz, THE NEW YORK FAMILY STORY MRS. M. C. BAGWELL, Music Teacher, PAPER. The story describes the Under it a savings bank can be adventures of an American boy, established anywhere with no far- whom Mr. Barnum calls "My ther legislation. While large cit- Plucky Boy Tom," and whom he per month. Board \$6 to \$10 per month. sent te India in search of wild, of efficers and clerks, many can be fierce, and rare animals to replace pal started at a pine desk in somebo those destroyed by the disastrous dy's store and bank hours may be fire at Bridgeport last month. The as short and far between as is reader is thrilled by the hairbreadth escapes of this dauntless its of \$300,000 which are in the American boy when capturing the house of the book keeper for a fiercest and wildest animals ever firm of manufacturers, and he is at seen in any traveling show. THE the bank desk two evenings a week, NEW YORK FAMILY STORY PAPER is for sale at all news stands.

Congress adjourned last Thursday to meet again Jan. 4.
