A Little Girls Experience in a

Lighthouse. Mr. and Mrs. Loren Trescott are keepers of the Gov. Lighthouse at River Sand Beach, Miss., and are blessed witq a daughter, four years old. Last River April she was taken down with Measles, followed with a dreadful Cough Stage Road and turning inco a Fever. Doctors at home and at Detroit treated her, but in vain, she grew worse rapidly, until she was a mere "handful of bones."-Then she tried Dr. King's New Discovery for Consumption and after the use of twa and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at Harper & Hood's Drugstore,

A POPULAR FAMILY. JENNIE: "How is it, Kate, that you always seem to 'catch on 'to the last new thing? Do what I may, you always seem to get ahead KATE: "I don't know: I certainly do not make any exertion in that direction."

JENNE: "Well, during the last few months, for example, you have taken up painting.

so suddenly, and cortainly we are all improving in grace under your instruction; I heard you telling Tommy Lames last evening how his club made mistakes in playing baseball; you seem to be up on all the latest 'fads,' and know just what to do under all circumstances you entertain beautifully; and in the last month you have improved so in health, owing, you tell me, to your physical culture exercises. Where do you get all of your information from in this lattle out-of-the way place?—for KATE: "Why, Jennie, you will make me vain. I have only one source of information, but it is surpressing how it meets all wants. I very seldom hear of anything new but what the next few days bring me full information on the subject. Magic? No! Magazine! And a great treasure it is to us all, for it really furnishes the reading for the whole household; father has given up his magazine that he has other for years, as he says this one gives more and better information on the subjects of the day; and mother says that it is that that makes her such a famous housekeeper. In fact, we all agree that it is the only really FAMILY magazine published, as we have sent for samples of all of them, and find that one is all for men, another all for women, and another for children only, while this one suits every one of us; so we only need to take one instead of several, and that is where the economy comes in, for it is only \$2.0) a year. Perhaps you think I am too lavish in my praise; but I will let you see ours, or, better still, send 10 cents to the publisher. W. Jennings Demorest, 15 East 14th Street, New York, for a sample copy, and I shall always consider that I have done you a great favor; and may be you will be cutting us out, as you say we have the reputation of being the best informed family in town. If that be so, it is Demorest's Family Magazine that does it."

St. Vitus Dance Cured. SAN ANDREAS, Cal. Co., Cal., Feb. 1889. My boy, 13 years old, was so affected by St. Vitus Dance that he could not go to school for 2 years. Two bottles of Pastor Koenig's Nerve Tonic restored his health, and he is now attending school again. MICHAEL O'CONNEL

A Very Bad Case. EAST NEWMARKET, Md., March 8, 1891. My daughter had epilepsy so severe that she would have 6 or 7 fits every 24 hours. Immediately after using Pastor Koenig's Nerve Tonic the spasms decreased in number, and in less than two weeks from taking the first dose they entirely ceased. Before using this medicine her mind was very weak, but now mind and memory are fully restored, and she is entirely cared of the fits by the use of this great remedy.

MRS. J. H. ANDREWS.

Diseases sent free to any address and poor patients can also obtain this medicine free of charge. This remedy has been prepared by the Reverend Pastor Koenig, of Fort Wayne, Ind., since 1976, and gnow prepared under his direction by the KOENIG MED. 'O., Chicago, III.
