Mr. James A. Taylor is off on a business trip this week. Trinity College now has two hundred and ten students and more are expected.

The streets are as slippery as an average politician, but not quite so sticky. The weather has been quite damp for several days past in spite of signal service guesses.

Business in all branches is dull at this time, but hope for improvement is present in a large degree. Mr. G. K. Crenshaw went down to Wilmington Monday evening, presumably on a business trip.

Mr. W. A. Pearce will remove to the progressive town of Burlington, shortly, and open a business. Miss Esther R. Bell returned last Wednesday to Buie's Creek High School, to resume her studies.

Rev. Charles H. Spurgeon, now at Mentone, is gradually recovering from his long and serious illness. Married on the 13th inst. by the Rev. J. H. Griffith, Mr. W. H. Stepienson and Miss Martha Bradley.

See notice of the incorporation of the Consolidated Lumber Company. Messrs. Goodrich & Worrell are now furnishing the public with fine, fat beef and pork, etc. They handle nothing but the best, and their prices are very reasonable.

NOTICE. Having bought out the entire interest of Smith & Foscoe's Livery, I respectfully solicit the patronage of the travelling public. Satisfaction guaranteed. R. G. W. SMITH.

From henceforth let no man trouble me with doubts and questionings; I bear in my soul the proofs of the Spirit's truth and power, and I will have none of your artful reasoning. —Rev. C. H. Spurgeon.

NO ASSIGNMENT. No, indeed. We have not, neither are we going to make an assignment. But for the next thirty days we are going to compete with the prices of those who have failed.

DUPREE & LANE. Dunn, N. C., January 7, 1892. Last Friday two negro boys were arrested at Morganton for horse stealing. The horses were stolen from the Vanderbilt stables at Biltmore, near Asheville, and the negroes, who were traveling under assumed names, were supposed to be escaped convicts from Tennessee.

We, the undersigned, have this day formed a copartnership under the name and style of STRICKLAND & GORDON, for the purpose of carrying on a General Mercantile Business, in the town of Dunn, county of Harnett, N. C. This 9th day of October, 1891. H. J. STRICKLAND. J. O. GORDON

A contemporary says people often wonder why court-y editors generally wear belts to hold up their pants instead of suspenders. It's the most simple thing in the world. When an editor gets word from his home that there is nothing on hand for dinner he simply tightens up his belt one hole and says nothing.

To My Friends and Customers. The firm of McKay, Lee & Co. having dissolved copartnership, I am now located at my old stand on the corner of Broad and Wilson streets, where, three years ago, I opened up the first hardware store ever in Harnett county. For these three years I have devoted my entire time to the study of hardware and what my customers need.

I feel safe in saying that I know what my customers need. I am now opening up a nice line of hardware, Cutlery, Crockery, Tin and Glassware, and every thing that is found in a first class hardware store. I have employed Mr. H. C. McNeill, a man that will treat you right. We ask you to come and examine my line of goods before you buy elsewhere. Come whether you trade or not. We like to see our friends.

Thanking you all for your liberal support, and asking a continuance of same, I remain your friend. JOHN A. MCKAY. Dunn, N. C., January 12, 1892.

Voorhees on Hill. "I do not agree with the Governor at all in his position at Albany, and so announced as soon as I read the report on New Year's Day. The Republican party has forced issues on the American people, and more especially in regard to the vital question of taxation, which are wholly inconsistent with free government, and which call for incessant, unremitting, unlimited, day and night opposition on the part of every believer in the Jeffersonian maxim of equal and exact justice to all, exclusive privileges to none.

"The present tariff system of the United States, whereby the wants of the laboring poor are taxed to sweeten the luxuries and soften the couches of the idle rich, is such a hideous abomination in the sight of God and man that it seems to me every fair-minded person would gladly and eagerly fight against it all day and again in his dreams at night, leaving results, consequences and responsibilities to that high and overruling power known as Providence in his history.

"I have a very high opinion of the ability of Gov. Hill and his recent great party service, but he makes a mistake if he thinks the spirit of battle or the ardor of the democratic masses in their conflict with tariff robbers, monopolists and plutocracy generally can now be checked.

"The nominee of the next Democratic National Convention ought to live in the Mississippi Valley, and I think he will. The farther he lives from Wall street and the power of consolidated wealth and educated rascality the better it will be for the Democratic party and the country when he is elected."

For Wood and Lumber, call on C. T. Williams. We wish the people of Dunn and Harnett county, a healthy, profitable and pleasant future.

"ANTIDOLA" will speedily relieve Headache and Neuralgia. A trial will convince you of its merits. Read what Rev. W. J. Fulford, editor of the North Carolina Baptist, says: "Some few weeks ago Mess. A. J. Cook & Co., kindly sent me a trial bottle of Antidola; the other day we had occasion to resort to it, and found almost instant relief from an attack of severe nervous headache. Try it."

Manufactured only by A. J. Cook & Co., Fayetteville, N. C., Price 25c. a bottle. For sale by B. R. Hood & Bro., Dunn, N. C.

