The man who thinks Weaver will be the next President certainly has very vague ideas in his head and can't forsee at all. Still there are a few who have just small knowledge enough to believe it, some in our county, but they are excusable. They don't know that if all the electors (197) he has out were elected he would then like 26 of getting in.

Harnett white men do you want the Republicans to manage your county government? We think the sound echoes back to us no. If you don't, vote the Democratic ticket. We have men nominated whose political record is clean and pure, whose character cannot be impeached, men who will serve you in every capacity as well or better than the 3rd party men or Republicans, men whom you have tried and found them right. Now can you afford to run and risk with these fellows who just come out of the Democratic party because they failed to get an office there. They don't care for reform. The office is all they want, deep down in their hearts is the old desire for an office. It's not their great love for the working class as they try to make you believe. Thinking men of this county don't be led by men who you know are trying to deceive the working man.

S. OTHO WILSON WRITES A LETTER.

F. M. Simmons, Chas. man. Raleigh, N. C.

Sir:—A copy of the State Chronicle of the 19th inst., containing two letters and a sensational write-up by you with reference to a so called secret political society, of which I am said to be the official head, has been handed me.

As you have used the machinery of the party of which you are the official head, together with the Democratic press of the State and the nation for its circulation, I hope that your sense of fair play will give the same prominence and wide circulation to this communication. Justice demands it.

If there is in North Carolina a secret political society known as "Gideon's Band," or any other name, or if there has been a political society which controls, or has tried to control the people, or policy of any political party, other than the councils of the party itself, I am in ignorance of its existence.

Very Truly, S. OTHO WILSON.

Mr. Editor:—At the request of Mr. S. Otho Wilson, I desire through the medium of the press to lay before the people of North Carolina the above letter, which I think contains the strongest possible proof of the charge he therein essays to answer. It will be observed he does not deny the statements made by Messrs. Reed and Bell, and makes the single point that the "Band" is not a political society. In other words, summoned to the bar of public opinion, his plea is what is known among the lawyers as a plea by way of "confession and avoidance." He admits by not denying (under circumstances which imperatively call for denial if one had been intended) the existence in North Carolina of the "Gideon's Band." He admits thereby that Messrs. Reed and Bell have correctly described the machinery by which it works, to-wit: Chiefs, sub-chiefs, thirty select men in each county and 300 in each Congressional district, "who can be relied on in all meetings." He admits thereby that these men are bound by oath, under severe penalties, to execute "all orders emanating from their superiors;" he admits that he initiated Reed and made him "Chief" in the Ninth Congressional district; he admits thereby that he made overtures to Bell to join and revealed to him the secrets of the "Band;" he admits that he declared the purpose of the Band to be to promote the "Reform movement." But he says the "Band" is not a political society.

I leave it to the intelligent people of the State if this is not a fair interpretation, indeed the only admissible interpretation of his letter. These facts being admitted are proven, the people will not accept Mr. Wilson's conclusion as to whether they constitute a political society, especially when it is well known that he and some of his followers have very eccentric notions about what is political. They will take the facts and decide for themselves, and these facts, admitted, as I have shown, by Mr. Wilson, show a well defined political organization.

What did Mr. Wilson mean when he told Mr. Bell the object of the band was to promote the "reform movement?" Did he refer to the platform of principles adopted at Cincinnati in 1891, which with slight amendments, were afterwards incorporated in the St. Louis platform and then adopted at Omaha? What could he have meant if not this? Bell so understood him, for he replied the scheme was dangerous and would destroy the Alliance and defeat the reform proposed. Is there any doubt about what is known as the "reform movement" being a political movement? Does it not seek to have certain well defined policies enacted into law, and where in conflict therewith to have the fundamental law changed?

There seems to be considerable obtuseness on the part of some people in this State as to what constitutes political action, but it is hard to be believed any can be found so dull as not to see that what was popularly known as the reform movement was then a political move, and has continued up to the present time to be one.

