ONE DOLLAR A YEAR

Let Us be Contented.

Times are not as good as they were a year ago apparently, yet they are as good as we deserve. Let us not stop to wait for good times and waste our time talking about hard times. The way to make times better is to link in and do our part and things will come right. Where there's a will there is a way, but we're all too apt to give in when we have only a frivolous excuse. Those who can recollect at the end of the war in 1865 when the government had to issue a few hardy tacks to keep the people of this section from perishing, and they made fine crops that year and the fall brought with it peace and plenty. We can do with less if we will try for a few months. We cannot overcome

our backs if we don't keep trying. Let everyone pay all he owes and satisfy his creditors. A good credit is better than money and we are glad to see our people are realizing that fact of late more than ever before in our recollection. The more they do this the more prosperous they will be. He takes advantage of the hard times to hold back what ought to belong to his creditors will never be prosperous nor live happy.—Duplin Journal.

Encouragement to Young Men.

This item taken from an exchange ought to be of encouragement to young men: It is said that the new Postmaster General, Henry C. Payne, began life as a clerk in a dry goods store, while Secretary of the Treasury Shaw was peddling fruitree for a living thirty years ago. There is a lesson in the lives of these men that is full of encouragement to the boys and young men of this country. This is a land where grit and guption can win the highest honors, and no one need feel discouraged because he is compelled to work for every penny he gets. The road to success is one of work.

St. Vitus's

Dance, or chorea, is one of the most pitiable afflictions humanity is called on to endure. That this disease can be cured, however, is proven by the fact that it has been cured by the use of Dr. Pierce's Favorite Prescription. The tranquillizing effect upon the nerves exercised by this remarkable medicine is witnessed to by thousands who have found healing and strength in its use. It not only cures womanly diseases, but it promotes the health of the whole body. It is a nerve-feeding, strength-giving, sleep-inducing medicine. It makes weak women strong and sick women well.

"Favorite Prescription" contains no alcohol and is entirely free from opium, cocaine, and all other narcotics. It cannot disagree with the weakest or most delicate constitution.

"When our daughter Lizzie had St. Vitus's dance, I happened to get one of your small books and read it," writes Henry L. Miller, Esq., of 106 North 7th St., Burlington, Iowa. "After other things I found that Dr. Pierce's Favorite Prescription cured patients suffering from that trouble, so I went out and got a bottle. She was very bad at that time and could hardly talk. When I read about your medicine in that small book, I said to myself, with the help of God and that medicine we can cure our daughter." "I did so. Four bottles of 'Favorite Prescription' cured her, and I did not have to take her to a doctor any more. She is well, thank God and the 'Favorite Prescription' for it."

Where the Turtle is Worshipped.

At a place called Kotorn, on the French Ivory Coast, the natives believe that to eat or destroy a turtle would mean death to the guilty one of sickness among the family. The fish men, of which there are plenty, declare that years ago a man went to sea fishing. In the night his canoe was thrown up on the beach empty. Three days afterward a turtle came ashore at the same place with the man on its back alive and well. Since that time they have never eaten or destroyed one of that species, and though they happen to be washed ashore there is a great commotion in the town. First, the women sit down and start singing and beating sticks next a small piece of white cloth is placed on the turtle's back; food is then prepared and placed on the palm oil; then, amid a lot more singing, dancing and antics of the festival people, it is carried back into the sea and goes on its way rejoicing.

Women suffering from Headache, Backache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells will find it a priceless blessing. Try it. Satisfaction is guaranteed. Chas. Cole & Co. Getting Thin

is all right, if you are too fat and all wrong, if too thin already.

Fat, enough for your habit, is healthy; a little more, or less, is no great harm. Too fat, consult a doctor; too thin, persistently thin, no matter what cause, take Scott's Emulsion of Cod Liver Oil.

There are many causes of getting too thin; they all come under these two heads: overwork and under-digestion.

Stop over-work, if you can; but, whether you can or not, take Scott's Emulsion of Cod Liver Oil, to balance yourself with your work. You can't live on it—true—but, by it, you can. There's a limit, however; you'll pay for it.

Scott's Emulsion of Cod Liver Oil is the readiest cure for "can't eat," unless it comes of your doing no work—you can't long be well and strong, without some sort of activity.

The genuine has this picture on it, take no other. If you have not tried it, send for free sample, its agreeable taste will surprise you. SCOTT & BOWNE Chemists, 409 Pearl Street, New York.
