

THE CARTHAGE BLADE

OUR HOME AND HOMEFOLKS AGAINST THE WORLD

ESTABLISHED 1874.

CARTHAGE N. C., THURSDAY JANUARY 23, 1902

ONE DOLLAR A YEAR

A Son of North Carolina.
The election of H. M. Holleman of Poston to the presidency of The Harvard Auto Corporation, owners and operators fourteen large automobile stations in as many cities throughout New England, is one of the developments of the week in the financial world that will particularly interest the people of Boston and North Carolina.
Mr. Holleman is a North Carolinian, being the son of Rev. J. M. Holleman of Apex, and has, for several years, been engaged in the banking business in Boston, where he has succeeded in financing a number of the largest and most successful enterprises in the North.

The combined capital of this consolidation will doubtless be several million dollars, and Mr. Holleman will represent the majority financial interest therein. Mr. Holleman's personal banking and financial business, covering New England with thirty-six offices, does the largest business of its kind in the United States. He is also interested in ten other corporations, and it is stated that every financial proposition which he has undertaken has been successful. Who knows but that North Carolina, in Mr. Holleman, may have given to the world another young "Napoleon of finance!"—Boston Daily Traveler.

Repairing Neatly Done

Never thought of such a sign for a medicine did you? Well, it's a good sign for Scott's Emulsion. The body has to be repaired like other things and Scott's Emulsion is the medicine that does it.

These poor bodies wear out from worry, from over-work, from disease. They get thin and weak. Some of the new ones are not well made—and all of the old ones are racked from long usage.

Scott's Emulsion fixes all kinds. It does the work both inside and out. It makes soft bones hard, thin blood red, weak lungs strong, hollow places full. Only the best materials are used in the patching and the patches don't show through the new glow of health. No one has to wait his turn. You can do it yourself—you and the bottle.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle.

Mrs. Sangster's Definition of "Tact."
Tact means touch. Sincere means transparent. One may be tactful, that is, quick to feel and respond to the feelings of others, therefore sympathetic, and at the same time be above deceit. The habit of saying pleasant things is praiseworthy, and there is not the slightest necessity for their being untrue. As a rule, the people one meets are good and kind, and there is much opportunity for being nice to them. Look for the best in friends, and cultivate the accomplishment of praising it. She who says disagreeable things needlessly, even if they are true, is a social guerrilla.—The Ladies' Home Journal.

Don't Live Together.
Constipation and health never go together. De Witt's Little Early Risers promote easy action of the bowels without distress. "I have been troubled with constiveness nine years," says J. O. Greene, Depauw, Ind. "I have tried many remedies but Little Early Risers give best results." C. Cole & Co.

Low Rates for Hunting and Fishing Parties via Seaboard Air Line Railway.

This popular route, whose lines penetrate some of the best country for game, birds and fish to be found anywhere in the South, has on sale reduced rate tickets from Norfolk, Portsmouth and Richmond to all points in Virginia, North and South Carolina, for the benefit of hunting and fishing parties, moving individually or otherwise. One dog is carried free with each passenger and others are transported at a small cost. Full information as to most desirable points, rates, schedules, etc., furnished upon application to agent or representative of the company.

Children Especially Liable
Burns, bruises and cuts are extremely painful and if neglected often result in blood poison. Children are especially liable to such mishaps because not so careful. As a remedy De Witt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of counterfeits. Sure cure for piles. "De Witt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up," writes James Mock, N. Webster, Ind. "The sores were so bad she soiled two to five dresses a day." C. Cole & Co.

More About Eggs.
North Carolina is a great hen State. Gen. Carr was not wrong in his address at the Poultry Show in attributing much of the prosperity of the State to the growth of poultry and the shipment of eggs. Along this line the Tarboro Southerner gives this experience of one of the best farmers in Edgecombe county:
"Dr. C. L. Killebrew last year had 375 hens and this is their record: Eggs laid 20,772, set 727, consumed 1,145, sold 18,900 for \$221.57. His poultry cost him \$121.40, leaving a profit of \$100.17, besides what he consumed and the increase this year in the number of layers.

"Out of 727 eggs set, 676 hatched. How many he raised he could not say at the time the reporter saw him. The record as it stands however, is very good."

This beats cotton a long sight!

Beat Out of a Trench of His Passion.
A Mexican war veteran and prominent editor writes: "Seeing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am rejoiced that as a soldier in Mexico in '47 and '48, I contracted Mexican diarrhoea and this remedy has kept me from getting an increase in my pension for on every renewal a dose of it restores me." It is unequalled as a buick cure for diarrhoea and pleasant and safe to take. For sale by Chas. Cole & Co.

A Prominent Chicago Woman Speaks
Prof. Roxa Tyler, of Chicago, Vice-President Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "Suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies but seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by Chas. Cole & Co.

DeWitt's Witch Salve
For Piles, Burns, Sores.

"The pitcher that goes often to the well is broken at last." There's a world of wisdom in that familiar proverb, and a sound application of it to disease, especially to such familiar forms of disease as coughs and colds. Singularly enough the very thing that ought to cause alarm is given as excuse for a feeling of safety. "It's nothing; only a cough. I've had it before." The fact that a cough recurs periodically should be warning enough to take it in time, for the most serious and disastrous of all maladies begins with a cough.
The use of Dr. Pierce's Golden Medical Discovery not only stops the cough, but cures the cause. It cures obstinate, deep-seated coughs, bronchitis, weak lungs, hemorrhages, diseases which if neglected or unskillfully treated find a fatal termination in consumption. Accept no substitute for "Golden Medical Discovery." There is no other medicine "just as good" for weak lungs.
"I was very sick indeed," writes Mrs. Mollie Jacobs of Felton, Kent Co., Delaware, "and our family doctor said I had consumption. I thought I must die soon for I felt so bad. Had a bad cough, spit blood, was very short of breath, in fact could hardly get my breath at all some times. I had pains in my chest and right lung, also had dyspepsia. Before I took your 'Golden Medical Discovery' and 'Pleasant Pellets' I was so weak I could not sweep a room, and now I can do a small washing. I worked in the canning factory this fall, and I feel like a new person. I believe that the Lord and your medicine have saved my life. I was sick over two years. I took thirteen bottles of the 'Golden Medical Discovery,' and four vials of Dr. Pierce's 'Pellets.'"
Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Shabby Treatment Considering.
Republican leaders give it out that no more negroes will be appointed to office in North Carolina. This is shabby treatment considering what the negroes have done for these same leaders.—Durham Herald.

White Man Turned Yellow.
Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all stomach, liver and kidney troubles. Only 25c. Sold by Chas. Cole & Co. Druggist.