If Messrs. Reed and Bell's letters left any doubt (and I think they did not) in the minds of our people about the actual existence here of a secret political society, Mr. Wilson's letter finally removes that doubt.

The existence of "Gideon's Band" in this State, and the statements of Messrs. Reed and Bell in reference thereto not being denied, the people will, of course, from their opinion of its character and objects from the statements of these gentlemen. If the order is political it is unlawful; if the order is not political, but merely intended to control and direct the deliberations of the Alliance, then it is an outrage upon the members of the Alliance who have not been admitted to its secrets, that a secret "cabal" should have been formed within their order to clandestinely control its councils.

THE "REFORM" CANDIDATE FOR CONGRESS.

The candidate for Congress of the party in the third district is F. D. Koonce of Onslow. He is a great advocate of "Reform" and is calling upon Reformers to support him against Hon. B. F. Grady who is a REAL Reformist and enjoys the confidence of all who know him. In 1890, Mr. Koonce announced himself as a candidate for State Senator on the Alliance platform, C. V. Thompson, who is now a senator for Wever, wrote on the 17th of Oct. to the Newberne Journal as follows:

THE "REFORM" CANDIDATE FOR CONGRESS.

"Frank D. Koonce, nondescript candidate for the Senate in the 9th district has no connection with the Alliance and does not possess the confidence of the Alliance people of Onslow; and further, Mr. Koonce has not signed the Alliance demands."

This shows what Mr. Thompson thought of Mr. Koonce. What did Mr. Koonce think of him? Happily they have given the public an estimate of Mr. Koonce. On the 15th of October Richland's Alliance adopted for publication the following:

"WHEREAS, it comes to our knowledge that F. D. Koonce, of Richlands, N. C. has declared in his canvass for the Senate that he is "with the Alliance and of the Alliance," and that he claims the support in his candidacy of the Alliance voters in Onslow, therefore,

Resolved, That we make it known to the public that the said Frank D. Koonce has no connection with Richlands Alliance, No. 1977, and cannot have by reason of his profession of the law, that we have no confidence in him, or in his profession of love for our Order; but that, on the contrary, from our intimate knowledge of his past political life and of his personal character, we consider him a shrewd misleader of the unwary for his personal gain."

Can the farmers of North Carolina expect to get Reform by defeating honest Benjamin Grady, a true blue Alliance man, and voting for Koonce of whom Richland Alliance officially said: "We consider him a shrewd misleader of the unwary for his personal gain?"

Let us use a little common-sense in this campaign. Loud profession of devotion to the cause of Reform, "shrewd misleaders" of the people "for personal gain" cannot make them worthy of the support of good men who desire Reform. People are putting too much confidence in men who are good at promising. If they trust such men, they will destroy the coming of the relief needed by our people.—North Carolinian.

The Republican leaders are trying to play a trick on us now. They tell the t. p. that there is no chance for Weaver in this fight so you come and vote for Harrison with us and we will go with your men in the county affairs. Alliance men and white men of the county, are you going to let them march you right in the Republican camp that way? Young men who have always been in the Democratic ranks, and always helped us fight Republicanism in every form can see now what we have been telling you all the time that it was a Republican scheme. Why they promised you they would not get out a State ticket. Can't you learn now before its everlastingly too late that they want to do to you? They are just using you as tools. Some people can't see anyway.

Mrs. Lease, the Weaver side-show while South, has gone back to her own (Kansas) and advises her followers to vote for Harrison. She sees Weaver stands no showing now and has unveiled herself by joining the "rads."

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

One bottle of Pastor Koenig's Nerve Tonic cured me entirely, after physicians had tried unsuccessfully for 8 months to relieve me of nervous debility. W. HUBBARD, JR., BEDFORDVILLE, MO., January, 1891. I can sincerely say that Pastor Koenig's Nerve Tonic has acted wonderfully; since my boy commenced to use it he has not had the slightest symptoms of his old and getting stout and hearty; every one is surprised at the result, because I had bought eight bottles of medicine from New York at \$4.00 per bottle which did no good.