Hill of New York sounds the keynote for his wing of the Democracy. "No new issues," "no free coinage," "no increase of money volume." Cleveland is against free coinage out in favor of tariff reform. They are both of them just exactly what will suit every national banker in the country. Yet there are those who would represent third party agitation until these great moguls had been "petitioned" to grant something to the Alliance. The Alliance will petition! On to St. Louis.—American Non-Cooperator.

Dissolution Notice. The firm of McKay, Lee & Co., of Dunn, has this day dissolved copartnership by mutual consent. John A. McKay having withdrawn from said firm. The books and old accounts will be found with Mr. E. Lee, at the store of the old firm. All parties indebted to them will please call and settle at once. JOHN A. MCKAY. J. LEE. E. J. LEE. Dunn, N. C., January 4th, 1892.

NOTICE. The firm of McKay, Lee & Co. having dissolved we, J. Lee and E. J. Lee, will continue the Hardware and Furniture business at the same old stand, next door to Young Bros., under the name of Lee's Hardware Co. We, by honest, square dealing and polite attention to our customers, solicit the patronage of the citizens of Dunn and surrounding country. Very Respectfully, LEE'S HARDWARE CO.

Two Bottles Cured Her. VI. I was suffering 10 years from shocks in my head, so much so that at times I didn't expect to recover. I took medicines from many doctors, but did not get any relief until I took Pastor Koehn's Nerve Tonic; the second dose relieved me and 2 bottles cured me. S. W. FERGUSON. Newcom, Ky., February 20, 1891.

For many years I was sickly and very nervous, so that the least thing would frighten me, and my sleep was unrefreshing and I was so weak as to be unable to do any household work. I was always ill-humored and depressed. Now everything is changed. Pastor Koehn's Nerve Tonic 2 bottles cured me, and I am now a strong, healthy man, and feel contented. I recommend this medicine at every opportunity. KEOHNE MED. CO., Chicago, Ill. Sold by Druggists at \$1 per Bottle, 6 for \$5. Foreign Size, \$1.75, 4 Bottles for \$5.

A POPULAR FAMILY. "How is it, Kate, that you always seem to catch on to the latest new thing? What I may, you always seem to get ahead of me." "I don't know; I certainly do not make any exertion in that direction." "Yes; well, during the last few months, for example, you have taken up painting."

Without any teacher, you came to the rescue when Miss Lafarge deserted her belated class so suddenly, and certainly we are all improving in grace under your instruction. I heard you telling Tommy James last evening how you seem to be up on all the latest fads, and know just what to do under all circumstances; you entertain beautifully; and in the last month you have improved so in health, owing to your use of this medicine, that you are now a really first-class teacher. I really furnish the reading for the whole household. Father has given up his magazine that he has taken for years, as he says it only gives more and better information on the subjects of the day; and mother says that it is that makes her such a famous housekeeper. In fact, we all agree that it is the only really family magazine published, as we have sent for samples of all of them, and find that only this one is for men, another for women, and another for children only, while this one suits every one of us; so we only need to take one instead of several, and that is where the economy comes in. For it is only \$2.00 a year. Perhaps you think I am too lavish in my praise; but I will let you see our copy, and send 10 cents to the publisher, W. Jennings Demorest, 15 East 14th Street, New York, for a sample copy, and I shall always consider that I have done you a great favor; and may be you will be cutting us out, as you say we have the reputation of being the best informed family in town; that is so. It is Demorest's Family Magazine that does it."

YOU CAN MAKE Seven Cent Cotton —BY USING— "HOME FERTILIZER."

Selkirk, S. C., Sept. 27th, 1890. Mess. Boykin, Carmer & Co., Balto, Md. Dear Sir: Replying to yours of a few days ago, would say: that I have used "Home Fertilizer" for 7 years, and made more clear money during those years than any other since I have been farming, and have done nothing else. Yours truly, NIEL A. McLEOD. Tallahassee, Fla., Oct. 7th, 1889. Mess. Boykin, Carmer & Co., Balto., Md. Gentlemen: Having bought and used one car load of your "Home Fertilizer," I can cheerfully recommend it as one of the finest fertilizers on the market, at same time it is the cheapest and appears especially adapted to the soil of Middle Florida. It forces the crops to early maturity and largely increases the yield, and I am confident that it permanently improves the land. I expect to use three car loads the coming season. Very truly yours, T. J. ROBERTS. Moor's Mill, Ga., June 10th, 1891. Boykin, Carmer & Co., Dear Sirs: I used two formulas of your "Home Fertilizer" last season under Cotton and Corn. I gathered near a bale of Cotton to the acre. I measured one here of Corn land and gathered 68 bushels of Corn by weight off the acre. I am well pleased with your "Home Fertilizer." J. J. KEETER. Hallsville, N. C., October 31st, 1891. Mr. S. O. Middleton. Dear Sir: The "Home Fertilizer" bought of you in the Spring was the best I ever used. I used 2 1/2 formulas on 7 acres and the Cotton was the best I ever made. I have used several brands of guano but none equal this. Yours truly, D. D. BROWN. BOKIN, CARMER & CO., BALTIMORE, MD.
